## GROVER BACKS DOWN

### Thinks He Will Give Up the Restoration Act.

### NEW INSTRUCTION SENT WILLIS

President Will Lay the Entire Matter Before Congress with Full Information.

SAN FRANCISCO, Dec. 6.—The Examiner's Washington correspondent telegraphs that he has succeeded in securing some inside information in reference to the administration's plans in dealing with the Hawaiian question. The purpose of President Cleveland and Secretary Gresham now is not to attempt to restore Queen Liliuokalani by force, but to lay the entire question before congress and secure the sanction of the legislative branch to any new move on the islands. Definite instructions have been sent to Minister Willis not to take any decided action until further instructions are sent him. It seems certain that new instructions have been sent him to this effect by the Corwin. (It is believed now that the president and secretary of state, from information received from Willis, have decided that the queen cannot be restored without force and that this course cannot be followed without the sanction of congress.)

### Grover and His Instructions.

SAN FRANCISCO, Dec. 6.—In its editorial comment on the Hawaiian situation this morning, the Chronicle says: "All that we can see and judge is that Mr. Willis has found that he cannot carry out his orders, and that he is awaiting further instructions. But it was Mr. Cleveland's duty, to have told congress as much; to have communicated the nature of the text of his instructions, and for his neglect in this regard he should be called to account."

The Call has this to say: "Suggestion was made some days ago that Minister Willis needs reefing. He spreads over too much space. When he assumes that Grover Cleveland holds the fate of the islands in his hands, he forgets that Grover Cleveland voluntarily relinquished the right of control over the islands which was offered the government of the United States. Undoubtedly the minister may order the marines to be landed to protect the lives and property of American residents, but if this force is so directed as to pull down one government and set up another, somebody will have to answer."

### Hot in Peru

NEW YORK, Dec. 6.—A cable from Lima says: "The legation of Ecuador, as well as the consulates of that republic here and at Callao, have been closed, and the minister of Ecuador and the consul at Lima have taken refuge on board the British ship Hyacinth. Citizens of Ecuador now in Peru have been placed under German protection. The delimitation of the frontier of Ecuador and Peru will be submitted to arbitration."

### He Saw the Sea Serpent.

NEW YORK, Dec. 6.—The steamer American, Captain Vogt, arrived this morning from Rotterdam. The first officer reports sighting a sea serpent December 2. The serpent was apparently fully 100 feet long and thrashed the water with its tail like the propeller of an ocean steamer. It is colored a darkish brown. It was only in view a few minutes.

### Admiral Mello Heard From.

WASHINGTON, Dec. 6.—A dispatch from Minister Thurston says Admiral Mello arrived at the Isla Grande, on the south coast of Rio Janeiro. The dispatch further says Mello pilaged the town of Hila Grande and then sailed away toward the south.

## NEWS NOTES.

### Hitt's Hawaiian Resolutions.

WASHINGTON, Dec. 6.—Hitt, ex-chairman of the house committee on foreign affairs, today introduced two resolutions bearing on the Hawaiian policy of the government, the first calling for the papers in the case and the second as follows:

"It is the sense of the house that intervention by the government of the United States, its representatives or armed forces in the affairs of a friendly and recognized government, to disturb or overthrow it and to substitute a monarchy therefor, is contrary to the policy and traditions of the republic and the spirit of the constitution."

### Too Much Salary.

Omaha, Neb., Dec. 6.—In the United States district court this morning Judge Dundy denied the application of the receivers of the Union Pacific to fix their salaries at \$18,000 each per annum.
