JUSTICE AND MERCY

A husband and wife were on trial in a New York court the other day for abandoning their child. The wretched father altitude of six thousand five hundred and mother stolidly awaited the result. feet that is practicable for entite and the judge and the bailiffs, the lawyers pack trains in summer. The thermomand the jury, and the spectators frowned upon the miserable pair, wondering how such inhumanity could be possible. In "I consider Chamberlain's Cough the nurse's arms the little victim-a boy Remedy a specific for croup. It is very eight weeks old-lay gasping for breath. pleasant to take, which is one of the His pinched and pallid features stamped most important requisites where a cough him as a child of poverty and misfortune. remedy is intended for use among chil-The judge gazed upon the heartless dren. I have known of cases of croup parents, and then upon the half-starved infant. What sentence would fit the case? How could it be framed so as to measure out stern justice to the parents sale by Blakeley & Houghton and sweet mercy to their offspring? It was a puzzle for a human judge alded only by human wisdom and human laws. Croup Cure, is for sale by Snipes & Kin-But another judge was about to inter- ersly. Pocket size contains twenty-five fere. Suddenly the nurse gave a startled doses, only 25c. Children love it. Sold ery. The court officers rushed to her by Shipes & Kinersly. side. The child was dead! While the human judge had been wondering how he could punish the parents and help the little one, the decree of a higher court solved the problem. The angel of Fraternity hall next Monday evening at death gently glided down the aisle of the 7:30 sharp for the purpose of making argloomy old court room and lightly rangements for the winter's an usement. touched the friendless habe. The sufferer was rescued-saved from the dangers and trial that menaced it in the outer world. The judge saw that the merciful side of the problem had been settled, and that he could administer justice with- m that he could administer justice with-out fear of harming the innocent. A tribute can be al child's white soul took its flight from out fear of harming the innocent. A child's white soul took its flight from the dark court room and a little later the guilty parents walked with downcast heads to a prison cell. Justice and the total alaimed their own!

An adventurous trip across the English channel in a tiny collapsible lifeboat has

A Petrined Standing Forest.

There are several places in the west -in Colorado, New Merley, Arizona a sertain steep cliff on the Shetland and Utah in particular-where invepetrified, anatized, silicified or jasperized trees are found. These are lying down. Not so with the petrified forest both. He pushed upward, however, \$ 1 se of Custer county, Idaho. This forest of stone, according to the discoverer, Mr. F. R. Schermerhorn, seems to have all been standing at a time when the whole section was overflowed with a stream of plastic clay. This clay settled around the tranks of the covert (its comrades, having been thus giants, converting them into stote, warned, moved the boat out of the leaving the tops sticking out. In the course of time the fumes from the plastic mass.which is of volenule origin. transformed the limbs to stone also. and now the whole is a standing forest.

A Wonderful Feat.

Two Americans in the employment of the government of British Columbia this is a sad story-1 have lost my shuff 3:00 a m. recently accomplished a feat hitherto box' deemed impossible by crossing the Selkirk mountains in the depth of winter. The object of the trip wils to ascertain if it were possible to lay out a pack Hilton, et al. are figuring on the proband entile trall over the range from Golden to Kalso. The men traveled one hundred and fifty miles on snowshoes, fifty miles over the wildest mountain country, where gladiers. abounded. They found a pass at an

a man who had undertaken to climb i dands to gather wild fowls' eggs was deliber very experienced nor very henve, nithough he boasted of being he day, without looking behind, till he hal got up about a hundred and fifty feet, when he stopped to breathe. The mause was fatal to his self-possession and he called out in topes of terror " MonTment I am going-1 am going! way, so that the poor fellow came sheer lown into the deep water. Mighty was the plunge, but at length he rose s the surface, when he was instantly mucht hold of and dragged into the boat. After many gasps and much spluttering of sen water from his mouth, his only remark was: "Eh. men"

When the World Fails to Pieces.

The leading English scientists, Jones. that the earth is a huge balloon held up, in part at least, by heat and internal gases, and that when nature's great gas main is eventually exhaustethe earth's crust may break in and fail into millions of fragments. Ught The very thought of such a calamity is startling. They argue that the steady belching forth of millions of feet of gas every hour of the day and night is surely causing a great vacuum some where not far beneath the surface, and that sooner or later the thin archway of earth crust will give way. Then will occur the grand climax of all

Daily and Weekly Editions.

THE CHRONICLE was established for the express purpose of faithfully representing The Dalles and the surrounding country, and the satisfying effect of its mission is everywhere apparent. It now leads all other publications in Wasco, Sherman, Gilliam, a large part of Crook, Morrow and Grant counties, as well as Klickitat and other regions north of The Dalles, hence it is the best medium for advertisers in the Inland Empire.

The DAILY CHRONICLE is published every er ning in the week Sundays excepted at \$6.00 m annum. The WEEKLY CHRONICLE on Fridays each week at \$1.50 per annum.

For advertising rates, subscriptions, etc., address
