SEPTEMBER SHORTS.

City and County News Notes of Minor Importance.

The public schools open tomorrow. The Oregon City base ball team defeated the Goldendales this afternoon by a score of 19\* to 13.

The lawn social Saturday night at the residence of Judge Liebe was well attended and quite successful. It was given by the Busy Gleaners, and is the last of that society.

The immense crowd today felt unfairly treated. After waiting three hours, standing first on one foot and then on the other, the races commenced. Even then the time was not announced.

F. S. Gordon of Wamie has mailed us a fine specimen of wheat raised in his section. It will rank as No. 1, and no superior can be produced. He informs us the yield throughout that country will range anywhere from 25 to 50 bushels per acre.

The Regulator made the quickest time yesterday that has ever been made on the river. From The Dalles to White Salmon, 22 miles, the trip was made in 70 minutes, and to the Cascades in 2 hours and 10 minutes. The running time for the round trip consumed just 5 hours.

Mr. Scherneckau of Crook county, while out driving recently, came upon a monster rattlesnake. The dominant thought instantly came in his mind to kill it. He seized the buggy whip and jumped out, but when he had dispatched it both buggy and horses were "out of sight." He had forgotten to secure them before attending to the snake. The team was caught by Mike Cornett and luckily no great damage was done.

Mr. O. C. Stephens, whose death was announced in Saturday's daily, will be brought to this city for interment. The remains will arrive on the morning passenger, and the obsequies will be under the auspices of Columbia Lodge No. 6, I. O. O. F. Owing to the fact that their lodge room will be occupied by the K. of P., the members are requested to meet at the office of Dr. O. D. Doane at 7:30 tonight, sharp, for the purpose of making arrangements for the funeral of the late brother. A full attendance is desired.

A dispatch from Denver states that Dr. Thatcher Graves, who has been on trial for the murder of Mrs. Barnaby for the past year, and was held in confinement awaiting a new trial, committed suicide yesterday morning. He died of a broken heart.

The races this afternoon did not commence until about 4:30. The Jackson hose ran first, making the time of 38 1/2 seconds. Before water reached the nozzle the hose burst, delaying the force of the stream a fraction of a second. The Vancouver then ran, making the time in 36 1/4 seconds. The Oregon City team then covered the distance in 40 seconds.

Linn Cooper, 5 years old, son of D. J. Cooper, of this city, was accidentally shot and killed at 3 o'clock this afternoon. His brothers were playing with the gun, when it was discharged, and Linn was instantly killed. No further particulars are obtainable at this hour. His brother, Charles was to have run in the race this afternoon, but on hearing the news, he at once left for the scene of the tragedy. The Coopers are in the habit of spending a part of the summer on the ranch, but they were all about to come to town, and Mr. Cooper himself did come about noon today.

A serious accident happened at Hood River this forenoon to Mamie Moody, the 8-year-old daughter of Mr. W. H. Moody. Mrs. Moody and family are stopping there and the little girl pulled over a vessel of hot water from the stove upon her person, burning her from the waist down. A telegram was sent at once to Mr. Will Moody at The Dalles, who chartered an engine, and securing Dr. Rinehart, hurried to the scene. The engine left about 2 o'clock. The information states that while her injuries are not believed to be fatal, she is very badly burned.

The first services held in the Christian church were the dedication ceremonies at 11 o'clock yesterday. The church was taxed to its fullest capacity and many were unable to find seats. Rev. Cowden preached a most impressive discourse and Miss Clara Moore rendered a very thrilling solo. At the close of the service Dr. Eshelman read a financial statement of the church, and a collection was taken amounting to \$750, which is to be paid within three months. This practically clears the church of debt, as the remaining \$1,000 owed is in the form of a four years note with interest at 4 per cent. The first cost of the new church was \$3,800.

THE FIRE BOYS.

A Host of Gallant Firemen From Oregon and Washington Cities.

The city today entertains a host of visiting firemen from Oregon cities and Vancouver, Wash. That they receive a cordial welcome is unnecessary to state. Since all firemen are brave, they are likewise hospitable, and the hearty handshakes and unconstrained courtesies no less hearty, bore evidence that we are glad to meet our visiting brethren in fraternal union.

The day of the tournament opened smoky and cool, with a few scattering clouds flecking the sky. Long before noon the clouds thickened and the sky was completely overcast. Just after one o'clock p. m., sprinkles of rain dotted the ground, and bid fair to wet up everything thoroughly, but soon passed over and the hose teams were in readiness for the races, which took place at 4 o'clock p. m.

The first firemen to arrive were the Oregon City's, who came in on the Regulator last night accompanied by the Oregon City Silver Cornet Band. They were met by the Jackson hose company and escorted to the Umattilla house, where music was discoursed from the piazza, and a cordial welcome given by citizens. The other visiting fire companies, delegates and friends came by train. The city presented a gala appearance, being decorated with flags and bunting, evergreens and appropriate mottoes.

The parade occurred this morning in the following order: Marshal of the day, Col. Thompson. Veteran Volunteers of Portland. Oregon City band. Veterans of Portland. Metropolitan band of Portland. Veteran Firemen of The Dalles. Dalles City band. Jackson Hose Co. Columbia Hose Co. East End Hose Co. Mt. Hood Hose Co.

The last named were attired in overalls, commemorative of Labor Day. At 11 o'clock occurred the grand banquet at Wingate's hall. This hall, the largest in town, was completely filled. Chief Jud Fish, of The Dalles Fire Department, gave an address of welcome, which was responded to by the president of the Portland Veterans, Mr. Geo. C. Sears. Other speakers were Mr. John Michell, of The Dalles, Mr. H. C. Joyce, Abe Stuart and J. J. Kelley of Portland, D. C. Ireland, Judge Schutz and a number of impromptu speakers. Mr. Pryce sang "The Old Machine." The consolidated bands of The Dalles and Oregon City rendered some very fine music, under the skilled leadership J. J. Cook, of the visiting band.

The success of Mrs. Annie M. Beam, of McKeesport, Pennsylvania, in the treatment of diarrhoea in her children will undoubtedly be of interest to many mothers. She says: "I spent several weeks in Johnstown, Pa., after the great flood, on account of my husband being employed there. We had several children with us, two of whom took the diarrhoea very badly. I got some of Chamberlain's Colic, Cholera, and Diarrhoea Remedy from Rev. Mr. Chapman. It cured both of them. I knew of several cases where it was equally successful. I think it cannot be excelled and cheerfully recommend it." 25 and 50 cent bottles for sale by Blakeley & Houghton, Druggists, 1m.
