THE DALLES OREGON

FIGURES OF INTEREST.

MULHALL estimates that the civilized nations pay annually \$13,700,000,000 for food.

ACCORDING to a statement lately put forward at the London Mansion house, the city of London drinks every year 45,000,000 gallons of malt liquor, 8,000,000 gallons of wine and 4,500,000 gallons of spirits.

THERE was in 1890 among the males in Massachusetts, a population of 1,087,700, while the female population was 1,151,234. This gives an excess of females at that time 69,525. In 1885 the excess of women over men was 76,373.

A TEXAS statistician announces that the population of the world, estimated at 1,400,000,000, if divided in families of five, could be accommodated in Texas, each family with a five-acre lot. He says there would be 50,000,000 lots left over for parks and public buildings.

CONTRARY to the general belief that Ireland leads the world in its fondness for "praties," statistics show that the people of Germany and Belgium are the greatest potato-eaters; the consumption in these countries annually exceeds 1,000 pounds per head of population.

A Good Thing to Keep at Hand.

From the Troy (Kan.) Chief.

Some years ago we were very much subject to severe spells of cholera morbus; and now when we feel any of the symptoms that usually precede that ailment, such as sickness at the stomach, diarrhoea, etc., we become scared. We have found Chamberlain's Colic, Cholera and Diarrhoea Remedy the very thing to straighten one out in such cases. We are not writing this for a pay testimonial but to let our readers know what is good to keep handy in the house. For sale by Blakeley & Houghton, druggists.

La Grippe.

During the prevalence of the grippe the past seasons it was a noticeable fact that those who depended upon Dr. King's New Discovery, not only had a speedy recovery, but escaped all of the troublesome after effects of the malady. This remedy seems to have a peculiar power in effecting rapid cures not only in case of la grippe, but in all diseases of throat, chest and lungs, and has cured cases of asthma and hay fever of long standing. Try it and be convinced. It won't disappoint. Free trial bottles at Snipes & Kinersly's drug store.

THE DALLES

Wasco County, Oregon.

The Gate City of the Inland Empire is situated at the head of navigation on the Middle Columbia, and is a thriving, prosperous city.

ITS TERRITORY.

It is the supply city for an extensive and rich agricultural and grazing country, its trade reaching as far south as Summer Lake, a distance of over two hundred miles.

The Largest Wool Market.

The rich grazing country along the eastern slope of the Cascades furnishes pasture for thousands of sheep, the wool from which finds market here.

The Dalles is the largest original wool shipping point in America, about 5,000,000 pounds being shipped last year.

ITS PRODUCTS.

The salmon fisheries are the finest on the Columbia, yielding this year a revenue of thousands of dollars, which will be more than doubled in the near future.

The products of the beautiful Klickitat valley find market here, and the country south and east has this year filled the warehouses, and all available storage places to overflowing with their products.

ITS WEALTH.

It is the richest city of its size on the coast and its money is scattered over and is being used to develop more farming country than is tributary to any other city in Eastern Oregon.

Its situation is unsurpassed. Its climate delightful. Its possibilities incalculable. Its resources unlimited. And on these corner stones she stands.
