HIGHBINDER'S REVOLT

They Will Fight Registration Under the Exclusion Act.

LITTLE NEWS FROM THE CORWIN

A Sailor's Lack of Caution the Ground for Belief That There Has Been Trouble.

SAN FRANCISCO, Jan. 6.—The highbinders and keepers of disreputable resorts in Chinatown are up in arms against the law calling for the registration of Chinese residing in the United States. Assisting these are the Chinese convicted of felony, who cannot register and are subjected to deportation. Last night a general raid was made on all circulars of information posted in Chinatown and they were torn down. A proclamation was issued by the highbinders warning all Chinese not to register. This proclamation has served to carry fear into the ranks of the more reputable Chinese, who are willing to register under the new law. Nothing was known of the work of the highbinders, brothel-keepers and felons until this morning, when the revenue officials visited Chinatown and found that every circular posted had been torn down. The failure of the Chinese consul, who has been on a visit to Washington, to put in an appearance has, no doubt, given to the highbinders and other disreputable characters renewed courage to carry on the work they have set out to do. Monday, however, the consul is expected, and it is given out from reliable sources that a proclamation will be issued directing all Chinese to register. This announcement will no doubt tend to increase the hatred of all Chinese vagrants, and it is then that war is expected to break out between the two classes. All reputable Chinese will obey the word of the consul and they will have ample protection, but there is no certainty that the desperate characters will even then desist in their efforts to prevent registration. The circulars will be put up again, and there will be twice as many of them. To prevent their being torn down, guards will be placed in Chinatown to watch them.

No News From Corwin.

SAN FRANCISCO, Jan. 6.—The only information yet obtained from the Corwin is the one sentence shouted yesterday from the deck of the revenue cutter by an incautious sailor. That sentence was, "There is serious trouble in Honolulu." Before the sailor had a chance to say any more he was gruffly ordered away from the rail by the officers. It has been learned from an authoritative naval source that the Mohican will not sail for Honolulu for ten days at least. Even if a war vessel should sail tomorrow, she could not reach the islands more than 24 hours in advance of the steamship Mariposa, which is scheduled to leave here next Thursday. Today ten sailors of the Mohican were given shore liberty, ranging in time from five to ten days. Naval officers say there is nothing unusual in the fact that the Mohican has steam up.

Compelled to Admit It.

New York, Jan. 7.—The Sun's Washington correspondent telegraphed yesterday: President Cleveland and Secretary Greeham, although they would not publicly admit it, were compelled to say to the members of the foreign affairs committee of the two houses, who called upon them, that Minister Willis had actually called upon the provisional government in the name of the United States to resign and make way for the restoration of Queen Liliuokalani, who had, upon reflection, consented to be restored to the throne. This information came to the state department yesterday morning in a long cipher dispatch from Honolulu, brought by the Corwin.

The Report Denied.

WASHINGTON, Jan. 6.—The report from San Francisco that the Mohican is preparing for an immediate trip to Honolulu, is denied at the navy department. The Mohican and Ranger were ordered ready for sea about the same time. The Ranger was dispatched to Central America several weeks ago. The Mohican has been ready to put to sea on short notice, but it is said she will not, at present, go to Honolulu.

Settlement Requested.

During my absence, a. who have unsettled accounts with the undersigned are expected to call and settle with Mr. Geo. Krauss, who has my books and accounts. An early settlement will greatly oblige. Yours truly,

LESLIE BUTLER.

NEWS NOTES.

The Colorado legislature will convene Wednesday.

The trial of Vaillant, the anarchist, was begun today in Paris.

France will begin this year with the construction of 32 warships of all classes.

Mrs. Robinson Locke, wife of the publisher of the Toledo Blade, died Saturday from the effects of a gripe.

There is a deadlock in the house, the republicans and a small number of democrats refusing to answer to roll call. Warrants of arrest have been prepared for absent members.

Peter Hart, a wealthy colored farmer, died near Moberly, Mo., last Thursday night. Records showed that he was 104 years of age and the father of 76 children. When a slave he had thirteen masters.

By reason of heavy snows in the Sierra Madres, the tribe of Temochie Indians has succumbed to great privations. The tribe has been decreased by a constant warfare against the rule of the Mexican government, and in its weakened state and the scarcity of provisions has been unable to cope with the severe cold. There have been a number of deaths already, and more will come, practically exterminating them.

England proposes to build four first-class warships, similar to the Majestic and the Magnificent, each costing about £1,000,000 roughly, with 15,000 tons coal capacity. These warships will be arranged to enable them to keep the sea longer than any warship now afloat. It is estimated that they will be completed in three years. In addition to the 20 torpedo destroyers already projected, 12 others of the same type, with a guaranteed speed of 25 knots and an average cost of £32,000 have been arranged for.

Tyndall, the Hypnotist.

New York, Jan. 6.—Professor Alex. J. McVoy Tyndall, who claims that he can discover the guilt or innocence of alleged criminals by hypnotism, yesterday announced he would sail for England today for the purpose of persuading the English authorities to allow him to hypnotize Mrs. Maybrick who is serving a life sentence in England for the murder of her husband, and while in that condition forcing her to recall all she knows about her husband's death, so that her guilt or innocence may be demonstrated. Professor Tyndall is the man who claims that he can hypnotize himself, remain apparently dead for days and then come back to life. He offered to allow himself to be buried for 30 days in Chicago during the world's fair, but the Chicago authorities told him there was no vacancy for him in the potter's field.

The persistent cough which usually follows an attack of the grip can be permanently cured by taking Chamberlain's Cough Remedy.

Mr. W. A. McGuire, of McKay, Ohio, says: "La Grippe left me with a severe cough. After using several different medicines without relief, I tried Chamberlain's Cough Remedy, which effected a permanent cure. I have also found it to be without an equal for children when troubled with colds or croup. Fifty-cent bottles for sale by Blakely & Houghton, druggists."

Deserving Fraise

We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, as we stand ready to refund the purchase price, if satisfactory results do not follow their use.
