THEATER HOLOCALST
Sixteen Firemen Burned to Death Yesteritay Morning
WENT DOWN WITH. THE BUILDING Gladstone Feels Like a Dis-establishe

Church in the Pure Breezes of Heaven.
 theater, the finest in Milwaukee and on
of the handsomest and costliest buildinge in the country, was destroyed by fire, which broke out between 4 and 5 o'clock this morning. Valuable scenery
carricd by the Lilliputians, worth $\$ 25$,oon, is all gone. The theater roof, on went down and the men were carried
with it. Some were rescued from the flames by their comrades, who risked dead and injured. Seven or eight were speak said there mist be 10 more in the roins. The burning roof had fallen o
them, and they were roasted to $i$ ath not killed in plunging from tuo roof.
Several men working in the theater were carght by falling timbers and rescue of the imprisoned men imposaible, property loss is $\$ 500,000$. Assistant property loss is $\$ 500,000$. Assistant
Chief Devere was on the rof at the time
of the crash, but eecaped without injury. John Gee went down with the roof, and was pinned down with bricks, bu thought badly bruised and burned.
Following is a partial list of the men
buried under the ruins, all firemen: Junssen, Archie Campbell, Thomas Morgan, James Freemen, O'Neil Crowgency hospital: Thentenant Curran,
probably fatally injured; Fred Martb probably fataly injured; Fred Siartb,
foot crushed; Fred Echroeder, John Gee,
badly burned, bact burt; han, probably fatally. At the morgue:
Ollie Reis, fell from a ladder. The guests of the Davidson hotel were
panic stricken; none were injured.
Loss to the Lilliputiancompany, 860,000 , to the theater, about $\$ 400,000$. Lownow, April 9.-Gladstone writes to
a friend: "If any one asks you how I
am, tell them If feel like a disestablished
church with bracing breezes blowing Bingor Hermann Nominated for Congress SALEM, April 9.-The first congres-
sional district convention was held in
this city today. H. B. Miller, of Josephthis city today. H. B. Miller, of Joseph-
ine, was chairman and J. W. Hobbs, of
Yamhill, Becretary. After the usual Yamhill, secretary.
prelimingry proceedings
or member of congresg we D. member of congress were in order.
Buick, of Roseburg, nominated Binger Hermann, with remarks apon
his ability and record as such represent-
ative. The name of Thomas H. Tongue of Washington, was placed H. Tongue convention by J. A. Carson, of Marion,
but Mr. Tongue declined in favor of
Hermann, and then the but Mr. Tongue declined in favor of
Hermann, and then the latter was
nominated by acelamation. After naming a congressional central com-
mittee the convention adjourned. Armory tonight, Mr. Tongue and other

to the eity this morning. Mr . J. R. Warner of white Salmon
was in the city last night. Knir. D. L. Cates and Mr. A. Mre. J. W. French departed this
morning ior a short sojourn in Oakland
California. Dr. D. Siddall left on the afternoon
train today for San Francisoo and the
midwinter fair. Mre. A. M. Williams and Miss Wil
liamm returned home last evening from
visit among friende liams returned home last evening
visit among frienda in Portland. We acknowledge having the pleasure
of calls from Hon. . H. Cradlebagh, of
the Hood River Glacier, and Mr. S. A. Mr. S. A. Clarke of Salem, one of the
best $n$ nown frit men in Oregon, is in in Horticultural Society which meets to-
night and tomorrow. The following gentlemen came up on
the Regulator lagt evening to attend the
democratic convention to day:
 Dr. J. R. Cardwell, President of the
Horticultridal Society; Henry E. Doch,
Goo. I. Sargent, Frank Lee edito of the Northwest Pacific Farmer, Mrs. J. C.
Card of Portland, and Hon, Jae, Hen.
dershott of Union are in the city and will be in attendance at the Hortycalt-
wral Society meeting tonight and to-
morrow. METAPHORICALLY SPEAKING.
What is Meant by Warm and cold What sh Meant by warm and cold
When we speak of warm or cola,
clothing we use as asointe a metaphor
as when we talk of the sun going
down or the "rosy fingered dawn." as when we talk of the sun going
doown or the "rosy fingered dawn."
Clothes can communicate neither
heat nor cold to the body. Fur is not
warm nor linen cool, says the Philawarm nor linen cool, says the Phila-
delphia Pres, except as they serve as
conduetors for the heat generated by cellent no-conductors of heat that is
they do not allow the heat of the body
toesceape so casily as some other ma-
terials, and the renson why fur is one or the poorest conductors of heat is
not, as might be supposed. so much be-
cause of its thickness and weight as
because of the air which is

and consequently need greater protee-
tion or conservation of what the do
gencrate, and, in the case of they
at least, the dictates of fnshion sliould
never be nllowed to interfere with

## A. M. WILLIAMS \& CO.

gar society in russia
 Those who are best qualified by ex
perience to express an opinion ar nanimous in declaring that there i no gayer or more brilliant society in
Europe than that at St. Petersburg. It
hase cachet all its own, says the Lidy hasa cachet all its own, says the Lady,
and if it is less dificultof access to for igners than London or Paris society it
is so simply becauso hostesses too im
dicitly rely exes not to introduce into their sslon
nyy but persons of irreproachable char cher. The Russian lady is so clover
that she does not require any details of story. She guesses at these, and. if
necessary, supplies them: in other
words. invents them the which a gniteless official has let drop"
which she has "surprised on his sips"
-serves her as the key to the mystery,
