DOLE WAS PREPARED
The Plan of the Provisional Government.
THEIR MEN READY UNDER ARMS
Would Not Have Fired on the United States Marines—Would Resist the Royalists.

WASHINGTON, Dec. 8.—Minister Thurston, before leaving Honolulu, told some friends of the provisional government that a plan of action had been agreed upon by the government and would be carried out. The provisional government has 1,100 men under arms ready to respond at a signal of the bell. This force will not be permitted to fire on the United States marines if landed; neither will the provisional government lay down its arms and leave the government building upon the request of Minister Willis even after the marines have landed. The provisional government will remain until its members are arrested and taken out. It will resist any interference by any other than an armed force of the United States with its military force at command. It will not allow the supporters of the queen to enter the palace or disturb the peace. This is the programme as outlined by Thurston to his friends here before departing for Honolulu. It is also positively asserted that Thurston is going to Honolulu, whatever may have been said regarding his visit to Chicago and San Francisco to look after Hawaiian affairs in those cities.

Minister Thurston's Trip.
SAN FRANCISCO, Dec. 8.—No one seems to know the object of Minister Thurston's trip toward the coast from Washington. Charles T. Wilder, the Hawaiian consul here, said last night that he had not been apprised of Thurston's coming and did not know whether he was only coming to San Francisco or going on to Honolulu. The fact that Minister Thurston conferred with Secretary of State Gresham just before he left seemed to give the trip some significance. However, it is known that Minister Thurston is interested here, as he was at Chicago, in the Hawaiian cyclorama, which is to be exhibited at the midwinter fair, and it may be a mere business trip. He will be due here next Tuesday, and should be bound for the islands he will in all probability sail on the Alameda on Thursday. Some time ago the manager of a detective system throughout the country was in city and made some effort, ineffectually, with Consul Wilder to have him engage 1,000 or 2,000 men in aid of the Hawaiian government. "Somehow they have got an idea that we want men down here," said Consul Wilder, "but we have no use for any men. As it is, we have 20 men in favor of the present government where there is one against it."

The Arawa Not Yet Sighted.
VICTORIA, Dec. 8.—The report from Seattle that the Canadian-Australian steamer Arawa was lying off Victoria in a fog is unfounded. The Arawa has not entered the Straits of Juan de Fuca yet. The agents of the steamer here say they do not expect her before Monday, certainly not earlier than Sunday. Great interest centers in the arrival of the Arawa, as it is expected she will bring news of the restoration of Queen Lilioukalani to the Hawaiian throne.

Receiver for Ben E. Snipes.
ELLENBURG, Wash., Dec. 8.—Judge Graves this morning passed upon the application for a receiver for Ben E. Snipes' business here and at Roslyn. He held that the deed of trust given amounted to an assignment, and that it hindered a settlement favorable to creditors. He set it aside and granted the request for a receiver, and will make the appointment tomorrow. Snipes' attorney gave notice of appeal to the supreme court.

CANADA AND TARIFF.
Dominion Leaders Speak Against Reciprocity.
ANTIGONISH, N. S., Dec. 8.—Prime Minister Sir John Thompson and Minister of Marine and Fisheries Sir Charles Hibbert Tupper addressed a great political meeting here today. Referring to the negotiations between the Dominion delegates and Mr. Blaine and the declaration of the secretary of state that the principle of unrestricted reciprocity was the only one upon which the negotiations for a trade treaty could be conducted, Sir Charles Tupper declared that events had justified the action of the Canadians in withdrawing from further negotiations. When Mr. Blaine said, "You must take our terms of unrestricted reciprocity or nothing," the Canadians answered, "We'll take nothing, but the day is fast coming when you will find it advisable in your own interests." "That day has now come," said Sir Hibbert, "and under the Wilson bill the United States proposes placing many articles of Canadian products on the free list."

