 bed ever bince. The injury that wooll
have been healed in a hoort time with young man, proved to be yerious in the
old gentleman's case, and his relatives old genteman's case, snd his relatives
ore get apprenenive as to the outcome,
though he is reported somewhat better though he is reported somewhat better
today.
The per cent. of shrinkage of Oregor The per cent. of shrinkage of Oregon
wool is stated by Fitke © Co., Phila
dolphin to be delphia, to be 65, a very high figure com-
pared to that of many other states,
This year the per cent. ahould be be boout 40 or a lithe enbove. The wool is "long
staple." and wwill be in splendid condi-
tion by reason of the mild winter and tion by reason of the mild winter an,
goo graes. The ehbeep are "rolling fat,", and the wool will be strong and of the
best quality.
The members of the Philergian Boit
ety of McMinnville college on Satardiay ety of McMinnville college on Saturday
evening debated the question "Resolved That the Indians, Have Been Mistreated
by the Whites," One of the boye on
 with a good thing. He was arguing
that the government had taken good luat of government had taken goor
care of the Idians; that they were
better provided for than were the poor laboring men, and enaid that "petore the close of Clivereland's a datinitistratior there
will be thousands of laboring men who
 eally from a mere youth fairly thopok the house.
Mise Mary Aquir had another encounter with the zanile sex yesterday,
the othior party to the etrnieaction befing one of the Snipes boje. One report is to thio effect that ahhe attacked him with an numbrella, and another report is that he
Was the aggreesor, cheered on by female Was the aggreseor, cheered on by female
members of the family. However, it seems there is bad blood between the Snipes and the two youing ladiee who are trying to acquire a abare of the
pubicic domain by the homestend route pubic oomain by the homestend route,
and the latter aver they are there to and the latter aver they are there the
atay. The trouble originated over the fact that rome party unknown had broken a hole in their in incubator during
a hatching of eggs and the ownere
and what openly expreesed.

## dawn of imperialism.

$\qquad$
$A$ large andience greeted Mr. Lydell Saker at the coart honse last evening to or the Rise and Fall of "Jupporialisem in
Rome." He commenced prom Rome., He commenced promptly at 8 .
$\rho^{\circ}$ elock and concluded at five minutee past 9 and concluded at five minutes
oniveral verdict is hast it was if ixy-five minateos of enchant-
ment. Atter briot introdaction by Mt. Bent. Alter a brief introdaction by M.
B. Huntinglon, in which that genteman atated that the lecture was origin-
ally written to deliver before the students of the state univeraity, Mr. Baker promptly started in pron his. theme,
without prefice or directing attention t, himeelf for a eingle ingtant. The lecture can lay no claim to oratory, but only
that in clear cut sentences, with fandt. less grammar, admirable eleection of
words, delicacy of tonch and echolarly tone, the student can get a clearer and
more comprehensive inilight into Roman more comprehe enive inigight into Roman
history in ite pepace of time allotted by
the speaker than in all the toxt bo the speaker than in all the text books
ever witten. Thongh Mr. Baker but ever writen. Mhongh nir. Baker but
rarely adapte the elesons to be learned
to contemporaneous times, the lecture in its entirety point as moral from
which there is no escape, as which there is no eccape, as prominent
and powerfol nit it hat been bpoken.
Beginning with the history of the republic in the midst of its grandeur, immediately after the fall of Hannibal,
when it ruled the three known continete when it ruled the three known continents,
he tollowed it nearly to ite close, or to the dawnof imperialism to under Jolios Cosear. In this interval of time the nation had
been oo racked and the been so racked and orr by internal hiod
senaions, caused by jenlousy of generals and the conflicit of clasees, that when in civil war Chesar won the chty of Rome
ignainet Pomper, it but wore the livery of its former Pompey, it but wore the livery or
itese and wa a hollow sepulcherer, The earrier Romane held
patriotime, virtues patriotita, virtue and honor above
every other consideration, were masters over their own paseion, and were valor-
ous. Bat vice crept inidiously and gradous. Bnt vice crept insidiously and grad-
nally into their habito with conquest ually into their habite with conquest
and riches so changed them that the grandsons of the sirese who would have diemembered themeelvee upon the alter
of patriotiam, lolled in luxarious easè of patriotiom, lolled in tuxarious eneer
and were carried about the oity in perfumed coacties aboat the city in per-
sharper lines were thun drawn between the aris-
tocracy and the plebelans, reesulting in an anuese of power and the gradual deg. radation of the masess At frequent
intervals generale rose up from both Itarvalig generale rose p from both
sidees, and fierce and bloody were the conflicts between them, with varying saccess. The conquerors colld only
gatitity their vengeanco gatioty their vengeance and their lut
for blood by elaying thousands of the Ior blood by elaying thousands of the
conguered, and y the Tiber was choked
with human with human corpsese", The nation was
waikened by tis weakened br its. own exceeses and
lost every vestige of $i$ itw power and lost every vestige of ita power and grand-
eur. There were philloophera and statesmen who foresanw these evente but were powerless to Ioreetall them. Mr. Boaletle lecturese cannot but impreen
one with thoughts of a one with thoughts of a like poesible fate
to be paralleled two thonsand years to be paralleled two thonsand years
later, and at leist direct attention to the vicea in America today, which can lead in no difection bat downward. We call them small. Cigarettes, tobsaco, opium
madening. liquor mienaamed whioky-is madening liquor mienamed whieky-is
there anything for us A mericans to consider? Perheps thoee stardy Americans who fit in the Revolation would have recoiled with the eame horror from
thesa "petty" vices that the Roman
nounced the perfumed bath of the time of Cicero. Is there a less
from Rome's downfall?

NEWS OF THE STATE.
Edmond T. Dooley, well known all over the coast for his connection with
various charities, died at Alameda Sunlay of consumption.
Benton Mires' house on his homestead ied away by the high water in the soeek a day or two ago. The house wa umber converted
the angry waters.
