THE DALLES OREGON

WISDOM IN CHUNKS.

CURIOSITY is the thirst of the soul. CURIOSITY discovers little at a time. CONSCIENCE is very often confounded with opinion. Every man has some favorite topic of conversation. Cowardice is always scorned and decried universally detested. We are more pained by ignorance than delighted by instruction. Curiosity, like all other desires, produces pain as well as pleasure. The pride of wit has kept ages busy in the discussion of useless questions. Confusion and irregularity produce no beauty. Vices never promote happiness. The duty of criticism is neither to depreciate nor glorify by partial representations.—N. Y. Ledger.

THE BEST PLASTER.—Dampen a piece of flannel with Chamberlain's Pain Balm and bind it on over the seat of pain. It is better than any plaster. When the lungs are sore such an application on the chest and another on the back, between the shoulder blades, will often prevent pneumonia. There is nothing so good for a lame back or a pain in the side. A sore throat can nearly always be cured in one night by applying a flannel bandage dampened with Pain Balm. 50 cent bottles for sale by Blakeley & Houghton, druggists.

Buckley's Arsenic Salve. The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter, chapped hands, chilblains, corns, and all skin eruptions, and positively cures piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by Snipes & Kinnersly.

Look Over Your County Warrants. All county warrants registered prior to January 16th, 1890, will be paid if presented at my office, corner of Third and Washington streets. Interest ceases on and after this date.

WINANS

THE NEW TOWN has been platted on the old camp ground, at the Forks and Falls of Hood river, with large, slightly lots, broad streets and alleys, good soil and pavements, with excellent drainage, perfect drainage, delightful mountain climate, the central attraction as a mountain summer resort for all Oregon, being the nearest town to Mt. Hood. It is unparalleled as a manufacturing center, being the natural center for 100 square miles of the best cedar and fir timber, possessing millions of horse-power in its dashing streams and waterfalls, easily harnessed. Where cheap motive power exists, there the manufacturing will center, surrounded by soil and climate that cannot be excelled anywhere for fruit and agriculture, and with train portation already assured you will find this the place to make a perfect home or a paying investment.

They read The Chronicle to get the latest and most reliable news. And they read every line that is in the paper. That is what makes the Chronicle an invaluable advertising medium. The newspaper that goes to the family firesides is the one that the advertiser to-day patronize when they desire to reach the people. When they want to paper their announcements will be found in the verification of the truth of this assertion.
