No Use for Lard.
That's the happy and healthy condition of thousands of housekeepers who have been bright enough to try
Cottolene
THE NEW SHORTENING, which is a pure, perfect and popular substitute for lard for all cooking purposes.
The success of COTTOLENE has called out worthless imitations with similar color and similar names. Look out for these. "All that glitters is not gold," and all that's yellow is not COTTOLENE.
There is but one valuable new shortening, and that is COTTOLENE. It is healthful, delicate and economical as a single trial will prove.

A JEALOUS HUSBAND
Killed His Wife, Another Woman and Himself.
WAS DIVORCED FROM HIS WIFE
A Boy Frightens His Little Sister to Death—Minor News Notes.

Killed His Wife, Another Woman and Himself.
KANKAKEE, Ill., Nov. 24.—Jesse D. O. Smith, a former merchant of this city, murdered his divorced wife and Mrs. Graybill this noon, and then shot himself. Both women were shot through the heart; death was instantaneous. Smith shot himself in the head, but the bullet glanced, injuring him slightly. He then went to his boarding house, and shot himself through the right temple just before the sheriff arrived. Jealousy is supposed to be the cause. The divorced woman and Mrs. Graybill lived together.

Frightened His Sister to Death.
NEW BRUNSWICK, Nov. 24.—Twelve-year-old Mary Powell, of Prospect Plains, this county, went to the cellar last night, and while she was ascending the stairs her brother made a mournful sound and slammed and locked the door. The girl screamed in terror, but the boy kept her locked in. All at once the scream ceased, and when the door was opened the girl was dead. A physician who was summoned said her death was due to the shock produced by her fright. The brother, who is thus apparently responsible for her death, is ill from remorse.

Killed With a Marble.
TRENTON, N. J., Nov. 24.—Arthur Turner, aged 10 years, was shot and almost instantly killed yesterday afternoon by John Vetta. The latter had a gun loaded with powder, into which he put a marble. Turner stood behind a tree and dared his companion to shoot. Vetta pointed the gun and fired, the marble striking Turner in the middle of the forehead. He walked about 50 feet and fell dead. The ball fractured his skull. Vetta was arrested, but Coroner J. D. Bower released him, believing that the shooting was accidental.

Blames Cleveland for the Hawaiian Mess.
CHICAGO, Nov. 24.—The Dalles News' Washington special says: "Gresham has attempted to absolve himself from all responsibility of the administration's Hawaiian policy. In conversation with a personal friend he stated he had nothing to do with framing the policy which was inaugurated by 'parson' Blount, and which is sought to be enforced by Minister Willis. The secretary stated that before he was invited to his seat in the cabinet Cleveland had formulated his Hawaiian policy; that he had declared the dethronement of the queen unjust and his determination to re-throne her; that the president, without consulting the secretary of state, determined upon the appointment of a special commissioner, and selected Blount without the knowledge of the secretary of state, and, in fact, the latter officer scarcely knew Blount at sight at that time. The secretary of state said further the instructions were, for they were not only prepared at the white house, but delivered by the hand of President Cleveland."

NEWS NOTES.
Thermometers in Minnesota, North Dakota and Manitoba registered 6 to 15 degrees below zero yesterday. Sank Rapids, Minn., reports 24 below; Fargo, N. D., 25 below.
It is reported that articles of impeachment against Mayor Eustis will be preferred at the Minneapolis council meeting for permitting saloons to keep their back doors open Sundays, contrary to law.
Reports are coming in from Western Kansas which tell of great suffering among many people there who are destitute of provisions and without money to buy fuel. For 24 hours a severe blizzard has been raging. Appeals are coming to the governor for coal, but he is powerless to aid unless coal could be shipped there from the state mine at Leavenworth.

NEWS OF THE STATE.
A 25-pound turnip was presented to the Oregon City Enterprise by a farmer living four miles south of the city.
A colony of Scandinavians under the leadership of Jens Johnson of Minneapolis have arrived and will locate in Silverton and vicinity.
The plans of W. C. Knighton, of Salem, for building the Soldiers' Home, were accepted. Advertising for bids will be done at once. The work of clearing the land will commence immediately.
Mr. Kertson, who has been employed by the West Side (Independence) for nearly a year, proposes to start an opposition job office and perhaps a newspaper. This means starvation for both, and about the first thing they will go to slashing rates to a trifle above cost of the paper. Kertson had better have continued drawing his salary.
Corvallis offers to the fashionable world a new form of entertainment, the onion sociable. Six young ladies stand in a row, and one bites a chunk out of an onion; then the onion is turned over to the young men for inspection. The one who guesses who bit the onion kisses the other five ladies. If he fails to guess, he is only allowed to kiss the girl who bit the onion. Thus again is the hope of reward overshadowed by the fear of punishment.

Deserving Praise
We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, as we stand ready to refund the purchase price, if satisfactory results do not follow their use. There remedies have won their great popularity purely on their merits. Snipes & Kinersly's druggists.

Good Job Printing.
If you have your job printing done at THE CHRONICLE you will have the advantage of having it done with the most modern and approved type, with which we keep continually supplied. All jobs under the direct supervision of one of the most successful and artistic printers in the Northwest.
THE BEST PLASTER.—Dampen a piece of flannel with Chamberlain's Pain Balm and bind it on over the seat of pain. It is better than any plaster. When the lungs are sore such an application on the chest and another on the back, between the shoulder blades, will often prevent pneumonia. There is nothing so good for a lame back or a pain in the side. A sore throat can nearly always be cured in one night by applying a flannel bandage dampened with Pain Balm. 50 cent bottles for sale by Blakeley & Houghton, druggists.

Pasturage.
Moore's ranch, about three miles south of The Dalles, has unexcelled pasturage and any one who desires to avail themselves of the fact can secure reasonable terms upon application.
All delinquent taxpayers that don't want their names advertised had better come forward, as the roll will be published on the 21st of this month.

Notice.
To All Whom It May Concern:
By order of the common council of Dalles City, made and entered on the 3d day of November, 1893, notice is hereby given that said city council is about to proceed to order and make the improvement of Second street in said city as hereinafter stated, and the cost of such improvement will be levied upon the property adjacent thereto, and said improvement will be made unless within fourteen days from the final publication of this notice, the owners of two-thirds of the property adjacent to said street about to be improved shall file their remonstrance against said improvement as by charter provided.
The improvement contemplated and about to be made is as follows, to-wit:
To improve Second street in said city, from Union street to the foot of the brewery grade by filling the same the entire length thereof between said points with crushed rock, so as to bring said street up to the established grade thereof, as heretofore established by ordinance No. 247. Said improvement shall be made with rock of such size as shall be furnished to the property owners by the authorities of Dalles city, and shall be hauled and placed on said street at the expense of the respective property owners abutting upon said street, and spread on said street so as to be of even surface and as directed and under the supervision of the committee on streets and public property.
