What is It?
A substitute for lard? Upsetting the customs, habits, and prejudices of centuries? Yes, all this and more. Cottolene is a new cooking product—it is better than lard or butter for cooking, so say such noted housekeepers as
Marion Harland, Catharine Owen, Christine Terhune Herrick, Emma P. Ewing, Mrs. S. T. Rorer, Mrs. F. A. Benson, Amy Barnes, Margaret Wister, and many others; it is healthier—so says every thoughtful physician; and it is cheaper as every housekeeper knows when she finds that one-half the quantity answers every purpose.
COTTOLENE is the purest clarified cottonseed oil mixed with pure beef fat. It is the best cooking material ever devised for frying anything and everything—easily digested and highly nutritious.
Beware of imitations. Ask your grocer for the genuine Cottolene.

STEAD'S BAD BREAK
The Women of Chicago and After Him
Red Hot.
INSULTED THEM AT A MEETING
Now They Want Him Driven From the City—He Slunk Off After a Paring Shot.

CHICAGO, Dec. 28.—Editor Stead today threw a bombshell into the Women's Club that is likely to blow him to pieces before the matter is over. All the women's clubs of Chicago united today at a meeting at Auditorium recital hall to consider plans for aiding women and children. The hall was crowded with many of the wealthiest and most prominent ladies in the city. Editor Stead was introduced, and in part here is what he said:
"Sitting side by side with those active workers are some of the most disreputable people in Chicago. Who are the most disreputable women in Chicago?" The women were staring at him in amazement by this time. "The most disreputable women in Chicago," he said, "are those who have been dowered by society and providence [with all the gifts and opportunities; who have wealth and who have leisure, and who have all the talents and who live self-indulgent lives. These women who have great opportunities only to neglect them, and who have great means only to squander them upon themselves are more disreputable in the eyes of God and man than the worst woman on Fourth avenue." The women were too astonished to speak at this onslaught. They sat, their faces crimson and indignation on every countenance, but Stead went on. "If those present should go down into the depths and come face to face with the actual facts of human life, they would find at this moment the economic difficulty that is staring them in the face at every turn. Only yesterday I met a poor girl who is willing and anxious to leave the life she is leading. Yet, when it is proposed to remove her there is at once the difficulty of a debt of \$60 which she owes. So it is all around the chapter. None are in such danger of losing their souls as those who are wrapt up in their own selfish comfort and forget the necessities of the brothers and sisters of the Lord."
After firing this parting shot Stead quietly stole from the meeting, leaving the ladies dazed and paralyzed for a few minutes. When they recovered their self-possession, they proceeded to rend Brother Stead limb from limb for his insulting audacity. Indignant addresses were made by Miss May Knout, Mrs. W. L. Chalmers, Mrs. John Wilkinson, Miss Ada Sweet, Miss Jane Adams, Mrs. F. W. Parker, Mrs. Wilmarth and others. Mrs. Chalmers struck the keynote. She said: "There was nothing to warrant his insulting talk. What induced him to speak as he did I cannot even guess, unless he wished to give a parting shaft to the women who have refused to socially recognize him. He had no sooner finished his offensive remarks than he slunk out of the hall like a miserable coward. I think the husband of every woman at the meeting today must feel that his wife has been directly insulted. The women's club at its next meeting should adopt resolutions expressive of the contempt in which they hold this man. He is unfit to appear before Chicago women, and the respectable people of the community should unite in securing his departure from the city."
In Glass.
That's the way Dr. Pierce's Pleasant Pellets come. And it's more important than you think. It keeps them always fresh and reliable, unlike the ordinary pills in cheap wooden, or paste-board boxes.
They're put up in a better way, and they act in a better way, than the huge, old-fashioned pills. No griping, no violence, no reaction afterward that sometimes leaves you worse than before. In that way, they cure permanently. Sick Headache, Bilious Headache, Constipation, Indigestion, Bilious Attacks, and all derangements of the liver, stomach and bowels, are prevented, relieved and cured.
They're tiny, sugar-coated granules, compound of refined and concentrated vegetable extracts—the smallest in size, the easiest to take, and the cheapest pill you can buy, for they're guaranteed to give satisfaction, or your money is returned. You pay only for the good you get.
There's nothing likely to be "just as good."
Captain Sweeney, U. S. A., San Diego, Cal., says: "Shiloh's Catarrh Remedy is the first medicine I have ever found that would do me any good." Price 50 cts. Sold by Snipes & Kinerly. Use Mexican Silver Stove Polish.

The Insurgents Whipped.
RIO JANEIRO, Dec. 28.—The Brazilian foreign minister, acting for President Peixoto, authorizes the following:
The insurgent cruiser Almirante Tamandare was worsted today in an engagement with the government forts at Nietheroy. A heavy fire was maintained by the combatants, which finally resulted in beating off the warship, which was seriously damaged. The marksmanship of the government runners showed considerable improvement, and comparatively few of their shots went wild.
The government has received advices confirming the report of the loss at Atajahy of the insurgent steamer Meteor in the recent fight with the government forces.
The insurgents besieging Bago in the state of Rio Grande do Sul assumed active operations against that place and suffered a severe repulse. Their loss in killed and wounded and prisoners was 600. They are under command of General Tavarre.

