THE DALLES OREGON

ANCIENT TITLES.

The Jewish title rabbi meant master or teacher.

The most dignified title among the Hollanders was Stadtholder.

The word captain, so often used in the Bible, simply means officer.

The name Ptolemy was adopted as a title by the later kings of Egypt.

The Shah of Persia pretends to date his title back for a thousand years.

Moses appointed judges for the Jews to aid him in the administration of justice.

The Jewish scribes were the lawyers, registers and notaries public of their nation.

The most splendid and substantial title of the middle ages was that of doge of Venice.

The title prince is from a Latin word signifying leader, and dates from the Roman empire.

The judges who governed the Jews were for the most part the heads of their families or clans.

The centurion, as the name implies, was the commander of a hundred men in the Roman army.—Globe-Democrat.

THE BEST PLASTER.—Dampen a piece of flannel with Chamberlain's Pain Balm and bind it on over the seat of pain. It is better than any plaster.

When the lungs are sore such an application on the chest and another on the back, between the shoulder blades, will often prevent pneumonia. There is nothing so good for a lame back or a pain in the side. A sore throat can nearly always be cured in one night by applying a flannel bandage dampened with Pain Balm. 50 cent bottles for sale by Blakeley & Houghton, druggists.

Bucklen's Arnica Salve.

The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter, chapped hands, chilblains, corns, and all skin eruptions, and positively cures piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by Snipes & Kinersly.

All delinquent taxpayers that don't want their names advertised had better come forward, as the roll will be published on the 21st of this month.

WINANS

THE NEW TOWN has been platted on the old camp ground, at the Forks and Falls of Hood river, with large, sightly lots, broad streets and alleys, good soil and pure water, with shade in profusion, perfect drainage, delightful mountain climate, the central attraction as a mountain summer resort for all Oregon, being the nearest town to Mt. Hood. It is unparalleled as a manufacturing center, being the natural center for 150 square miles of the best cedar and fir timber, possessing millions of horse-power in its dashing streams and water-falls, easily harnessed. Where cheap motive power exists, there the manufacturing will center, surrounded by soil and climate that cannot be excelled anywhere for fruit and agriculture, and with transportation already assured, you will find this the place to make a perfect home or a paying investment.

See me on the ground, or address me at Hood River Wasco County, Oregon.

They read The Chronicle to get the latest and most reliable news. And they read every line that is in the paper. That is what makes The Chronicle an invaluable advertising medium.
