THURSDAY, JUNE 28, 1894

A COWARDLY CUR.

Johann Most, the leading anarchist of America, has been interviewed as to his opinion on the death of President Carnot. We give that opinion among the telegraphic news today, and ask our readers, especially those who work up a sympathy for the "down-trodden," to peruse it.

In our opinion Most was as guilty of the murders in the Haymarket riot as those who threw the bomb. He should have suffered with them, and the penalty should have been death.

Most in disposition is a beast, a carnivorous animal, and society owes it to itself to put him out of the way just as it would a rattlesnake or a tiger.

WILL THE SHOPS COME BACK?

The Union Pacific is making preparations to turn the Oregon Railway & Navigation Co.'s road over to Receiver McNeil. The engines and rolling stock belonging to the road have been ordered returned, and U. P. engines sent to Omaha.

TO HATCH SALMON.

Mayor Kinney of Astoria has called a special meeting of the city council for the purpose of adopting resolutions calling upon congress to take prompt action in regard to establishing hatcheries at suitable points on the river.

wheat crop, and affords work for a small army of men. Unless steps are taken by the government to replenish the stock, the industry will die out in a few years.

PERSONAL MENTION.

Hon. E. E. Savage of Hood River is in the city. Mr. Geo. P. Morgan of Cascade Locks is in the city.

Mrs. H. C. Coe and daughter Nellie are visiting friends here. Mr. J. D. Slater came down on the Spokane from La Grande yesterday.

J. G. Day, sr., of Cascade Locks came up on the Regulator last night to purchase supplies for his employes.

Hon. J. F. Moore and wife of Prineville arrived yesterday and are at the Umatilla. Mr. Moore will assume his duties as register of the U. S. land office, sometime next week.

Hon. W. L. Matlock and wife passed through on their way to Portland, leaving on the Regulator this morning. Mr. Matlock is a democratic hold-over in the state senate, and tells us he expects to be awfully lonesome.

C. W. Nibley, of the Oregon Lumber Co., was registered at the Umatilla last night. He is on his way to Hood River and Chenoweth, Wash., at which places his companies are operating mills.

The writer heretofore was agreeably surprised last night to find at the Umatilla house two uncles, with whom he is a youngster kept bachelors' hall on the Comstock in 1860. They are both old-timers, being Mexican war veterans and California pioneers.

MARRIED.

On Tuesday, June 26th, by the Rev. A. Horn of the Lutheran church, Miss Annie Donaldson to Mr. George Friend, both of Kingsley.

EGGS IN ALL STYLES.

Six Hundred Ways in France to Cook This Modest Food. The French cuisine is said to boast no fewer than six hundred distinct modes of dressing eggs, says the London Telegraph.

Something Unusual.

As a medicine, is Dr. Pierce's Golden Medical Discovery. And, because of that, there's something unusual in the way of selling it. Where every other medicine of its kind only promises, this is guaranteed.

Catarrh is positively cured by Dr. Sage's Remedy.

SPORTS AND PASTIMES.

An English football player was sun-struck at the end of last March. The interesting fact is noted in connection with the famous Oxford-Cambridge boat race that the heaviest crew has won the yearly race forty-one times out of fifty-seven races.

A lady at Tooleys, La., was very sick with bilious colic when M. C. Tisler, a prominent merchant of the town gave her a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Sometime ago I was troubled with an attack of rheumatism. I used Chamberlain's Pain Balm and was completely cured. I have since advised many of my friends and customers to try the remedy and all speak highly of it.

Last year's shortage in the English hay crop caused an importation into the United Kingdom of 263,050 tons in 1893, against 61,237 in 1892. Of this supply, 101,132 tons was contributed by the United States.

Malaria in any of its Forms.

Chills and fever, congestive chills, can be prevented or cured by the use of Simmons Liver Regulator, a purely vegetable medicine, superior to calomel and quinine.
