Mr. J. E. Rand and wife returned on Tuesday night's train from Port Townsend, Wash., after a two week's visit with friends.

Mr. Will Rand, our popular livery man, has sold his one-half interest in the stable to Mr. J. W. Curdeman, formerly of the Oregon Lumber Co. The new firm will be Curdeman & Wallace.

Mr. Case, the night operator at this place for the past two months, made an assignment of his household goods to his creditors on last Friday, and left on the night train to visit his wife's relations without saying goodbye.

Mr. L. Henry and wife left on last week for a three months' stay in the east. They go direct to Chicago to visit the world's fair, and from there on to the G. A. R. encampment at Indianapolis, Ind., and on their return will stop in Nebraska, their old home.

Mr. J. F. Richardson, living near Tucker postoffice, while working in the timbers on last Tuesday, felled a tree on himself, and we understand is seriously hurt. This is the third accident that has happened him in the last two years.

When Charlemagne and his "Knights of the Round Table" were making war on the Saracens, in Africa, it frequently happened that Knights on either side would fight in single combat for the honor of their respective armies.

For many years, the scourge—the dreaded invader—of Europe, and all waged war against this common enemy.

But in these days the worst scourge that threatens us, is that dread invader, Consumption.

Consumption fastens its hold upon its victims while they are unconscious of its approach. Dr. Fiere's Golden Medical Discovery has cured thousands of cases of this most fatal of maladies.

For Weak Lungs, Spitting of Blood, Shortness of Breath, Bronchitis, Asthma, severe Coughs, and kindred affections, it is an unequalled remedy.

For all diseases that arise from a torpid liver and impure blood, nothing can take the place of Dr. Fiere's Golden Medical Discovery.

Nothing will, after you have seen what it does. It prevents and cures by removing the cause. It invigorates the liver, purifies the blood, sharpens the appetite, improves digestion, and builds up both strength and flesh, when reduced below the standard of health.

THE NEW TOWN has been platted on the old camp ground, at the Forks and Falls of Hood river, with large, slightly lots, broad streets and alleys, good soil and pure water, with shade in profusion, perfect drainage, delightful mountain climate, the central attraction as a mountain summer resort for all Oregon, being the nearest town to Mt. Hood. It is unparalleled as a manufacturing center, being the natural center for 100,000 square miles of the best cedar and fir timber, possessing millions of horse power in its rushing streams and water falls, easily harnessed. Where cheap motive power exists, there the manufacturing will center, surrounding a soil and climate that cannot be equaled anywhere for fruit and agriculture, and with transportation already in place you will find this the place to make a perfect home or a paying investment.

See me on the ground, address me at Hood River, Wasco County, Oregon.