Shipping Gold to Europe.
NEW YORK, Dec. 8.—The announcement that \$500,000 in gold would be shipped to Germany on the steamship Trave tomorrow was not unexpected. As a matter of fact it was thought the amount would be \$1,000,000, and it is not improbable that during the day another \$500,000 may be engaged.
Sterling exchange is a shade higher, which lends color to the report that one of the banking houses with foreign connections is arranging to send \$1,000,000 of gold by Tuesday's steamer.
The high rate of money on the continent is one of the main inducements to ship gold, the rate in Berlin being 4 1/2%, while here money on call is in greater supply than the demand at 1 and 1 1/2%. The exportation of gold is looked upon in certain quarters as not an unfavorable factor of the financial situation here if it should not reach large proportions, and no fears are expressed that the drain will be in any way dangerous. A firm which ordered \$250,000 has canceled the order and will hold it for Tuesday's steamer.

Governor Lowell's Proposed Road.
TOPEKA, Dec. 7.—The Danish consul at Kansas City is here trying to interest millers in the Gulf transportation project. He says he has secured pledges of 40 millers in the state to ship their export flour by the new Gulf steamers to Copenhagen. He says there is nothing in the report that wheat cannot be shipped by the Gulf route, E. J. Close, late president of the North and South railroad convention, says he has a letter from a responsible railroad builder, offering to build a road from the British possessions to the Gulf and turn it over on a guaranteed interest of 4 per cent on the cost. The proposition will be considered at the next meeting of the provisional board of directors in January. Close believes the road will be commenced in six months and completed in two years, at a cost of about \$38,000,000.

Two Murders Hanged.
DANVILLE, Ill., Dec. 8.—Harvey Pate and Frank Stires were successfully executed here at 1 o'clock this afternoon. The crime for which they paid the penalty was committed August 25, last. They, with Elias McJunkin and Charles Smoot, all young men, ranging from 17 to 21 years of age, were readers of trashy literature, and Pate had passed two years among the cowboys of Texas. They waylaid Henry Houmick, a wealthy farmer, and wife on the country road. When ordered to stop, Houmick struck the horse with a whip and Pate shot him dead. Stires and Pate were sentenced to death, the others, being the youngest of the party, to imprisonment. They professed repentance and were baptized yesterday.

NEWS NOTES.
Voting for the bankruptcy bill resulted in, for the bill, rep. 18, dem. 115, pop. 9; against, rep. 64, dem. 47, pop. 1; or 142 to 111.
The Hawaiian Gazette of Nov. 24th said: "In the meantime the monarchy is not restored, and will not be unless by the armed forces of the United States, whose forces must then continue to support the ex-queen. There may be small differences in the ranks of the party of reform, but we are today more united and determined on the main issue than ever before. Let every reformer put aside all other and minor things, for as surely as there is an Eternal Justice overruling the affairs of men, so surely will the gross outrage proposed to be done to Hawaii fail of its purpose."

Markle, Sherman and Sheriff Kelly Indicted.
The sheriff of Multnomah county, Penumbra Kelly, George B. Markle, president of the Oregon National bank, and D. F. Sherman, the cashier, were arrested by a deputy sheriff at 1 o'clock this afternoon on an indictment returned against them by the county grand jury at 12:30 today, in which they are charged with the larceny of public money.
The indictment against the three men, which was returned at 1:30 o'clock, and consisted of their report today, is a model of brevity and clearness. It simply sets forth that Kelly, Markle and Sherman "feloniously and fraudulently did embezzle, loan and convert to their own use moneys belonging to Multnomah county."
President Markle, of the Oregon National bank, and Cashier D. F. Sherman were arrested in the bank at 1 o'clock by Deputy Sheriff Morgan and were taken immediately to the court house. Sheriff Kelly saved the trouble of a formal arrest by appearing there himself. Within a few minutes of their arrest Mr. Markle and Mr. Sherman had prepared the bonds, which were fixed in each case at \$20,000.—Telegram, Friday.
