Strength and Health.

If you are not feeling strong and healthy, try Electric Bitters. If "la grippe" has left you weak and weary, use Electric Bitters. This remedy acts directly on liver, stomach and kidneys, gently aiding those organs to perform their functions. If you are afflicted with sick headache, you will find speedy and permanent relief by taking Electric Bitters. One trial will convince you that this is the remedy you need. Large bottles only 50c. at Snipes & Kinnersly's drug store.

Are your children subject to croup? If so, you should never be without a bottle of Chamberlain's Cough Remedy. It is a certain cure for croup, and has never been known to fail. If given freely as soon as the croupy cough appears it will prevent the attack. It is the sole reliance with thousands of mothers who have croupy children, and never disappoints them. There is no danger in giving this Remedy in large and frequent doses, as it contains nothing injurious. 50 cent bottles for sale by Blakeley & Houghton, druggists.

WINANS

THE NEW TOWN has been platted on the old camp ground, at the Forks and Falls of Hood river, with large, slightly lots, broad streets and alleys, good soil and pure water, with shade in profusion, perfect drainage, delightful mountain climate, the central attraction as a mountain summer resort for all Oregon, being the nearest town to Mt. Hood. It is unparalleled as a manufacturing center, being the natural center for 150 square miles of the best cedar and fir timber, possessing millions of horse-power in its dashing streams and waterfalls, easily harnessed. Where cheap motive power exists, there the manufacturing factories will center, surrounded by soil and climate that cannot be excelled anywhere for fruit and agriculture, and with transportation already assured you will find this the place to make a perfect home or a paying investment.

The Dalles Daily Chronicle.

HAS A FAMILY OF 2000 READERS.

They read The Chronicle to get the latest and most reliable news. And they read every line that is in the paper. That is what makes The Chronicle an invaluable advertising medium. The newspaper that goes to the family firesides is the one that the advertisers of today patronize when they desire to reach the people. When they found in the paper their announcements will be found in the verification of the truth of this assertion. Remember, a trade of a family of two thousand is worth asking for through these columns, especially so at our very

cheap Advertising Rates.
