THE DALLES OREGON

**A Persistent Counsel**

Mr. Oswald has the reputation of being the "hardest fighter" at the bar. Various stories illustrative of his persistence have recently appeared in the papers, but I have not seen the following, which is, perhaps, the best: Mr. Oswald was arguing a case in the court of appeal at great length. Already the court had intimated pretty clearly that it had heard enough, but Mr. Oswald had treated these intimations in his usual manner, and went on raising point after point.

"Really," at last one of the lord justices remonstrated—"really, Mr. Oswald, if you intended to rely on these points you should have raised them in the court below."

"So I did, my lord," replied Mr. Oswald, "but their lordships stopped me."

"They stopped you, did they?" inquired Lord Esher, eagerly. "How did they do it?"—London Truth.

**What Makes Us Thirsty.**

Thirst is simply a sensation by which a lack of fluids in the system is made known, and in a state of health it is a generally faithful indication of the wants of the body. Natural thirst is first indicated by a peculiar dryness of the mouth and fauces, caused by a failure of the pharyngeal membrane to secrete a due amount of liquids, but if fluids were to be introduced directly into the stomach through a tube, and not by way of the fauces—as has been done in some unusual cases—the immediate absorption thereof instantly allays the sense of thirst, from which it has been supposed that the sensation of thirst is in the nerves of the stomach and that the throat-sensation is a kind of reflex action.

**Tygh Valley Roller Flour Mill.**

Is in complete repair; always in store flour equal to the best. Also old style coarse and fine Graham flour, mill feed, etc. W. M. McCORLE, Propr.

**La Grippe.**

During the prevalence of the grippe the past seasons it was a noticeable fact that those who depended upon Dr. King's New Discovery, not only had a speedy recovery, but escaped all of the troublesome after effects of the malady. This remedy seems to have a peculiar power in effecting rapid cures not only in cases of la grippe, but in all diseases of throat, chest and lungs, and has cured cases of asthma and hay fever of long standing. Try it and be convinced. It won't disappoint. Free trial bottles at Snipes & Kinersly's drug store.

**Good Job Printing.**

**THE DALLES**

Wasco County, Oregon.

The Gate City of the Inland Empire is situated at the head of navigation on the Middle Columbia, and is a thriving, prosperous city.

**ITS TERRITORY.**

It is the supply city for an extensive and rich agricultural and grazing country, its trade reaching as far south as Summer Lake, a distance of over two hundred miles.

**The Largest Wool Market.**

The rich grazing country along the eastern slope of the Cascades furnishes pasture for thousands of sheep, the wool from which finds market here.

The Dalles is the largest original wool shipping point in America, about 5,000,000 pounds being shipped last year.

**ITS PRODUCTS.**

The salmon fisheries are the finest on the Columbia, yielding this year a revenue of thousands of dollars, which will be more than doubled in the near future.

The products of the beautiful Klickitat valley find market here, and the country south and east has this year filled the warehouses, and all available storage places to overflowing with their products.

**ITS WEALTH.**

It is the richest city of its size on the coast and its money is scattered over and is being used to develop more farming country than is tributary to any other city in Eastern Oregon.

Its situation is unsurpassed. Its climate delightful. Its possibilities incalculable. Its resources unlimited. And on these corner stones she stands.

**SHOE FACTORY**

For Sale at a Bargain.

The undersigned, having secured the machinery and fixtures of what was intended for a first-class shoe factory, will sell the same at a bargain. Here is an engine and boiler of 40-odd horse power, and a large amount of shoe machinery, lasts, line shafting, pulleys, belting and findings—almost a complete shoe factory.

Here is also one of the best sites for successfully operating a factory of this kind to be found in this country. Write for particulars at once, to
