## SICK-HEADACHE

Makes life miserable. All other ailments are as nothing in comparison. Women especially know its suffering, and few escape its torture.

THE RELIEF AND CURE IS

Many people take pills, which gripe and purge, weakening the body. More take Simmons' Liver Regulator, liquid or powder, because more pleasant to take, does not gripe, and is a mild laxative, that also tones up the system. The relief is quick. It is Nature's own remedy, purely vegetable.

"I never found anything to do me any good until I used Simmons' Liver Regulator. It has been three years since I first used it and I have not had Sick Headache since. I sent my sister who had from one to two attacks of Sick Headache every week one-half of a package, and she has not had it since."—C. S. MOORE, Brownsville, Va.

## TEST OF ENDURANCE

Senator Allen Holds the Floor Fifteen Hours.

THE LONG-WINDED RECORD BROKEN

The Silver Men Have the Worst of It in the Matter of Showing a Quorum.

WASHINGTON, Oct. 12.—All night long Senator Allen of Nebraska held the floor, interrupted by an occasional demand for a roll-call, which dragged the sleeping senators from the adjoining cloakrooms. Gray dawn at 6 a. m. found Allen still holding the fort in the great struggle against unconditional repeal, as he had been doing since darkness fell last night. He had broken all previous records. For 12½ hours he held the floor continuously. The longest time any senator had previously occupied the floor was on the occasion of the force bill fight in 1891, when Faulkner remained on guard 12 hours, though the latter had a breathing spell during the absence of a quorum. Allen seemed almost as fresh as when he began. His voice was still loud and strong, and the great strain seemed not to have affected his physical or mental vigor. An effort was made shortly after by the anti-silver men to reach an agreement with the silverites for a recess until 10 o'clock, but the latter declined the offer. As the hours passed, Senator Allen's powers of endurance amazed his auditors.

It was 9 o'clock when Martin began his plea for the free coinage of silver.

At frequent intervals he was interrupted by demands for roll-calls when it became evident a quorum was not in the chamber. During one of the intervals Stewart read a letter warning him to desist in "obstructing legislation" or he might be blown up with dynamite. The reading merely provoked a laugh.

At 1:30 Martin was still speaking. The programme of the silver men is to have Teller or Jones follow Martin and Stewart follow them. They assert they are in a position to go on, and that the physical endurance question having been forced upon them, they are determined to carry it to a legitimate conclusion.

Stewart, Jones, Pugh, Morgan and other silver men who were not present last night were taking their regular rest and came in this morning, while Teller, Wolcott, Dubois and others who were in the chamber all night went home to sleep and rest. They have the best of the situation, as they only need enough men to keep the talk going, while the opponents of silver must at all times be ready to muster a quorum. In this the silver men do not aid them, as they decline to respond on the calls of the roll to establish the presence of a quorum.

### Another Horn of the Dilemma.

WASHINGTON, Oct. 12.—A report is current on the floor of the senate that the silver democrats who have acted with the real senators in making a quorum will early this evening announce a determination to no longer pursue this course because of the futility of attempting to get a vote. If this is done it will place the responsibility of maintaining a quorum entirely upon the repeal men, and, of course, increase the difficulty of continuing the session.

The Dalles visited Carlisle today for the purpose of urging the necessity of a compromise in view of the evident impossibility of getting a vote by a continuous session. It is said Carlisle expressed the opinion a vote could be reached, and did not promise more than to consider the suggestions.

It is definitely stated that at 10 o'clock tonight Voorhees will move a recess until 10 o'clock tomorrow. It is generally supposed the recess will be used for the purpose of effecting a compromise, though the repeal men say not, but that they will go on indefinitely from 10 a. m. to 10 p. m. daily until the silver men get through with speechmaking.

Will be No Compromise.

WASHINGTON, Oct. 12.—An incomplete canvass of the senate at 2 p. m. indicates the general opinion that the continuous session will last at least through tonight.

