THE DALLES OREGON

AFFAIRS OF THE HEART.

WHEN the hair of a Roman bride was dressed for a wedding, it was always parted with the point of a spear.

The wedding ring is worn on the left hand because, in symbolism, the right hand is authority, the left obedience.

The wedding wreath is reminiscent of the age when the bride was always presented with a bouquet of symbolic flowers.

In China all arrangements for a wedding are made by a go-between, who also does the courting and makes the proposal.

In most churches of England a ring is kept so that embarrassment may be spared in case of forgetfulness of the parties concerned.

A COUPLE of hundred years ago English and German people, in order to secure the greatest possible publicity, were married in the church door.

In Hungary the father of the bride takes off her shoes and hands them to her husband, thus turning over all his authority to the groom.

SENTIMENT is as old as anything else, as is indicated by the discovery in Egyptian tombs dating back to B. C. 2000 of wedding rings engraved with a heart and two clasped hands.
