Dufur, Oregon.

Gentlemen:  
On arriving home last week, I found  
all well and anxiously awaiting. Our  
little girl, eight and one-half years old,

now well, strong and vigorous, and well  
flushed up. S. B. Cough Cure has done  
its work well. Both of the children like  
it. Your S. B. Cough Cure has cured  
me and kept away all hoarseness from  
me. So give it to every one, with greetings

## SICK-HEADACHE

Makes life miserable. All other  
ailments are as nothing in com-  
parison. Women especially know  
its suffering, and few escape its  
torment.

THE RELIEF AND CURE IS

Many people take pills, which  
gripe and purge, weakening the  
body. More take Simmons' Liver  
Regulator, liquid or powder, be-  
cause more pleasant to take, does  
not gripe, and is a mild laxative,  
that also tones up the system.  
The relief is quick. It is Nature's  
own remedy, purely vegetable.

"I never found anything to do me any  
good until I used Simmons' Liver Regula-  
tor. It has been three years since I first  
used it and I have not had Sick Headache  
since. I sent my sister who had from one  
to two attacks of Sick Headache every  
week one-half of a package, and she has  
not had it since."—C. S. MOYNS, Browns-  
ville, W. Va.

DULL Times makes it all the more  
necessary to advertise. That is  
what the most progressive of our  
business men think, and these same busi-  
ness men are the most prosperous at all times.  
If you wish to reach all the people in this  
neighborhood you can't do better than talk to them  
through the columns of the DAILY CHRONICLE.  
This more than doubles the circulation of any  
other paper, and advertising in it pays big.

## THE HAWAII MUDDLE

Everything Still Seems at Sixes and

### QUEEN NOT YET ON THE THRONE

Minister Willis' Speech Sounds Strangely  
to the Annexationists, who are  
Arming.

According to the Associated Press dis-  
patches the most significant happening  
which has taken place occurred last  
Monday, when a committee of the  
American League, a lately organized  
auxiliary of the Annexation club, called  
on the new minister. After welcoming  
Mr. Willis, the committee stated: "The  
members of the league earnestly desire  
that the Hawaiian islands should be a  
part of the United States, and with that  
object in view the organization will  
support the present provisional govern-  
ment of Hawaii and in all honorable ways  
aid in accomplishing annexation." The  
address also contained an offer of aid, if at  
any time the minister saw fit to com-  
mand them. Minister Willis' answer  
has not yet leaked out here, as the com-  
mittee is pledged to secrecy, but the As-  
sociated Press is enabled, after diligent  
inquiry and a careful comparison of the  
versions of the minister's remarks, as re-  
membered by three members of the com-  
mittee, to give the following as nearly,  
if not quite, a verbatim report of the  
reply. After welcoming the committee  
and speaking pleasant terms of his visit  
to Hawaii, Minister Willis said:  
"I am an ardent American. I would  
like to see the Stars and Stripes waving  
not only over Hawaii, but over all the  
islands of the Pacific, or any other  
territory which would be beneficial to  
the United States. I have my instruc-  
tions which I cannot divulge, you will  
understand; but this much I can say,  
that the policy of the United States is  
already formulated regarding these is-  
lands, and that nothing which can be  
done, either here or there, can avail  
anything now. I don't come here as did  
Mr. Blount. I come as an executive  
officer. I come to act. When the  
proper time arrives I shall act. I am  
sorry I cannot tell you when or how. I  
wish you to understand, however, that  
knowing the policy of the United States  
I could not have accepted the position of  
an executive officer had it been in con-  
flict with the principles I hold. The  
Americans here will have nothing to re-  
gret. While performing my duties in  
carrying out the United States policy I  
shall have no need of aid from you or  
other resident Americans. However, I  
wish to state positively that any outside  
interference will not be tolerated by the  
United States."  
The provisional government does not  
know what to think, but have taken the  
precautions of increasing the armed  
force at the palace, and distributed 30  
rounds of ammunition to a citizens' re-  
serve. There is no doubt that they will  
effectively fight any attempt at restora-  
tion. All "news" from Hawaii, how-  
ever, is a week old, and this must be  
considered in that light. There is no  
telegraphic communication with the is-  
lands and all news comes by steamers.  
The status of affairs as it exists now is  
purely conjectural.

