THE DALLES OREGON

SAGACIOUS SHEPHERD BOYS.
Their Faithful Watchfulness of the Flocks Under Their Care.

Gen. John Bidwell related to the Oroville (Cal.) Register the following as showing how well trained the shepherd dog becomes. He and a friend were riding in the Salinas valley when they came to a band of one thousand or more sheep guarded by ten or twelve shepherd dogs. There were from twenty-five to thirty coyotes along the edge of the hills and within a short distance of the sheep, but between the two were the well trained and vigilant dogs. "Two or three times while we were in sight one or more of the coyotes made a dash for the sheep, but each time they were driven back by the guardians of the flock. We rode on and put up at the Gomez ranch, which was owned by a wealthy native Californian. About sundown the sheep, driven by the dogs, came up to the house and the flock entered a corral. Two of the dogs laid down at the entrance and waited there until the owner came out and put up the bars. Then the master put his different dogs and fed them well. He told us that the dogs drove these sheep out on the plains two or three miles in the morning, remained with them during the day, kept the coyotes and other animals at bay, and each evening drove them up to the house and into the corral."

La Grippe.

During the prevalence of the grippe the past seasons it was a noticeable fact that those who depended upon Dr. King's New Discovery, not only had a speedy recovery, but escaped all of the troublesome after effects of the malady. This remedy seems to have a peculiar power in effecting rapid cures not only in cases of la grippe, but in all diseases of throat, chest and lungs, and has cured cases of asthma and hay fever of long standing. Try it and be convinced. It won't disappoint. Free trial bottles at Snipes & Kineraly's drug store.

THE DALLES

Wasco County, Oregon.

The Gate City of the Inland Empire is situated at the head of navigation on the Middle Columbia, and is a thriving, prosperous city.

ITS TERRITORY.

It is the supply city for an extensive and rich agricultural and grazing country, its trade reaching as far south as Summer Lake, a distance of over two hundred miles.

The Largest Wool Market.

The rich grazing country along the eastern slope of the Cascades furnishes pasture for thousands of sheep, the wool from which finds market here.

The Dalles is the largest original wool shipping point in America, about 5,000,000 pounds being shipped last year.

ITS PRODUCTS.

The salmon fisheries are the finest on the Columbia, yielding this year a revenue of thousands of dollars, which will be more than doubled in the near future.

The products of the beautiful Klickitat valley find market here, and the country south and east has this year filled the warehouses, and all available storage places to overflowing with their products.

ITS WEALTH.

It is the richest city of its size on the coast and its money is scattered over and is being used to develop more farming country than is tributary to any other city in Eastern Oregon.

Its situation is unsurpassed. Its climate delightful. Its possibilities incalculable. Its resources unlimited. And on these corner stones she stands.