The Unemployed of London.
LONDON, Dec. 28.—A deputation of unemployed workmen waited upon Gladstone today and asked that the government provide work for the unemployed by building light railways in London. Gladstone said the government sympathized with the men in their distress, but the government could not go beyond its usual powers. To a certain extent he shared in the desire for government ownership of the railroads, but it was a question which could not be decided without mature consideration.

Yellow Fever in Rio.
BUENOS AYRES, Dec. 28.—News is received from Rio Janeiro that yellow fever has been added to the horrors of war, and that five deaths have already occurred. The authorities are taking every precaution to prevent a spread of the disease, but are greatly hampered by the condition of the city in consequence of war. It is of the most virulent form, accompanied by black vomit.

NEWS NOTES.
Mr. Hadley is continued as receiver of the Oregon Pacific.
Mrs. Lease has been removed as a member of the state board of charities.
Chris Evans, the notorious train robber, has escaped from jail at Fresno, Calif.
Count William Bismarck, a second son of Prince Bismarck, and governor of Hanover, has received a letter threatening to blow up his house. The place is guarded by detectives.
Mitchell has been arrested in Jacksonville, Fla., to prevent him from fighting. He was committed for trial. He at once applied for a writ of habeas corpus. Corbett is not yet arrested.
A letter from Geo. Colgate, the unfortunate cook of the Carlin party, has been found, under date of Nov. 27th, which said he is alive and well, that his feet are better, and to come and get him.
There seems little doubt of the correctness of the reports that the commands of Captains Wilson and Terrow went cut to pieces by the followers of King Lobengula, though no official news to that effect has yet been received.

Strength and Health.
If you are not feeling strong and healthy, try Electric Bitters. If "la grippe" has left you weak and weary, use Electric Bitters. This remedy acts directly on liver, stomach and kidneys, gently aiding those organs to perform their functions. If you are afflicted with sick headache, you will find speedy and permanent relief by taking Electric Bitters. One trial will convince you that this is the remedy you need. SHARPSBURG, Pa., Jan. 27, 1892.
DEAR SIR—I have used Krause's Headache Capsules for some time and want to testify to their value. I tried various well recommended medicines, but got no relief until I used these, and now would not be without them for ten times their cost.
Yours respectfully,
CHARLES T. SEDGWICK.

A CHARACTERISTIC LETTER.
Governor Waite, of Colorado, on the Question of Profanity.
DENVER, Dec. 28.—Governor Waite yesterday wrote a letter to Richard Collins, of this city, in reply to one suggesting that profanity did not well become his excellency's station. Mr. Collins had reference to the governor's recent statement before a business men's convention that he was in favor of keeping up the fight for free coinage of silver at a ratio of 16 to 1 "until hell freezes over." The governor's reply is as follows:
"Profanity is to be condemned, and doubtless is, as a rule, in bad taste, though there may be cases when it is excusable. The word 'hell' is not necessarily profane. It is not considered allowable in polite society and has been excluded, I am informed, from the modern version of the scriptures, but it hardly comes within the prohibition of the theologian. Christ himself was so outraged by the deeds of the usurers and extortioners of his day—who don't deserve to be mentioned, for iniquity and blasphemy of all that is holy was common with that class in those days—that even he, the most gentle and meek of all creation, was provoked to say to them, 'O ye generation of serpents, how can ye escape the damnation of hell?' It grieves me to learn that you are troubled on account of what you consider my profanity. Permit me to ask if your sleep is disturbed any on account of the servant girls and industrious poor who have lost their little all by depositing it in the savings bank of this city, or those who have been sold out of all they possess by chattel mortgage fiends, or the starving poor of Denver who almost daily seek refuge in suicide? Or are these matters of so little importance that they vex not your righteous soul?
"We read in the scriptures of those who are clean outwardly, like an arctic sepulchre, but within are full with all manner of rottenness and dead men's bones."

American Sailors Fired Upon.
NEW YORK, Dec. 28.—The steamship Clyde, from Turks Island, brings news of the firing on and serious wounding of two American seamen belonging to the American schooner Henry Crosby by the San Domingo soldiery, while the men were trying to effect a landing in a small boat at the Port of Old Azua on December 11. The boat was sent ashore by the schooner with a crew of five for the purpose of ascertaining their locality. The troops fired twice on the boat, and it returned to the schooner, which set sail for the port of Azua, where the facts were forwarded to the United States consul at San Domingo City. The details of the shooting have been forwarded to Washington. It is believed the American sailors were mistaken for a band of conspirators against the government.
