**From the Governor of South Dakota.**  
GENTLEMEN—Enclosed please find revival note for \$1.00 for Krane's Headache Cures. Allow me to say that they are splendid; never failed to cure my headaches and save me a world of suffering. I am recommending them everywhere. The druggists of Aberdeen, Rock and British Marshall county, all promised me to get them and keep them in stock. I am going to Colorado in June, and I shall do you good there among the miners, nearly all of whom suffer from headaches in that high altitude. Yours, etc., J. B. FLETCHER, Lieut. Gov. South Dakota, S. Dak. City.

Are your children subject to croup? If so, you should never be without a bottle of Chamberlain's Cough Remedy. It is a certain cure for croup, and has never been known to fail. If given freely as soon as the croupy cough appears it will prevent the attack. It is the sole reliance with thousands of mothers who have croupy children, and never disappoints them. There is no danger in giving this Remedy in large and frequent doses, as it contains nothing injurious. 50 cent bottles for sale by Drakeley & Houghton, druggists.

To All Whom it May Concern:

By order of the common council of Dalles City, made and entered on the 24 day of November, 1893, notice is hereby given that said city council is about to proceed to order and make the improvement of second street in said city as hereinafter stated, and the cost of such improvement will be levied upon the property adjacent thereto, and said improvement will be made unless within fourteen days from the final publication of this notice, the owners of two-thirds of the property adjacent to said street about to be improved shall file their remonstrance against said improvement as by charter provided.

The improvement contemplated and about to be made is as follows, to-wit:

To improve second street in said city, from Union street to the foot of the brewery grade by filling the same the entire length thereof between said points with crushed rock, so as to bring said street up to the established grade thereof, as heretofore established by ordinance No. 247. Which grade in the middle of the street is supposed to be of the same elevation as the side walks along said street, except where said side walks are not on a uniform grade from square to square, and said street shall be filled in such a manner that when said improvement is completed the center thereof shall be on the established grade and shall slant to each side to an elevation of 8 inches below said established grades.

Said improvement shall be made with rock of such size as shall be furnished to the property owners by the authorities of Dalles city, and shall be hauled and placed on said street at the expense of the respective property owners abutting upon said street, and spread on said street so as to be of even surface and as directed and under the supervision of the committee on streets and public property.

**WINANS**

THE NEW TOWN has been platted on the old camp ground, at the Forks and Falls of Hood river, with large, slightly lots, broad streets and alleys, good soil and pure water, with shade in profusion, perfect drainage, delightful mountain climate, the central attraction as a mountain summer resort for all Oregon, being the nearest town to Mt. Hood. It is unsurpassed as a manufacturing center, being the natural center for 150 square miles of the best cedar and fir timber, possessing millions of horse-power in its dashing streams and waterfalls, easily harnessed. Where cheap motive power exists, there the many factories will center, surrounded by soil and climate that cannot be excelled anywhere for fruit and agriculture, and with transportation already assured you will find this the place to make a perfect home or a paying investment.
