Those who suffer from Nervous Debility, Losses, Drains, Lost Manhood, or various other ailments, or who are afflicted with Rheumatism, Sciatica, and general ill health, the effects of which, however, weary or exposure, will find relief and prompt cure in our marvelous invention, which requires but a trial to convince the most skeptical. WINANS

THE NEW TOWN has been platted on the old camp ground, at the Forks and Falls of Hood River, with large, shady lots, broad streets and alleys, good soil and pure water, with shade in profusion, perfect drainage, delightful mountain climate, the central attraction as a mountain summer resort for all Oregon, being the nearest town to Mt. Hood. It is unsurpassed as a manufacturing center, being the natural center for 150 square miles of the best cedar and fir timber, possessing millions of horse-power in its dashing streams and waterfalls, easily harnessed. Where cheap motive power exists, there the manufacturing will center, surrounded by soil and climate that cannot be excelled anywhere for fruit and agriculture, and with transportation already assured you will find this the place to make a perfect home or a paying investment.

The Dalles Daily Chronicle.
 HAS A FAMILY OF 2000 READERS.
 They read The Chronicle to get the latest and most reliable news. And they read every line that is in the paper. That is what makes The Chronicle an invaluable advertisement medium. The newspaper that goes to the family fireside is the one that the advertisers of today patronize when they desire to reach the people. When they want your trade their announcements will be found in the paper. Look over our columns and observe the verification of the truth of this assertion. Remember, a trade of a family of two thousand is worth asking for through these columns, especially so at our very cheap Advertising Rates.
