THE DALLES - OREGON

FARMS ACROSS THE SEAS.

The cultivation of the banana is being given up in Fiji in favor of sugar growing.

An invasion of caterpillars made its appearance in Yonne, France, and the insects have eaten up the pasture and left the fields bare.

The plague of locusts, which has for several years wrought such mischief in Algeria, does not seem likely to be less disastrous this year.

The bee keeping industry has obtained a good footing in Queensland, where the department of agriculture is inquiring as to the market for honey of London.

The Indian tea crop for 1892-93 was 118,087,000 pounds, as compared with 120,000,000 pounds for the 1891-92 season, and 115,000,000 pounds for the 1890-91 season.

EDINBURGH is supposed to have the largest cow population of any city in the world, there being 22,000 cows in that city. Dublin has 11,000 and London 8,000 cows.

WILLIAM WALDORF ASTOR has recently bought the estate of Cliveden, on the banks of the Thames, of the duke of Westminster and will become a citizen of London.

ARTHUR BALFOUR says that his greatest political help comes from his sister Agnes, who is his housekeeper. Each day she devotes a fixed amount of time to reading the newspapers and marking what is useful for his purpose.

La Grippe.

During the prevalence of the grippe the past seasons it was a noticeable fact that those who depended upon Dr. King's New Discovery, not only had a speedy recovery, but escaped all of the troublesome after effects of the malady. This remedy seems to have a peculiar power in effecting rapid cures not only in cases of la grippe, but in all diseases of throat, chest and lungs, and has cured cases of asthma and hay fever of long standing. Try it and be convinced. It won't disappoint. Free trial bottles at Snipes & Kinnersly's drug store.

THE DALLES

Wasco County, Oregon.

The Gate City of the Inland Empire is situated at the head of navigation on the Middle Columbia, and is a thriving, prosperous city.

ITS TERRITORY.

It is the supply city for an extensive and rich agricultural and grazing country, its trade reaching as far south as Summer Lake, a distance of over two hundred miles.

The Largest Wool Market.

The rich grazing country along the eastern slope of the Cascades furnishes pasture for thousands of sheep, the wool from which finds market here.

The Dalles is the largest original wool shipping point in America, about 5,000,000 pounds being shipped last year.

ITS PRODUCTS.

The salmon fisheries are the finest on the Columbia, yielding this year a revenue of thousands of dollars, which will be more than doubled in the near future.

The products of the beautiful Klickitat valley find market here, and the country south and east has this year filled the warehouses, and all available storage places to overflowing with their products.

ITS WEALTH.

It is the richest city of its size on the coast and its money is scattered over and is being used to develop more farming country than is tributary to any other city in Eastern Oregon.

Its situation is unsurpassed. Its climate delightful. Its possibilities incalculable. Its resources unlimited. And on these corner stones she stands.
