Free trade is doomed. The recent elections gave it its death knell. Mr. Culberson, chairman of the committee of ways and means, and Mr. Bland and a host of democratic congressmen, have so declared it. The warning voice of the people from Ohio, Pennsylvania, New York, Massachusetts and New Jersey has been heard.

Mayor Harrison's assassin was sane enough to attend to business and earn his own living—sane enough to hunt down his victim and kill him. It will take a mountain of evidence to convince an intelligent jury that such a man did not know the criminal nature of his act when he shot the mayor down on his own doorstep.

President Cleveland has incurred the displeasure of a large number of Oregonians by appointing George Harper, of Georgia, Indian agent at the Umatilla agency. Most Oregonians are of the opinion that there are enough competent men in the state to fill the few federal offices in Oregon, and do not believe in filling them with men from the farthest corner of the nation. However the senate refused to confirm the appointment, and some Oregonian may yet get the place.

The Chicago atmosphere must be maritally demoralizing. Abdallah Ben Hamad, one of the performers in the Midway, went there with a bride. The bride became a victim of the Chicago influence and ran away with a handsome man. Now Abdallah is seeking his wife and vengeance and vows that he will have them if he has to sail the world around. Abdallah ought to take a Chicago view of it and allow the fickle one to go whither she listeth. For verily it is easier to snare a new bird than one which has had a breath of the cage and escaped again to freedom.

The state of Oregon is a larger purchaser of tobacco—for the prisoners in the penitentiary and the inmates of the asylum. As to the latter, we do not undertake to venture an opinion, but the state of Oregon should not only not buy any tobacco for the prisoners of the penitentiary but the prisoners themselves should not be allowed to buy or use tobacco. The taxpayers should be saved this expense, and the prisoners should be deprived of the use of tobacco for two reasons, at least, one for punishment and the other for the good it would do them, both morally and physically.

The Ochoco Review says: This multiplicity of proclamations, setting aside two separate days of thanksgiving, is rather confusing to us in this isolated and unenlightened region. We are thankful for the bounties bestowed upon us; we are desirous of showing our gratitude, and would willingly fall on our knees and thank the Lord for His goodness if we only knew on which day to offer homage. But we are confused; we are uncertain whether we are citizens of the United States or Oregon, hence are undecided whether to follow in the wake of Cleveland or Pennoyer. Further, we are unadvised whether the president or the governor is in closest touch with the Supreme Ruler and are liable to spoil the "whole kettle of fish" by obeying the dictates of one who is just now in disfavor with the powers on high. These are precarious times, and we can't afford to make any mistake.

THE BEST PLASTER.—Dampen a piece of flannel with Chamberlain's Pain Balm and bind it on over the seat of pain. It is better than any plaster. When the lungs are sore such an application on the chest and another on the back, between the shoulder blades, will often prevent pneumonia. There is nothing so good for a lame back or a pain in the side. A sore throat can nearly always be cured in one night by applying a flannel bandage dampened with Pain Balm. 50 cent bottles for sale by Blakeley & Houghton, druggists.

Karl's Clover Root, the new blood purifier, gives freshness and clearness to the complexion and cures constipation. 50c., 75c. and \$1.00. Sold by Snipes & Kinerly, druggists.

Rooms to rent at Rev. A. Horn's residence on Ninth street. 6-23daw.

## MARKET REPORT.

TUESDAY, NOV. 14—Business during the past few days has improved. Merchandise and groceries on the market continue on steady prices. The produce and poultry market is dull, owing to a free delivery and a limited demand. The egg supply is short and the deliveries are very limited, 28 to 30 cents cash is being paid by some dealers and even then a complaint is made that the price will not bring in any greater number of dozens. The butter market is off in every sense of the word, and the quotations today cannot exceed 50 cents per roll for the best gilt edge. The fruit market is unchanged and is fully stocked.

Pork is advancing and bids fair to bring a good price. We are unable to get quotations but one thing is known that it is higher.

The wheat market continues dull and weak. It is generally conceded that the wheat market has reached bottom, and there is a looking forward to December, when there will be an advance of several cents per bushel. What it will be is only a conjecture.

The wool market is still dull and lifeless. It is expected that the market will stiffen in the near future.

### A New Barley.

A valuable new barley is the Egyptian variety. It yields more to the acre, at the same time being richer and making better feed. It is superior for soup and when ground and treated like corn meal, makes bread impossible to distinguish from corn bread. Call at THE CHRONICLE office and see sample. A limited quantity of seed can be obtained for a dollar a bushel.

Mr. W. M. Terry, who has been in the drug business at Elkton, Ky., for the past twelve years, says: "Chamberlain's Cough Remedy gives better satisfaction than any other cough medicine I have ever sold." There is good reason for this. No other will cure a cold so quickly; no other is so certain a preventive and cure for croup; no other affords so much relief in cases of whooping cough. For sale by Blakeley & Houghton, druggists.

### La Grippe.

During the prevalence of the grippe the past seasons it was a noticeable fact that those who depended upon Dr. King's New Discovery, not only had a speedy recovery, but escaped all of the troublesome after effects of the malady. This remedy seems to have a peculiar power in effecting rapid cures not only in cases of la grippe, but in all diseases of throat, chest and lungs, and has cured cases of asthma and hay fever of long standing. Try it and be convinced. It won't disappoint. Free trial bottles at Snipes & Kinerly's drug store.
