DULL Times makes it all the more necessary to advertise. That is what the most progressive of our business men think, and these same business men are the most prosperous at all times. If you wish to reach all the people in this neighborhood you can't do better than talk to them through the columns of the DALLIES CHRONICLE. It has more than double the circulation of any other paper, and advertising in it pays big.

THE NEW TOWN has been platted on the old camp ground, at the Forks and Falls of Hood river, with large, slightly lots, broad streets and alleys, good soil and pure water, with shade in profusion, perfect drainage, delightful mountain climate, the central attraction as a mountain summer resort for all Oregon, being the nearest town to Mt. Hood. It is unparalleled as a manufacturing center, being the natural center for 150 square miles of the best cedar and hemlock timber, possessing millions of horse-power in its dashing streams and waterfalls, easily harnessed. Where cheap motive power exists, there the manufacturing will center, surrounded by soil and climate that cannot be excelled anywhere for fruit and agriculture, and with transportation already assured you will find this the place to make a perfect home or a paying investment.