Voorhees denounced unqualifiedly the statement published in some quarters to the effect that Carlisle and Gorman had agreed on a compromise to be put through the senate by Voorhees. He declares the administration is not seeking a compromise. Harris has proposed an amendment to suspend silver purchases till the silver now in the treasury is coined, then to coin a blank amount monthly, doing away with all small notes. Silver democrats are not inclined to accept the amendment. Jones of Arkansas will introduce an amendment for the coinage of \$2,500,000

for four years. He thinks the silver men will accept it, as it carries silver through this administration.

### THE FESTIVE TRAMPS.

A Gang of Them Make Things Lively in Ashland, Or.

ASHLAND, Or., Oct. 12.—A hundred tramps arrived here on a freight train from the north last night, and on the arrival of the freight train from the south this number was increased. About 11 o'clock a body of them moved against Chinatown with the intention of chasing the Chinese out of town. They had broken into the buildings and got 10 of the Chinamen out in line before an alarm was given. Officers, aided by a few armed citizens, succeeded in quieting the disturbance, but the tramps had already stolen some \$40 from the Chinamen and had robbed the wash-house. They left for California on a freight train this morning.

### NEWS OF THE STATE.

Thos. Gilbert makes the first conviction from Sherman county for penitentiary honors. Judge Bradshaw gave him two years in Salem.

The Western Association of Baptists has just closed its annual session at Mor-mouth. The attendance has been excellent, and much interest has characterized every session.

Albert Forrester, who was working on a boom above G. J. Trullinger's mill, near Oregon City, clearing away drift, when he slipped and went over the dam, and after floating about in an eddy drifted down stream for a considerable distance, and was drowned almost within reach of help. He leaves a wife and one young child to mourn his untimely death.

A band of gypsies recently drove their team and wagon on to the Vancouver ferry from the Oregon side. After the ferry started the team became frightened and backed the wagon and its occupants into the Columbia river. They were rescued by the boat hands and landed on the Oregon side again, where they built a fire and dried their clothes.

A. L. Hembree, who was tried for the killing of John Kinifick, February 14th, 1893, in Sherman county, was pronounced not guilty by the jury. There was a lack of testimony showing that Hembree was the murderer and the previous bad character of Kinifick showed that in the melee at Jos. Elliott's house over the card game Hembree's actions were justifiable. Judge Bennett appeared for the defendant and W. H. Wilson for the prosecution.

### NEWS NOTES.

J. Arrell Johnson, of Topeka, announces that he has discovered a liquid preparation that will change the color of the African and make him a white man. He says he has experimented on two negroes, and that his preparation did the work. He expects to go south and make his fortune.

## A RECEIVER IS NAMED

The Union Pacific Goes Into Other Hands Today.

MR. S. H. H. CLARK IS APPOINTED

The Failure Thought to be Due to Watered Stock—Railroad Collision in Michigan.

(Special to THE CHRONICLE.)

OMAHA, Oct. 14.—Railroad circles are agog over the news that the Union Pacific has passed into the hands of a receiver, for such is the fact, the necessary papers having all been made out at 10 o'clock this morning and delivered, appointing Mr. S. H. H. Clark, receiver. Mr. Clark has been president of the road for several months and his well known integrity of character makes his appointment give universal satisfaction. Fifteen years ago he was division superintendent on the mountain division of the Union Pacific, stationed at Cheyenne, but has risen by swift stages to be one of the foremost railroad men of the day. Stock of the Union Pacific has been steadily dropping for several months, until it has reached a point comparatively valueless, but it was supposed that by their recently inaugurated system of rigid economies they would weather the storm. Too much water in their stock, it is thought, is at the base of their failure, as in the present season of depression, the road could not stand it, though safe enough in ordinary times.

### FRIGHTFUL ACCIDENT.

LATER—A corrected estimate places the number killed at 45 and the injured 60.

When this remedy has been taken as soon as a cold has been contracted, and before it has become settled in the system, it will contract the effect of the cold and greatly lessen its severity, and it's the only remedy that will do this. It acts in perfect harmony with nature and aids nature in relieving the lungs, opening the secretions, liquefying the mucus and causing its expulsion from the air cells of the lungs, and restoring the system to a strong and healthy condition. No other remedy in the market possesses these remarkable properties. No other will cure a cold so quickly. For sale by Blakeley & Houghton.
