The populists will place the first ticket in the field, from Pierce to constable.

A Pennsylvania woman gave birth to five children—three girls and two boys.

In order to compensate the farmers for putting wool on the free list the democracy put diamonds on the same list.

The Spokane Review gives this estimate of Grover Cleveland: "Contemporary estimates of public men are often faulty.

THE CHRONICLE wishes once again to urge a matter it has many times previously urged—the formation of republican clubs in every precinct in the county.

FARM PHILOSOPHY.

The more you love yourself the less you are sure to love others. A trifling dog is generally not half as trifling as the man who keeps him.

Deserving Praise

We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption.

Now is the time to kill squirrels. Sure Shot at Snipes & Kinerly's.

MONSTER POPULATION OF ANTS

They Teach Lessons in Industry and Perfect Government.

There are more ants to the square mile in Florida than in any other country in the world, says a writer in the Savannah News.

But the Florida ants will take out the lettuce and other minute seeds from the soil in which they are planted, and actually destroy the bed.

All remedies failing, I took to baiting them near their nests with slices of meat, bones, apple and pear parings.

It is very curious and instructive to see how promptly the ants which escape the scalding go to work taking out the dead, and after pulling them outside first, then go to excavating again and rebuilding their cells and runways.

You may see a small black ant hauling and tugging at the carcass of a red ant twenty times its own weight, and he always succeeds in the end in hauling it in the warehouse of the colony.

PLAIN SPOKEN.

The Good-Natured Criticism of a Well-Meaning Neighbor.

The amount of plain speaking that people will bear from one of whose good will they are assured is sometimes a surprise to others.

"Mrs. Child, can you tell me what is the last thing that your husband is engaged in?"

"Oh—well—now—Mrs. Child," said my mother, in the bravest and most cheerful tone, "if your husband has got hold of any innocent occupation by which he only loses ten cents on a load, for heaven's sake encourage him in it."

The Greatest Pyramid.

The great pyramid of Gizeh is the largest structure of any kind ever erected by the hand of man.

THE DALLES

Wasco County, Oregon.

The Gate City of the Inland Empire is situated at the head of navigation on the Middle Columbia, and is a thriving, prosperous city.

ITS TERRITORY.

It is the supply city for an extensive and rich agricultural and grazing country, its trade reaching as far south as Summer Lake, a distance of over two hundred miles.

The Largest Wool Market.

The rich grazing country along the eastern slope of the Cascades furnishes pasture for thousands of sheep, the wool from which finds market here.

The Dalles is the largest original wool shipping point in America, about 5,000,000 pounds being shipped last year.

ITS PRODUCTS.

The salmon fisheries are the finest on the Columbia, yielding this year a revenue of thousands of dollars, which will be more than doubled in the near future.

ITS WEALTH.

It is the richest city of its size on the coast and its money is scattered over and is being used to develop more farming country than is tributary to any other city in Eastern Oregon.

Its situation is unsurpassed. Its climate delightful. Its possibilities incalculable. Its resources unlimited. And on these corner stones she stands.
