Five cars of North Powder ice were received yesterday for the Wood Bros., F. Lempe and the City Market. The ice was the thickest and clearest we have ever seen in this city. Some of the cakes were sixteen inches thick.

The west-bound passenger train did not arrive until 12:40 p. m. today, on account of a great quantity of freshly-fallen snow all the way between Pendleton and Huntington. The first drift was encountered near North Powder, which stopped the train, and then it could not retreat. A snow plow was dispatched, which cleared the road behind and the train backed into North Powder. Here three engines pushed the snow plow, besides the two pulling

the train, and the train proceeded slowly. The snow is about four feet deep on the summit, but owing to high winds it drifted badly in various places.

VISITING BAPTISTS.

Missionary Board of the Baptist Convention of the North Pacific Coast.

The Baptist Missionary Board met at 3 o'clock this afternoon at the court house, and adjourned to meet tomorrow, when the regular business of the session will be taken up. The reason for the adjournment is due to the fact that a brother of the corresponding secretary, Mr. J. E. Horn, died early in the week, and his funeral occurs today at Haines. The president of the board, Rev. E. P. Waltz, is also absent, as he will preach the funeral sermon.

That our readers may be posted as to the status of this body, we will state that in 1887-8 was organized what is called the Oregon Baptist State convention, covering the entire state in its jurisdiction. Owing to various causes, in 1892 the majority of the Baptist churches east of the Cascades withdrew from this body, and organized "The East Oregon Baptist Convention." In 1893 this latter body sent a delegate and applied for admission and co-operation with the Southern Baptist Convention of the United States. The other Oregon convention had been, and is now, co-operating with the American Baptist Home Mission Society of New York.

The object of the present meeting is to transact such business as would properly come before such a body, and also to consider and decide on a proposition for all the Baptists of the state to co-operate with the New York society, each convention, of course, preserving its own autonomy, and looking after its own work.

There are present as delegates Messrs. C. H. Mattoon of Independence, J. W. Oliver of McMinnville and G. W. Petherer of Perrydale. Mr. Mattoon also represents by proxy J. W. Osborne of Independence and S. K. Crowley of Monmouth, and Mr. Petherer, John Gay of Crowley.

Temperance Rally.

A goodly number of the friends of temperance gathered at Fraternity hall last evening, and, though the storms raged without, there was a genial atmosphere within. After a short interval of pleasant talk and social intercourse, Mr. H. H. Lenard was elected president of the organization, Mr. A. A. Urquhart secretary, and Mr. Brown treasurer. A petition to the G. C. T. of the I. O. G. T. had been prepared asking for a charter for a new lodge of the order at The Dalles. This was signed by twenty-three persons. The name of the lodge is to be "The Independent Workers."

The investigation of coffee and cake was a pleasant feature of the evening, and a little later the young folks "tripped the light fantastic toe." All said they had a good time. Another meeting is called for one week from last evening. All friends of temperance are invited to join the order. Come and have a pleasant evening with The Independent Workers. KNOW NOTHING.

School District No. 9.

At the regular annual meeting held in the school house yesterday, Monday, March 5th, George B. Halver was re-elected as director and A. Y. Marsh as clerk. It was also decided to call a special meeting March 17th to consider the matter of a special tax for an extension of the time of the school, this district having had but three months' school each year for a number of years past. N. K.

A Correction.

Mr. Editor—In your paper of March 5th it alludes to me as advocating by a petition a school house in Thompson's addition. We did not ask for a school house in Thompson's addition; but for a school building in the east end of the city, where it would accommodate the majority of the children. L. L. MCCARTNEY.

AN INTERESTING RELIC

An Account of the Death and Burial of Geo. Washington.

He Died, on the 14th Instead of the 31st of December, 1799, as is Generally Supposed.

A story has lately been going the rounds of the press that Gen. George Washington died in the last hour of the last day of the last century. There is on exhibition today in the window of the hardware store of Maier & Benton a copy of the Ulster County (New York) Gazette, published at Kingston, N. Y., of date January 4, 1800, being No. 88 of Vol. 2. This paper is of great value, and contains an account of the burial of George Washington and the date of his death. The paper is the property of the sisters of St. Mary's Academy, who had Maier & Benton enclose it in an airtight glass case. It is printed with wide black rules between every column, expressive of mourning. The following is the article as it appeared:

WASHINGTON ENTOMBED.

George Town, Dec. 20.

On Wednesday left the mortal part of WASHINGTON the Great—the father of his country and the Friend of man, was consigned to the tomb, with solemn honors and funeral pomp.

A multitude of persons assembled, from many miles around, to Mount Vernon, the choice abode and last residence of the illustrious chief. There were the groves, the spacious avenues, the beautiful and sublime scenes, the noble mansion, but alas! how affecting? how awful the spectacle of such worth and greatness, thus to mortal eyes, fallen!—Yes, fallen! fallen!

In the long and lofty Portico where oft the Hero walked in all his glory now lay the fringed corpse. The countenance, still composed and serene, seemed to depress the dignity of the spirit, which lately dwelt in that lifeless form! There those who paid the last sad honours to the benefactor of his country, took an impressive—a farewell view.

On the ornament at the head of the coffin was inscribed SURGE AD JUDICIAM—about the middle of the coffin, GLORIA DEO—and on the silver plate GENERAL GEORGE WASHINGTON Departed this life on the 14th December 1799, Et 68.

The procession was formed and moved in the following order:

Cavalry, } With arms reversed.
Infantry, }
Guard, }
Music.
Clergy.

The General's horse with his saddle, holsters and pistols.
Cols. Sims, Ramsey, Payne.
Full Beavers CORPSE. Full Beavers Cols. Gilpin, Marteller, Little.

Mother-in-Law to the Mikado. The mother-in-law of the mikado of Japan has recently been ill. She was attended by four hundred and twenty-three physicians, but in spite of that he pulled through. In connection with the illness of this illustrious lady the Buddhist priests have been claiming that it was caused by the introduction of railroads into the kingdom. Their argument was a very powerful and convincing one, too, in their own estimation, since it showed conclusively that when there were no railroads in the kingdom the empress was in good health and after the introduction of railroads she became ill. They were astonished that anyone should dispute so logical a proposition.
