**GOOD NEWS AT LAST**  
The Carlin Party Found. Which Have Been Out Since Sept. 20.  
IT WAS NEARLY TOO LATE  
The Cook Missing, Having Been Left Behind, and It Is Feared He Is Dead.

SPokane, Wash., Nov. 25.—A courier arrived at Kendrick, Idaho, at 5 o'clock this morning after an all-night ride from Weippe with news that Lieutenant Elliott had found the Carlin party on the middle fork of the Clearwater, 130 miles from any settlement, last Wednesday. The lost party were in bad shape when found, being out of provisions, barefoot and with little clothing. They were slowly making their way down the river when found. George Colgate, the cook of the party, gave out a few days before the rescue and had to be left and it is feared he may have died. All that is possible will be done to find him, dead or alive. The rescued and rescuers are expected here Tuesday and General Carlin will be here to meet his son. The story of suffering, desperation and hardship told by the lost hunters was heart-rending. They managed to cross the Clearwater in several places at great risk to their lives, being compelled to wade the icy current up to their necks or swim amid floating blocks of ice and snow. Nearly all their horses died of cold and starvation. The men tramped for miles through the deep snow in blinding storms, with scarcely any food or clothing, being put on half rations of bacon and bread. At last the struggle became too much for George Colgate, the cook of the party. Colgate realized the situation fully and advised his companions to attempt to save themselves. Strong men shed tears when one of the party was left behind to meet his fate alone. It began to appear as if all would be lost, and at most the only hope held out to them was the chance of being found by a relief party, which Carlin said he felt sure would be sent out for them. The rescuers and rescued are expected in Kendrick Monday. Lieutenant Elliott went as far as he could with horses, borrowed a saw at a rancher's cabin, made a skiff, and had gone up the river in it 13 miles when he met the party.

The courier gives the following account of the egress of the party from the mountains during and from the time that they discovered they were irretrievably lost unless heroic methods were at once adopted to make their way out of the wilderness:

"October 5th, the day upon which they were preparing to leave the Clearwater, a heavy storm came on, which completely obliterated all the roads and trails. To add to their distress their animals stampeded, and when night overtook them they were powerless to proceed. Being without snowshoes or other appliances for winter traveling, their perilous situation was soon realized, and it at once became apparent that the party was in for it. That night they fell more than five feet of snow, and the following morning consultations were held, but no definite plan of action was decided upon until the following evening, when Guide Spencer decided upon braving the storm alone, promising to go to a certain point he had in view, which, if he could reach in safety, all would be well. This, however, he failed to do, the remainder of the party not consenting, preferring that all should live or die together. And so the little band remained, trusting to fate and awaiting succor, which arrived almost too late."

From Head to Foot  
You feel the good that's done by Dr. Pierce's Golden Medical Discovery. It purifies the blood. And through the blood, it cleanses, repairs, and invigorates the whole system.

In recovering from pneumonia, fevers, or other wasting diseases, nothing can equal it as an appetizing, restorative tonic to build up needed flesh and strength. It rouses every organ into natural action, promotes all the bodily functions, and restores health and vigor.

For every disease that comes from a torpid liver or impure blood, Dyspepsia, Indigestion, Biliousness and the most stubborn Skin, Scalp, or Scrofulous affections, the "Discovery" is the only remedy so certain that it can be guaranteed. If it doesn't benefit or cure, in every case, you have your money back.

For a perfect and permanent cure for Catarrh, take Dr. Sage's Catarrh Remedy. Its proprietors offer \$500 reward for an incurable case of Catarrh.

Pasturage.  
Moore's ranch, about three miles south of The Dalles, has unexcelled pasturage and any one who desires to avail themselves of the fact can secure reasonable terms upon application. 17tf

**NEWS OF THE STATE.**  
Max Pracht of Ashland received the award at the world's fair for the finest peaches.  
It is reported that J. G. and I. N. Day are putting in a fine stock of general merchandise at the Locks.  
Three more indictments for smuggling have been made against W. Dunbar, C. J. Mulkey and L. C. Sweeney of Portland.

Will Plumb, a La Grande school boy, accidentally shot and killed Sherman Kent, a companion, aged 12. Kent's mother is prostrated.

It takes a gambler to beat a gambler. A stranger in Portland the other evening on a \$50 limit game dexterously changed \$5 to \$100 much to the surprise of the dealer and as the former won, the call had to be paid. But the stranger was not allowed to continue the game.

