THE DALLES OREGON

#### THE TWO STATES.

OREGON.

A Roseburg evaporator has dried 850 tons of plums.

Free Methodists have begun a three-weeks' campmeeting at Fairmount, Lane county.

Wm. Ward found a nugget weighing \$142 at Susanville in the Elk creek mining country.

It is said that working time in the La Grande shops will soon be reduced to four days a week.

Mell Dustin, who criminally assaulted Lizzie Green near Hamilton last week, is in jail in default of \$800 bail.

Lieut. Chas. E. Nelson, of Co. A, was shot in the back at the sham battle at Camp Compton Saturday. Luckily the wound is not serious. A blank cartridge exploding was the cause.

Last Monday George Fitzgerald, of Olney, sent an employe, Frank Roberts, into Astoria to purchase provisions. Roberts was a thoroughly trustworthy man, and when he set out on his journey he had \$50 in gold in his pocket. Yesterday morning his dead body was found by the Olney school teacher, lying by the side of the road with his head terribly battered and cut. It is believed that the murder was committed by a young German who had been seen several times with Roberts.

WASHINGTON.

Walla Walla is shipping second-crop strawberries into Spokane.

A band of 2,100 sheep in the Tietan made a sudden rush for the shade, according to the story of a herder, and encountered two fallen logs which lay in the form of a V. Those in front were crowded forward in spite of themselves and 466 smothered to death.

An old man named Fletcher, living west of Vancouver, was driving into town yesterday afternoon, when his horse ran away and threw him violently against an electric light pole, breaking a number of his ribs. The injured man was taken into an adjoining house, but was past medical aid and died a few hours afterwards.

The first successful ascent of the north slope of Mount St. Helens was made Wednesday last by a party from Tacoma, including Fred Plummer, A. C. Carpenter and Leshi, an Indian. The trip was filled with many dangers and difficulties. The craters on the mountain were explored. The party was out ten days. St. Helens is an active volcano, and a distinct earthquake was felt.

In this skeptical age statements made before being credited are generally inquired into. People are always found (some one said) on the side where their interest lies. In view of the fact named truth an endorsement from one who is not interested should be of double value, hence the following frank statement should be read with interest.

Mr. Thomas Batte, editor of the Graphic, Texarkana, Arkansas, has found what he believes to be the best remedy in existence for the flux. His experience is well worth remembering. He says: "Last summer I had a very severe attack of flux. I tried almost every known remedy, none giving relief. Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended to me. I purchased a bottle and received almost immediate relief. I continued to use the medicine and was entirely cured. I take pleasure in recommending this remedy to any person suffering with such a disease, as in my opinion it is the best medicine in existence." 25 and 50 cent bottles for sale by Blakeley & Houghton, Druggists. 1m.

The success of Mrs. Annie M. Beam, of McKeasport, Pennsylvania, in the treatment of diarrhoea in her children will undoubtedly be of interest to many mothers. She says: "I spent several weeks in Johnstown, Pa., after the great flood, on account of my husband being employed there. We had several children with us, two of whom took the diarrhoea very badly. I got some of Chamberlain's Colic, Cholera, and Diarrhoea Remedy from Rev. Mr. Chapman. It cured both of them. I knew of several cases where it was equally successful. I think it cannot be excelled and cheerfully recommend it." 25 and 50 cent bottles for sale by Blakeley & Houghton, Druggists. 1m.

THE DALLES Wasco County, Oregon.

The Gate City of the Inland Empire is situated at the head of navigation on the Middle Columbia, and is a thriving, prosperous city.

ITS TERRITORY. It is the supply city for an extensive and rich agricultural and grazing country, its trade reaching as far south as Summer Lake, a distance of over two hundred miles.

The Largest Wool Market. The rich grazing country along the eastern slope of the Cascades furnishes pasture for thousands of sheep, the wool from which finds market here.

The Dalles is the largest original wool shipping point in America, about 5,000,000 pounds being shipped last year.

ITS PRODUCTS. The salmon fisheries are the finest on the Columbia, yielding this year a revenue of thousands of dollars, which will be more than doubled in the near future.

The products of the beautiful Klickitat valley find market here, and the country south and east has this year filled the warehouses, and all available storage places to overflowing with their products.

ITS WEALTH. It is the richest city of its size on the coast and its money is scattered over and is being used to develop more farming country than is tributary to any other city in Eastern Oregon.

Its situation is unsurpassed. Its climate delightful. Its possibilities incalculable. Its resources unlimited. And on these corner stones she stands.
