STILL AFTER GROVER
Hoar Stirs Up the Hawaiian Question Again.
"WHO IS THE UNITED STATES?"
Cleveland Withholding His Actions From the People—Morgan Offers a Resolution.

WASHINGTON, Dec. 20.—In the senate, the report of the secretary was presented and referred. Hoar presented a petition signed by 17 governors of states and many state officials, indorsed by the legislature of Massachusetts and signed by 150,000 citizens of the United States, on the subject of good roads. It required the efforts of several employes of the senate to wheel the monster into the chamber. Referred to the committee on interstate commerce. Gallinger offered a resolution that, in view of the wide-spread industrial depression, it was not wise to attempt to change the tariff laws during the present session. Hoar addressed the senate upon the Hawaiian question. He said he would devote himself to the American question: "Who was the United States of America?" The president, in undertaking to decide the Hawaiian question and withhold from the people what he was doing until settled one way or the other, seemed to have supposed he was the United States of America, and that whatever that phrase meant it was but a synonym for him. The question now was whether the people of the United States lived under a constitution or a dictator.

At the conclusion of Hoar's remarks, Morgan, chairman of the committee on foreign relations, offered the following: "Resolved, That the committee on foreign relations shall inquire and report whether, and if so what, irregularities occurred in the diplomatic or other intercourse between the United States and Hawaii, and to this end said committee is authorized to send for persons and papers, and administer oaths to witnesses. Morgan explained the resolution and it was agreed to. Wayne MacVeagh has been confirmed as minister to Italy.

A MATTER OF MONEY.
Report of Secretary of the Treasury Carlisle.
WASHINGTON, Dec. 20.—The annual report of Secretary of the Treasury Carlisle was sent to congress today. It shows that during the first five months of the present fiscal year the expenditures of the government exceeded the receipts \$29,918,005. This was brought about by decreased receipts and increased expenditures. Compared with the corresponding months last year, the customs revenues fell off \$23,589,829; internal taxes, \$7,806,067. The expenditures in the war department in the execution of contracts made in the last fiscal year increased \$6,162,132; the navy, for the same reason, \$1,912,289, with other minor increases. There have been reductions in other branches of the public service of \$6,352,206. December 1, the net balance in the treasury was only \$11,038,448. Of the total amount held, \$12,347,517 was in subsidiary silver and minor coins.

The secretary assumes that the worst effect of the recent financial disturbance and business depression is past; that the remainder of the year will show better results, and he estimates the deficiency at the close of the year at \$28,000,000.
The Prendergast Trial.
CHICAGO, Dec. 20.—The defense in the Prendergast case will rely on the fact that the jury was allowed to separate to vote yesterday. It will give good ground for a new trial if the case goes against him. Further testimony was introduced today going to show that he is insane. Counsel for defense created a sensation by announcing that any verdict short of hanging would be accepted. The family are willing that the jury should return a verdict of imprisonment for life or confinement in a madhouse, but would appeal a death verdict.

Three Women Brutally Whipped.
BIRMINGHAM, Ala., Dec. 20.—For several years past the people of the hamlet of Greenhill, Pike county, have looked with suspicion on three women who lived in a hut in their settlement. Where they came from nobody knows. The women called themselves Spec, Bess and Lizzie, and said they were sisters. A few days ago the older men of the town met and decided to rid the neighborhood of them on the fear that their presence was demoralizing. Accordingly the blackcap society was formed and went in a body to the house, dragged out the three women and flogged them unmercifully, after which the women were told to leave the country. It is reported that one was fatally injured.

Starved His Child.
WILKESBARRE, Pa., Dec. 20.—It was reported to the district attorney yesterday that a Black Hills miner had starved his 6-year-old daughter and buried her body in a culm pile. Dr. Evans, of Nanticoke, was called to the house by the girl's little brother. The girl was dying on the barn floor with nothing but a dirty blanket over her. The boy said she had eaten nothing for two weeks save a few crusts he had smuggled to her. The father came in and ordered the doctor out, saying that a female child was worthless, as it could do no work when grown. "Better die," he said.

She Was a Runaway Wife.
SAN FRANCISCO, Dec. 20.—Caroline Foster, the woman dying at the receiving hospital from a bullet fired by her discarded lover, John Rudinski, last Saturday, has finally been identified as a runaway from British Columbia, though all along she had refused to expose her antecedents. The woman is the wife of John Foster, a well-to-do rancher, who lives at Burgoyne Bay, a small settlement midway between Nanaimo and Victoria. She deserted her husband and child and ran away with a neighbor, who shook her off when her money was gone. Later on she took up with Rudinski.

To Brace Up
The system after "La Grippe," pneumonia, fevers, and other prostrating acute diseases; to build up needed flesh and strength, and to restore health and vigor when you feel "run-down" and used-up, the best thing in the world is Doctor Pierce's Golden Medical Discovery. It promotes all the bodily functions, rouses every organ into healthful action, purifies and enriches the blood, and through it cleanses, repairs, and invigorates the entire system.
For the most stubborn Scrofulous, Skin or Scalp Diseases, Dyspepsia, Biliousness and kindred ailments, the "Discovery" is the only remedy that's guaranteed. If it doesn't benefit or cure, you have your money back.

Can you think of anything more convincing than the promise that is made by the proprietors of Dr. Sage's Catarrh Remedy? It is this: "If we can't cure your Catarrh, we'll pay you \$500 in cash."
It Should Be in Every House
J. B. Wilson, 371 Clay St., Sharpshurg, Pa., says he will not be without Dr. King's New Discovery for consumption, coughs and colds, that it cured his wife who was threatened with pneumonia after an attack of "la grippe," when various other remedies and several physicians had done her no good. Robert Barber, of Cooksport, Pa., claims Dr. King's New Discovery has done him more good than anything he ever used for lung trouble. Nothing like it. Try it. Free trial bottles at Snipes & Kinnersly's. Large bottles, 50c. and \$1.00.

Mayor Mason of Portland received a letter from a representative of the destitute unemployed recently, which caused him to refer it to the taxpayers committee of one hundred. The letter was anonymous, but urgently calls for aid, hinting at force if something is not done for relief. Defining a Kiss.
Some time ago London Tid-Bits offered a two guinea prize for the best definition of a kiss. Seven thousand answers were received. The prize was awarded to Benjamin J. Greenwood, of Tulsa Hill, London, whose definition is herewith given: "An insipid and tasteless morsel which becomes delicious and delectable as it is flavored with love." The following is a selection of some of the best definitions submitted:
What the chimney sweeper imprinted on the rosy lips of the scullery maid when she told him she favored his suit.
The sweetest fruit on the tree of love—the oftener plucked the more abundant it grows.
A thing of use to no one, but much prized by two.
The baby's right, the lover's privilege, the parent's benison and the hypocrite's mask.
Nothing divided between two.
A rock on the sea of life on which the good ship Bachelor was wrecked.
The lover's privilege and the pug dog's right.
Contraction of the mouth due to enlargement of the heart.
