A FATAL REJOICING

Visited His Sweetheart While he Was Dru k.

SHE GOT MAD--HE SHOT HIMSELF

More Victims of the Rock Island Trainwreck--Crimes and Casualties.

MOUNT HOLLY, N. J., Nov. 9.—Edward Hubbs, of Medford, a small village six miles from here, Tuesday night took part in the republican rejoicing over the result of the election, and during the evening drank too much. He subsequently called on his fiancée, Miss Mary Vorcross, who was so shocked at seeing him under the influence of liquor that she refused him admission to the house and told him she would have nothing more to do with him. Hubbs went away without a word, and returning home got a revolver and shot himself in the head. He died a few minutes afterward.

Wreck on the Rock Island.

CHICAGO, Nov. 9.—Four more names have been added to the list of dead as last night's wreck on the Rock Island Road near here, making eight killed and 34 wounded. The additional dead are: Edward J. Grady, Quincy, Ill., died at the hospital today; Malcolm Latham, aged 12, died today; Reuben Leghoner died today; an unidentified man died today.

A dense fog prevailed over the city most of the forenoon, and notwithstanding the utmost caution was observed by the railways several accidents occurred, though fortunately none were serious. A gas motor in the North Side street railway barns exploded today, causing 10 motors to blow up. Fire following destroying the building and 40 street-cars; loss, \$100,000.

The Santander Disaster.

SANTANDER, Nov. 9.—Divers state that 600 cases of dynamite yet remain in the wreck of the steamer Cabo Michicaco, the explosion on board of which wrought such fearful destruction of life and property on Friday last. People living near the waterfront, fearing another explosion, are abandoning their homes and seeking residences at a safe distance from the point of danger. Experts do not, however, believe such a quantity of dynamite could withstand the shock of the last explosion. Deaths among the wounded of the last explosion are reported daily.

She is Brought Into Notice Again by a Divorce Case.

New York, Nov. 9.—Robert L. Reade, a New York lawyer, who has been living in Paris several years, has returned to this country and is making arrangements for a legal separation from his wife, who will remain abroad. She is Josie Mansfield, who 20 years ago was the subject of much gossip in the shooting of James Fisk, jr., by Edward S. Stokes. Miss Mansfield went abroad soon after the tragedy, and has lived in Paris ever since. Though somewhat mature, she is said to be still beautiful and fascinating. At that time she was known in Paris society as Mrs. Lawler, which was the name of her first husband, an actor of some note. It appears the married life of the couple was not harmonious and they resolved to separate. It is understood Reade, who was quite wealthy, will make a handsome provision for his wife. Reade is a son of the late Robert Reade, once one of the largest property owners in Minneapolis. Lord Falkland, a prominent English peer, married Reade's sister.

Mr. W. M. Terry, who has been in the drug business at Elkton, Ky., for the past twelve years, says: "Chamberlain's Cough Remedy gives better satisfaction than any other cough medicine I have ever sold." There is good reason for this. No other will cure a cold so quickly; no other is so certain a preventive and cure for croup; no other affords so much relief in cases of whooping cough. For sale by Blakeley & Houghton, druggists.

MORE FIGHTING AT RIO.

Mello is Again Bombarding the City.

New York, Nov. 9.—The Herald's Montevideo dispatch says a dispatch from Rio Janeiro says:

"The Aquidaban, Mello's flagship, and Fort Villegagnon, which is occupied by forces who are co-operating with the rebel admiral, began a vigorous bombardment of the city on Tuesday evening, which is still being continued. Considerable damage has been done in various quarters of the city. The forts Santa Cruz and Lage are answering the fire of the ships and of Fort Villegagnon. The cannonading is very heavy and it is thought Mello, who received word of Peixoto's purchase of vessels of war in New York, is making a determined effort to strike a decisive blow before they can be brought down to the president. The province of Santa Catharina, the capital of which is Desterro, where the rebels have set up a provisional government, has been invaded by federal troops from the province of Rio Grande do Sul. General Argollas, with a body of insurgents, have gone to meet them, and a fight will probably take place between the forces before long."

Ferris Wheel Was a Success.

CHICAGO, Nov. 9.—The Ferris wheel proved to be a bonanza to its owners. Exactly 1,453,611 people paid to ride in it during the four months of its operations, so Secretary Vincent reported at the annual meeting of the stockholders yesterday. The receipts at 50 cents each amounted to \$726,805.50. After paying \$300,000 due on bonds, the company divided \$426,805.50 with the exposition. After paying its operating expenses, the company had over \$100,000 left, the principal part of which was divided among the stockholders at today's meeting. No action looking to the removal of the wheel has been taken.

A Young Polish Woman Goes Crazy.

In the front cell of the city jail a pitiful sight presented itself to a reporter. On an improvised couch lay a beautiful young Polish woman, 21 years of age, the wife of Mr. Olijnicki, better known as Brown for convenience' sake, and the mother of two children, a raving maniac. She was taken in custody by Officer Benedict in a lodging-house on First and Mill, where she conducted herself in a very violent manner, and it was necessary to place her hands and forearms in a leather muff to prevent her from hurting herself or doing injury to others.

The Olijnickis were living at the Cascades up to a fortnight ago, where the husband was employed as a tooldresser. The wife was then taken sick and brought to St. Vincent's hospital, remaining there till the early part of the week. She first gave signs of a disordered mind two days ago.

The husband was with her in her place of confinement, and his grief and deep affection for the unfortunate woman was quite affecting. At about 10 o'clock City Physician C. H. Wheeler arrived and gave the patient an injection of morphine, after which she quieted down somewhat and became more docile. She will be sent to the asylum, where treatment will soon restore her to health.—Telegram.