### Pacific Coast People Are Angry.

PORTLAND, Me., Nov. 23.—Congress-  
man Hilborn, of California, who has  
been confined to his hotel on account of  
illness, said in regard to the Hawaiian  
situation, that he thought Californians  
must be surprised at the action of the  
present administration. The trade re-  
lations between San Francisco and the  
islands is so close that Californians can-  
not bring themselves to think of Hawaii  
as a foreign country. Continuing, the  
congressman said the dispatches from  
his district demanding the impeachment  
of Cleveland were very significant, and  
showed the excited condition of affairs  
in California. Pacific coast people are  
also incensed at the president because  
of the non-enforcement of the Chinese  
act. In conclusion he expressed a hope  
that the matter would soon be amicably  
settled, but asserted that the restoration  
of the queen meant a reign of corrupt  
influences.

### THE BEST PLASTER.

Dampen a piece  
of flannel with Chamberlain's Pain  
Balm and bind it on over the seat of  
pain. It is better than any plaster.  
When the lungs are sore such an applica-  
tion on the chest and another on the  
back, between the shoulder blades, will  
often prevent pneumonia. There is  
nothing so good for a lame back or a  
pain in the side. A sore throat can  
nearly always be cured in one night by  
applying a flannel bandage dampened  
with Pain Balm. 50 cent bottles for  
sale by Blakeley & Houghton, druggists.

### ANARCHISTS IN SPOKANE.

They Threaten the Review Newspaper  
With Their Vengeance.

SPOKANE, Wash., Nov. 23.—While no  
overt act has been committed, a good  
deal of incendiary talk is afloat. At 11  
o'clock a mob of one hundred men gath-  
ered in front of the Review office and  
was harangued by the leader, an an-  
archist named Helm. He threatened  
the paper dire vengeance unless it altered  
its editorial course. The crowd then  
marched to A. M. Cannon's bank build-  
ing. By this time it had swelled to 200  
or 300 men. There Helm repeated his  
harangue. Mr. Cannon and Mayor  
Powell addressed it, counseling prudence  
and reason. At this hour, 1 o'clock, the  
crowd has dispersed. A blinding snow  
storm is prevailing, and disagreeable  
weather seems to have chilled the ardor  
of the mob.

### SUNK WITH HER CREW.

One of Admiral Mello's Warships  
Gone.

LONDON, Nov. 23.—President Peixoto  
telegraphed the Brazilian minister in  
this city that the insurgent ironclad  
Javary has been sunk by the batteries  
at Nitheroy, and that the crew of the  
Javary perished. The Javary was an  
iron armored turret ship of 3,700 tons,  
carried 10-inch Whitworth muzzle-load-  
ing rifle guns, six 5-inch rapid-firing  
guns and five machine guns. She had  
2,200 horsepower and 12 inches of armor.  
She was a powerful vessel of light  
draught, suitable for coast defense or  
river service, and was built in France in  
1875.

### The Cronin Murder Mystery.

CHICAGO, Nov. 23.—The state's attor-  
ney says he has unearthed startling evi-  
dence which he thinks will enable him  
to secure the conviction of two men be-  
sides ex-Detective Dan Coughlin for the  
murder of Dr. Cronin. The names of  
the other two, he says, have not been  
heretofore mentioned in that connec-  
tion.

Sunshine comes, no matter how dark  
the clouds are, when the woman who is  
borne down by woman's troubles turns  
to Dr. Pierce's Favorite Prescription. If  
her life is made gloomy by the chronic  
weakness, delicate derangements, and  
painful disorders that afflict her sex, they  
are completely cured. If she's over-  
worked, nervous, or "run-down," she  
has new life and strength.

"Favorite Prescription" is a powerful,  
invigorating tonic and a soothing and  
strengthening nervine, purely vegetable,  
perfectly harmless. It regulates and  
promotes all the proper functions of  
womanhood, improves digestion, en-  
riches the blood, dispels aches and pains,  
brings refreshing sleep, and restores  
health and vigor. For every "female  
complaint" and disturbance, it is the  
only remedy so sure and unfailing that  
it can be guaranteed.

