Mr. Phil Wagner of 8-Mile brought in some grayish-drab colored bugs this morning about the size of a pea. He stated they were a part of an immense swarm of them which were flying eastward, and which he at first took for

Among the varied features to be introduced during the performance of "Si Perkins," which will be presented by the Burton-Coleman Company at the opera house next Wednesday night, the famous "Si Perkins" orchestra, directed by Prof. S. Of the play itself we need only to say that for laughing purposes there are no better, and this has been proven by the large audiences it always attracts, and which is sure to be in attendance next Wednesday evening. The parade given by the famous Pugtown farmers' band is great, be sure and see it at noon. Admission, be found on sale at I. C. Nickelsen's store. 50 cents and \$1. Seats on sale at Telephone No. 1.