As an illustration of what can be done in raising apples, we call attention to the orchard of John Sweeney, one mile from town. He has 250 apple trees six years old, from which he took this year 530 boxes of first-class fruit, which brought him 70 cents a box on the tree, or \$370.—Glacier.

E. Brighton, under sentence of six months in the penitentiary for smuggling opium, committed suicide in his cell in the county jail at 7:20 o'clock Saturday morning by severing his jugular vein with a razor and bleeding to death. The jury returned a verdict of deliberate suicide, due to despondency.

Fred Kemp lost his life a week ago by being thrown from a wagon loaded with wood, being killed by the falling wood. He lingered a few days at the residence of his parents at Hood River, but died Tuesday, and was buried the following day. Mr. Troy Shelley of The Dalles officiated at the funeral services.

It is stated, as a result of the most careful experiment, that the cost of producing hops in New York state is 13 to 14 cents a pound, while in the Pacific states they can be raised at 9 cents. With the freight less than 2 cents to New York, shipments from Oregon to England of hops, competing with the German growers, has already begun.

Mrs. Elizabeth Hess has begun a suit against Theodore Liebe, president of the Oregon German Baking Company, for \$25,000 for malicious prosecution. Mrs. Hess is the widow of Christian Hess, who attempted to kill Mr. Liebe and then committed suicide. In her complaint Mrs. Hess alleges that Liebe caused her arrest last August on a charge of larceny of \$500 from the company's store. She was placed in jail and detained 18 hours before her husband and child were notified.

A. A. Rosenthal was appointed receiver of the Sunday Mercury Publishing Company by Judge Stearns Saturday. The Mercury appeared on time again but there was a great difference between it and the Mercury of old. The size of the paper has been reduced one-half and the sensational features abolished. The famous column, "Over the Teacups," has disappeared, and the usual resume of scandalous happenings has given away to other items, some original and some taken from local papers. Receiver Rosenthal briefly announced his appointment and his intention to make a readable paper out of the Mercury.

**Deserving Praise**  
We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, as we stand ready to refund the purchase price, if satisfactory results do not follow their use. There remedies have won their great popularity purely on their merits. Snipes & Kinnersly's druggists.

To All Whom It May Concern:  
By order of the common council of Dalles City, made and entered on the 3d day of November, 1893, notice is hereby given that said city council is about to proceed to order and make the improvement of Second street in said city as hereinafter stated, and the cost of such improvement will be levied upon the property adjacent thereto, and said improvement will be made unless within fourteen days from the final publication of this notice, the owners of two-thirds of the property adjacent to said street about to be improved shall file their remonstrance against said improvement as by charter provided.

The improvement contemplated and about to be made is as follows, to-wit:

Which grade in the middle of the street is supposed to be of the same elevation as the side walks along said street, except where said side walks are not on a uniform grade from square to square, and said street shall be filled in such a manner that when said improvement is completed the center thereof shall be on the established grade and shall slant to each side to an elevation of 8 inches below said established grade.

Said improvement shall be made with rock of such size as shall be furnished to the property owners by the authorities of Dalles city, and shall be hauled and placed on said street at the expense of the respective property owners abutting upon said street, and spread on said street so as to be of even surface and as directed and under the supervision of the committee on streets and public property.

DOUGLAS S. DUFFY,  
Recorder of Dalles City.

**You Who Lead Sedentary Lives**  
Will find great relief from the constipation by taking Simmons' Liver Regulator. It is a simple, harmless, vegetable compound, sure to relieve you, and can do no injury.

Are your children subject to croup? If so, you should never be without a bottle of Chamberlain's Cough Remedy. It is a certain cure for croup, and has never been known to fail. If given freely as soon as the croupy cough appears it will prevent the attack. It is the sole reliance with thousands of mothers who have croupy children, and never disappoints them. There is no danger in giving this Remedy in large and frequent doses, as it contains nothing injurious. 50 cent bottles for sale by Blakeley & Houghton, druggists.

**THE BEST PLASTER.**—Dampen a piece of flannel with Chamberlain's Pain Balm and bind it on over the seat of pain. It is better than any plaster. When the lungs are sore such an application on the chest and another on the back, between the shoulder blades, will often prevent pneumonia. There is nothing so good for a lame back or a pain in the side. A sore throat can nearly always be cured in one night by applying a flannel bandage dampened with Pain Balm. 50 cent bottles for sale by Blakeley & Houghton, druggists.
