THE DALLES OREGON

THE TOLEDO WEEKLY BLADE

And Book Containing all the Nasby Letters for One Dollar.

In answer to a general demand from all parts of the United States, the Toledo Blade has published in one volume, cloth bound, all of the "Nasby Letters" ever written by the late D. R. Locke, omitting perhaps a few unimportant letters on local or forgotten topics. Only a few of these letters were ever published in book form. Everybody has read some of them, but who has read all of them? The book contains over 500 large pages, and all the Nasby Letters written during a period of twenty-five years; also a portrait of D. R. Locke from his last photograph. It would sell at one dollar or more, but will never be placed on sale. One hundred thousand copies are now being printed and bound, and one copy will be sent postpaid by mail free to every person who this winter remits one dollar for the Weekly Blade one year. Everybody invited to send for a specimen copy of the Weekly Blade, which will give a full description of the book "The Nasby Letters."

The Toledo Weekly Blade is the best and most popular weekly newspaper published in this country. It has the largest circulation of any weekly newspaper, and goes to every state, territory and nearly every county of the union. Only one dollar a year, including the above mentioned book free. Send postal to the Blade, Toledo, Ohio, for a free specimen copy of the paper. Send the addresses of your friends also.

WINANS

THE NEW TOWN has been platted on the old camp ground, at the Forks and Falls of Hood river, with large, slightly lots, broad streets and alleys, good soil and pure water with shade in profusion, perfect drainage, delightful mountain climate, the central attraction as a mountain summer resort for all Oregon, being the nearest town to Mt. Hood. It is unsurpassed as a manufacturing center, being the natural center for 100 square miles of the best cedar and fir timber, possessing millions of horse-power in its dashing streams and water-falls, easily harnessed. Where cheap motive power exists, there the manufacturing center, surrounded by soil and climate that cannot be excelled anywhere for fruit and agriculture, and with transportation already assured you will find this the place to make a perfect home or a paying investment.
