John Hollingshead and a party left Tygh Valley yesterday for Mt. Hood and intend to reach the top. They took with them a flag, which they design to plant on the tip of the mountain. Chased by a Cougar.

Frank Reynolds, while out hunting grouse Wednesday morning on the hill above his father's place, saw two young cougars. He gave them a shot, when the mother of the young cougars appeared on the scene and sprang towards Frank, who made such good time down the hill that the cougar no doubt thought it useless to attempt to overtake him, and soon gave up the chase. A party of young men started out to look for him Wednesday, but returned without their game. Evidently this cougar is the same one that has been seen before in that neighborhood, and should be killed.—Glacier.

Endorsed by the Press.

In this skeptical age statements made before being credited are generally inquired into. People are always found (some one said) on the side where their interest lies. In view of the last named truth an endorsement from one who is not interested should be of double value, hence the following frank statement should be read with interest: GENTLEMEN:—This is to certify that I have used Kruse's Homeopathic Capsules with satisfactory results. I bought a box which cost me 25 cents and one capsule cured me of dreadful sick headache. My wife and myself have both used the medicine manufactured by the Norman Lighty Mfg Co. and we recommend them to the public as being just what they are represented. Respectfully, W. J. HUTCHINSON, Ed. Gazette, Pleasant Hill, Mo.

Volunteer Firemen Tournament.

Oregon City Enterprise. The firemen of this city have for some time been making preparations to go and take part in the State Tournament of Volunteer Firemen which is to be held at The Dalles on the 4th and 5th of September, but their plans were not perfected until recently. The several companies of the city will join in giving Oregon City a good representation and the committee has arranged for a good delegation which will leave here on Sunday morning, September 31 by boat to be transferred to another boat at Portland. The trip will take most of the day and will be a delightful ride by river through some of the most picturesque scenery on the Pacific coast. The fare for the round trip from Oregon City to The Dalles will only be \$1.90 which is very low indeed. Hotel rates have also been reduced to \$1.00 per day so as to attract as many as possible to the tournament. Those who are looking after the interests of Oregon City say that they expect to have not less than forty who will go from here.

Wallace Cole was appointed at a meeting of the companies to select a team to go to the tournament and he has chosen the following, making eleven besides himself. They are Wallace Cole, E. Taylor, Geo. Brown, Frank Brown, E. F. Reekner, Geo. Fenimore, Chas. Paterson, H. W. Trembath, Bert Greenman, W. S. Rhodes, Chas. Moore and E. J. McCausland.

It is also the intention of the managers to take along a base ball nine to compete for the prize and arrangements are pending for the companies here and in Portland to join in taking along a band, and it may be that the Oregon City band will be chosen.

The Enterprise has received word from The Dalles that every preparation is being made there for a big time and that no pains will be spared to make the occasion a most enjoyable one to all present, special low rates having been made on every hand. A big parade will be one of the attractions and numerous cash prizes will be competed for.

O. N. G. Matters.

The petition has been sent in for a militia band at The Dalles.

Thompson, Regimental Quartermaster J. M. Patterson and Major Everett. Word has been received from the latter that he will not be present. The applicant will be examined as to his knowledge of O. N. G. regulations, state military law and articles of war.

Mr. Thomas Batte, editor of the Graphic, Texarkana, Arkansas, has found what he believes to be the best remedy in existence for the flux. His experience is well worth remembering. He says: "Last summer I had a very severe attack of flux. I tried almost every known remedy, none giving relief. Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended to me. I purchased a bottle and received almost immediate relief. I continued to use the medicine and was entirely cured. I take pleasure in recommending this remedy to any person suffering with such a disease, as in my opinion it is the best medicine in existence." 25 and 50 cent bottles for sale by Blakeley & Houghton, Druggists.
