THE HOUSE DEADLOCK

Republicans Filibuster to Prevent a Quorum.

DEMOCRATS WAITING FOR TRAINS

Fight Against Confirmation--Oregon Senators Will Oppose Eastern Apointments as Indian Agents.

WASHINGTON, Jan. 5.—The house opened in an uproar, Catchings trying to report from the committee on rules, and Boutelle demanding a vote on his question of privilege on the Hawaiian matter. The house committee on rules has decided to report a rule for a final vote on the tariff bill January 25. On the vote to allow the committee on rules report, the democrats lacked eight of a quorum. At 1 P. M. the chances of securing a quorum to take up the tariff bill were so slim that the caucus committee agreed that unless a quorum developed at once an adjournment would be taken, and the caucus set for tonight should begin at once and continue till some plan of democratic action is reached.

Several absentees are expected on the afternoon trains, and it has been decided to continue the fight for an hour or two at least, instead of adjourning to go into caucus, in the hope of arrivals which will give a quorum.

The democrats still lacked 10 of a quorum at 3 P. M. Populists who refrained from voting say they do so because they want more time for debate. They insist on all of next week for general debate. They have informed the democrats they will furnish a quorum if their demands are granted.

At 3:50 P. M. Catchings moved that the house adjourn. The motion was agreed to amid the cheers of the republicans.

Will Make a Fight.

WASHINGTON, Jan. 5.—There will be another contest in the senate over the confirmation of Thomas, appointed from an eastern state as an Indian agent at Umatilla. During the special session of congress there was a protracted fight in the senate against the confirmation of this class of appointments, not because there was any objection to the men personally, but because the principle was opposed. The fight this time will open with the Oregon appointment, and both Dolph and Mitchell have said they intend to object to sending appointees from the east and south into their state. It is believed all the western men will support them. It is claimed by those who support the administration in the matter that Indian agents are not state appointments; that Indian agencies are purely under federal control, and that appointees can be sent from any section of the country to govern agencies.

Shot Himself Dead.

NEW YORK, Jan. 5.—George Walker, 34 years old, employed on the elevated railway, quarreled a month ago with the woman to whom he was married last winter, she having learned that he had another wife living in Washington. The pair separated and he disappeared. Yesterday, while under the influence of liquor, he returned to his second wife's home and threatened to kill her unless she promised to live with him again. She rejected his proposals. He then shot himself in the mouth, dying instantly.

A tired woman, just as much as a sick and ailing one, needs Dr. Pierce's Favorite Prescription. That builds up, strengthens, and invigorates the entire female system. It regulates and promotes all the proper functions of womanhood, improves digestion, enriches the blood, dispels aches and pains, melancholy and nervousness, brings refreshing sleep, and restores health and strength.

It's a powerful restorative tonic and soothing nerve, made especially for woman's needs, and the only guaranteed remedy for women's weaknesses and ailments. In all "female complaints" and irregularities, if it ever fails to benefit or cure, you have your money back.

A great many medicines "relieve" Catarrh in the Head. That means that it's driven from the head into the throat and lungs. But, by its mild, soothing, cleansing and healing properties, Dr. Sage's Catarrh Remedy perfectly and permanently cures.

SHARPSBURG, Pa., Jan. 27, 1892.

DEAR SIR—I have used Krause's Headache Capsules for some time and want to testify to their value. I tried various well recommended medicines, but got no relief until I used these, and now would not be without them for ten times their cost.

Yours respectfully

CHARLES T. SEDGWICK.

FREEZING TO DEATH.

Very Severe Cold Weather Throughout Europe.

LONDON, Jan. 5.—Severe cold continues throughout Great Britain. The temperature in many places is the lowest known. Though the thermometer registers 5 to 10 deg. above zero, the suffering is as great as 20 deg. below in the United States. The people are entirely unprepared for it, and the suffering among the poor is intense. Many have died from exposure. Outdoor work is entirely suspended. The gale in the channel has somewhat abated and mail-boats have resumed their trips. Tidal streams are frozen solid. A heavy snow storm prevails. Reports from Spain say the most intense cold prevails there. At Zorita the temperature was 10 deg. above, and the cold increasing. The same conditions prevail in Russia. At Moscow it is 26 deg. below zero; at Nijni-Novgorod 34 deg. below; at Khar-koff 23 deg. below.

Baxter Denies the Rumor.

Superintendent Baxter, of the Union Pacific, in response to an inquiry of a Portland reporter, said he did not anticipate a termination of the O. R. & N.'s lease to the Union Pacific. There was a rumor all along the line of the O. R. & N. this morning that it had already been terminated and special receivers appointed. This rumor was doubtless caused by the instructions sent out from Omaha yesterday afternoon by F. D. Brown, local treasurer of the Union Pacific receivers. The circular telegram embodying the instructions is dated January 4th and is addressed to all conductors and pursers of the Pacific division, and read as follows:

"On and after this date all remittances should be made to the First National Bank, Portland, Or., for credit receivers Oregon Railway & Navigation Company, F. D. Brown, local treasurer. Continue to use remittance sheets and envelopes now on hand, changing heading of remittance sheets and address on envelopes when necessary to conform with above instructions."

F. D. BROWN, Local Treasurer.

Superintendent Baxter when asked the meaning of these instructions said it had been decided to keep the accounts of the O. R. & N. separate from the rest of the Union Pacific system, to facilitate matters in making the monthly reports of the earnings and expenses of the line, which the receivers are required to file in pursuance of Judge Bellinger's recent order. The receivers for the Union Pacific are also receivers for all the branch and leased lines. The business of the O. R. & N. will be done through the Omaha office as heretofore, but in the name of the O. R. & N. receivers instead of the Union Pacific receivers as heretofore.

The persistent cough which usually follows an attack of the grip can be permanently cured by taking Chamberlain's Cough Remedy. Mr. W. A. McGuire, of McKay, Ohio, says: "La Grippe left me with a severe cough. After using several different medicines without relief, I tried Chamberlain's Cough Remedy, which effected a permanent cure. I have also found it to be without an equal for children when troubled with colds or croup. Fifty-cent bottles for sale by Blakely & Houghton, druggists."

About a year ago I took a violent attack of la grippe. I coughed day and night for about six weeks; my wife then suggested that I try Chamberlain's Cough Remedy. At first I could see no difference, but still kept trying it, and soon found that it was what I needed. If I got no relief from one dose I took another, and it was only a few days until I was free from the cough. I think people in general ought to know the value of this remedy, and I take pleasure in acknowledging the benefit I have received from it. MADISON MUSTARD, Otway, Ohio. Fifty-cent bottles for sale by Blakely & Houghton, druggists.

Settlement Requested.

During my absence, who have unsettled accounts with L. undersigned are expected to call and set with Mr. Geo. Krauss, who has my books and accounts. An early settlement will greatly oblige. Yours truly,

LESLIE BUTLER.

NEWS NOTES.

Yellow fever has set in at Rio.

Cold waves are reported all over the country. The Northwest is covered with snow.

South McAllister, I. T., has bid for the Corbett-Mitchell fight. There is no law in Indian Territory against fighting.

Mitchell is very angry over the fact that several Southern newspapers have accused him of showing the "white feather" in not signing the amended articles when first presented to him. The pugilist asserts he is wildly anxious to meet Corbett, but as he has a family he does not propose to violate the laws of the state and get himself in trouble.

Deserving Praise.

We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, as we stand ready to refund the purchase price, if satisfactory results do not follow their use. There remedies have won their great popularity purely on their merits. Snipes & Kithers' druggists.
