THE DALLES OREGON

**BOOKS AND AUTHORS.**

WALTER BESANT has hurried off to Vermont to join Rudyard Kipling, and they will do the world's fair together.

JOSEPH NICOLA, a Penobscot Indian, has written a one hundred and seventy-five page book telling of the doings of his tribe from way back up to the present year.

GEN. LEW WALLACE'S novel, "The Prince of India," is nearly ready for publication. The catastrophe of the book is the assault and sack of Constantinople in 1453, and the entry of Mohammed II. into Sancta Sophia.

MRS. STANNARD, the writer, who is best known by the name of John Strange Winter, says she knows of one happy marriage that was the result of a proposal made on the fourth day after the couple met. It is her own.

MRS. GEORGE WILLIAM CURTIS has used the money received from the edition of "True and I," published by the Harper Brothers last Christmas, as a fund for a free scholarship in the Staten Island academy, in memory of her husband.

Honors to French Artists. In France a popular painter inspires about as much sentiment in the other sex as a successful actor. When Benjamin Constant was elected to the academy a short time ago the women students at the Julien studios erected a triumphal arch of flowers and laurel before the painter's house and compelled him to pause beneath it and make a speech. Then when M. Constant came down the stairway to leave the house the fair students stood in double line and held palm branches over his head, making an avenue for him to pass under.

Tygh Valley Roller Flour Mill. Is in complete repair; always in store flour equal to the best. Also old style coarse and fine Graham flour, mill feed, etc. W. M. McCORKLE, Prop. 111.113m

La Grippe. During the prevalence of the gripe the past seasons it was a noticeable fact that those who depended upon Dr. King's New Discovery, not only had a speedy recovery, but escaped all of the troublesome after effects of the malady. This remedy seems to have a peculiar power in effecting rapid cures not only in cases of la grippe, but in all diseases of throat, chest and lungs, and has cured cases of asthma and hay fever of long standing. Try it and be convinced. It won't disappoint. Free trial bottles at Snipes & Kinsersly's drug store.

**THE DALLES**

Wasco County, Oregon.

The Gate City of the Inland Empire is situated at the head of navigation on the Middle Columbia, and is a thriving, prosperous city.

ITS TERRITORY.

It is the supply city for an extensive and rich agricultural and grazing country, its trade reaching as far south as Summer Lake, a distance of over two hundred miles.

The Largest Wool Market.

The rich grazing country along the eastern slope of the Cascades furnishes pasture for thousands of sheep, the wool from which finds market here.

The Dalles is the largest original wool shipping point in America, about 5,000,000 pounds being shipped last year.

ITS PRODUCTS.

The salmon fisheries are the finest on the Columbia, yielding this year a revenue of thousands of dollars, which will be more than doubled in the near future.

The products of the beautiful Klickitat valley find market here, and the country south and east has this year filled the warehouses, and all available storage places to overflowing with their products.

ITS WEALTH.

It is the richest city of its size on the coast and its money is scattered over and is being used to develop more farming country than is tributary to any other city in Eastern Oregon.

Its situation is unsurpassed. Its climate delightful. Its possibilities incalculable. Its resources unlimited. And on these corner stones she stands.

**SHOE FACTORY**

For Sale at a Bargain.
