WEDNESDAY, - - - DEC. 6, 1893

Senator Dolph went after the Cleveland Hawaiian nonsense vigorously yesterday. Mr. Dolph sizes up "Paramount" Blount and in doing so voices the sentiments of the American people.

Oregon, having swept the field in awards for the best timber in the world, the best and biggest fish that swim, the richest of nickel and other mines, the greatest wheat and oats that grow in the world, the most wonderful plums, prunes, peaches, and pears, and the best flavored big red apples on earth—now comes to the front in her usual get-away-with-everything-in-sight style and captures four premiums in the state school exhibit.

The new tariff bill places a higher protection on one of the most universally used articles than McKinley ever dreamed of. Our readers will remember the fearful hubbub raised over pearl buttons by the democrats, but they have put upon the thread, to sew them on with, a tariff of 18 cents per dozen spools.

Criticism has been laid upon the Carlin party for abandoning the cook Colgate to a lonely death among the solitudes of the Bitter Root range, says the Spokane Review. Unquestionably the act was not heroic. It was selfish in a measure; but most men, placed under similar circumstances, would have acted just as the members of the Carlin party acted, and some men would not have made so great a struggle to save the exhausted man.

One point, however, in this connection, calls for further explanation. When Lieutenant Elliott met the wanderer, why did he fail to dispatch a detail of his party in search of the abandoned man? Here was a case where nothing should have been left to doubt.

GENTLEMEN:—Having suffered a great deal from headache for years and being unable to get relief until it would wear away of itself, I saw Krass's Headache Capsules advertised. I tried them, and now am never without them, finding it the only remedy that will give relief.

TOO PRUDENT.

A Philosopher Who Thought It Best to Disappoint His Wife.

Robert Grant, in "The Opinions of a Philosopher," gives a telling instance of the manner in which a prudent man may disappoint his wife. The philosopher in question fancied he heard a burglar and hastened to the bolted chamber door to listen and confirm his convictions. His wife was aroused and asked hoarsely what was the matter.

HOW DO YOU DO

when you buy shoes or clothing? Don't you go to the place (if you can find it) where they tell you that you may wear the articles out, and then, if you're not satisfied, they'll refund the money? Why not do the same when you buy medicine?

Dr. Pierce's Golden Medical Discovery is sold on that plan. It's the only blood-purifier so certain and effective that it can be guaranteed to benefit or cure, in every case, or you have your money back. It's not like the ordinary spring medicines or sarsaparillas. All the year round, it cleanses, builds up, and invigorates the system.

The worst cases of Chronic Catarrh in the Head, yield to Dr. Sage's Catarrh Remedy. So certain is it that its makers offer \$500 reward for an incurable case.

AGENTS make \$5.00 a day. Greatest kitchen utensil ever invented. Retail 30 cts. 2 to 6 sold in every house. Sample, postage paid, five cents. McManis and Co., Cincinnati, Ohio.

WE WANT YOU TO WORK FOR US, thus making \$12.00 to \$35.00 PER WEEK. Parties preferred who can furnish a horse and travel through the country, a team, though is not necessary. A few vacancies in towns and cities. Spare hours may be used to good advantage. E. F. JOHNSON & Co., 11th and Main Sts., Richmond, Va.

THE DALLES

Wasco County, Oregon. The Gate City of the Inland Empire is situated at the head of navigation on the Middle Columbia, and is a thriving, prosperous city. ITS TERRITORY. It is the supply city for an extensive and rich agricultural and grazing country, its trade reaching as far south as Sumner Lake, a distance of over two hundred miles. The Largest Wool Market. The rich grazing country along the eastern slope of the Cascades furnishes pasture for thousands of sheep, the wool from which finds market here. The Dalles is the largest original wool shipping point in America, about 5,000,000 pounds being shipped last year. ITS PRODUCTS. The salmon fisheries are the finest on the Columbia, yielding this year a revenue of thousands of dollars, which will be more than doubled in the near future. The products of the beautiful Wickett valley find market here, and the country south and east has this year filled the warehouses, and all available storage places to overflowing with their products. ITS WEALTH. It is the richest city of its size on the coast and its money is scattered over and is being used to develop more farming country than is tributary to any other city in Eastern Oregon. Its situation is unsurpassed. Its climate delightful. Its possibilities incalculable. Its resources unlimited. And on these corner stones she stands.