### Deserving Praise

We desire to say to our citizens, that  
for years we have been selling Dr.  
King's New Discovery for Consumption,  
Dr. King's New Life Pills, Bucklen's  
Arnica Salve and Electric Bitters, and  
have never handled remedies that sell as  
well, or that have given such universal  
satisfaction. We do not hesitate to  
guarantee them every time, as we stand  
ready to refund the purchase price, if  
satisfactory results do not follow their  
use. These remedies have won their  
great popularity purely on their merits.

### Notice.

To All Whom It May Concern:  
By order of the common council of  
Dalles City, made and entered on the 3d  
day of November, 1893, notice is hereby  
given that said city council is about to  
proceed to order and make the improve-  
ment of Second street in said city as  
hereinafter stated, and the cost of such  
improvement will be levied upon the  
property adjacent thereto, and said im-  
provement will be made unless within  
fourteen days from the final publication  
of this notice, the owners of two-thirds  
of the property adjacent to said street  
about to be improved shall file their  
remonstrance against said improvement  
as by charter provided.

The improvement contemplated and  
about to be made is as follows, to-wit:

To improve Second street in said city,  
from Union street to the foot of the  
brewery grade by filling the same the  
entire length thereof between said points  
with crushed rock, so as to bring said  
street up to the established grade thereof,  
as heretofore established by ordinance  
No. 247. Which grade in the middle of  
the street is supposed to be of the same  
elevation as the side walks along said  
street, except where said side walks are  
not on a uniform grade from square to  
square, and said street shall be filled in  
such a manner that when said improve-  
ment is completed the center thereof  
shall be on the established grade and  
shall slant to each side to an eleva-  
tion of 8 inches below said established  
grades.

Said improvement shall be made with  
rock of such size as shall be furnished to  
the property owners by the authorities  
of Dalles city, and shall be hauled and  
placed on said street at the expense of  
the respective property owners abutting  
upon said street, and spread on said  
street so as to be of even surface and as  
directed and under the supervision of  
the committee on streets and public  
property.

DOUGLAS S. DUFEK,  
Recorder of Dalles City.

### THE BRIDAL WREATH.

Materials of Which the Emblem is Gen-  
erally Made.

No wreath has been so sung by poets  
and rhymesters as that which graces  
the head of the bride on her wedding  
day, says the New York Advertiser,  
and in most countries the myrtle is  
closely associated with the bridal  
wreath. The latter has become a sym-  
bol of true womanliness, of purity of  
mind and soul, and even Schiller is  
among those who have sung its praises.  
In the time of the Old Testament the  
Jews saw in the myrtle a sign of what,  
for them, was most beautiful and  
precious—the promised land for which  
they were always longing. Later on,  
among the Greeks, the myrtle and the  
rose were considered the favorite flow-  
ers of Venus, the goddess of love, and  
gardens of myrtle were planted in her  
honor, with beds of roses, the red rose  
and the green myrtle representing the  
union of love and virtue. Nowadays  
the myrtle has, however, several rivals.  
In America, in England, in France and  
in Poland the orange blossom reigns  
supreme; in Italy the white rose has  
taken the place of evergreen and  
fragrant myrtle wreath. In Spain the  
red rose and in Portugal the carnation  
have supplanted it. In many parts of  
Germany there are several distinct  
customs to be observed. The sprigs  
from which the wreath shall be twined  
must in some places be taken at a fixed  
hour of the night between certain holy  
days. In some countries or districts  
the veil is used without the wreath.  
In the province of Dalarna, in Sweden,  
the bride wears a white cloth round  
her head, and in several countries the  
bridal wreath has, in the course of  
time, taken the shape of a more or less  
elaborate headgear or wedding crown.  
This is the case in Norway and in  
several places in Germany. In Alten-  
burg it takes the shape of a red velvet  
cap round which run thirteen silver  
rings, from which are suspended a  
number of silver and gold plates and  
coins. A veil and a profusion of float-  
ing silk ribbons in gay colors complete  
the bridal crown. In Denmark the  
myrtle is universally used for bridal  
wreaths, together with a long white  
veil. Many families possess myrtle  
trees, which have for quite a genera-  
tion or more furnished the myrtle  
wreaths for the brides of the family.
