The concussion experiments for rain-making were not wholly lost. Professor Hazen, of the weather bureau, who watched their effect, is convinced that they, in some instances, served to prolong the drouth.

It is a mistake to suppose that tramps do not keep posted on current events. Within twenty-four hours after the published report that Chicago will provide winter supplies for the unemployed, the dusty knights of the road commenced making tracks for this new asylum.

What has become of the fair Kaiulani all this time? Nothing has been heard of this school-girl daughter of the ex-queen since this Hawaii matter was first brought up. Naming Hindoo Babies. A Hindoo baby is named when it is twelve days old and usually by the mother. Sometimes the father wishes for another name than that selected by the mother.

When you have tried so-called remedies for dyspepsia, headache and biliousness, with no benefit, let your next trial be Simmons Liver Regulator. It has never failed in relieving and curing.
