THURSDAY, JULY 12, 1894

GOATS THEY WILL BE.

The Mazamas are going to climb Mt. Hood, storm it as it were from all sides, the morning of the 19th, or next Thursday. To be more exact, we should have said that a number of ladies and gentlemen will make the ascent that day, for they will only be Mazamas when they get there.

COULD NOT BE CORRUPTED.

Mr. Debs says that Havemeyer has corrupted the United States senate. Mr. Debs is as badly mistaken in that statement as he is in many of his other positions.

HOW DO THEY KNOW?

An Ohio editor says hay fever is caused by kissing grass widows. A Missouri editor says it is caused by the widows kissing a fellow by moonlight.

The above item is going the rounds of the press, and so, in the interest of the fraternity, and to protect the good name of editors in general, we would like to know how our fellow-scribblers obtained their information, especially the last one.

GOOD SENATORIAL TIMBER.

They have lots of fun down in Kentucky over an election. Congressman Breckenridge has been stamping the state for two months, closely followed by other speakers of his own political faith, but differing from him on matters of morals and religion.

tion is equivalent to an election, one would hope that the doughty colonel be defeated in order that the country be not talked to death. With all the great Kentucky orators' peculiar ideas of morality it is easily seen that his native state is missing a rare opportunity of providing herself with a guilt-edged senator.

PERSONAL MENTION.

Mr. D. W. Bailey passed through on his way to Pendleton this morning. I. C. Darland, Goldendale's genial postmaster, was in the city last night. Mr. R. B. Wilson, general freight agent of the Northern Pacific, registered at the Umatilla last night.

A Leader.

Since its first introduction, electric bitters has gained rapidly in popular favor, until now it is clearly in the lead among pure medicinal tonics and alteratives—containing nothing which permits its use as a beverage or intoxicant.

WORTH YOUR WHILE TO READ.

COAL is dearer in South Africa than any other part of the world; it is cheapest in China. A CANALIAN court has defined the word "boodler" to mean "the very meanest class of thieves."

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria.

Malaria in any of its Forms.

Chills and fever, congestive chills, can be prevented or cured by the use of Simmons Liver Regulator, a purely vegetable medicine, superior to calomel and quinine.

Deafness Cannot be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube.

Notice to Property Owners.

Notice is hereby given that all filth, rubbish, stone, and obstructions of every kind and nature must be removed from the streets and alleys immediately; and also all buildings which have floated out into the alleys and streets must be removed, as the same are liable to cause a conflagration.

Ad. Keller is now located at W. H. Butts' old stand, and will be glad to wait upon his many friends.

S. P. SMITH, of Towanda, Pa., whose constitution was completely broken down, is cured by Ayer's Sarsaparilla. He writes: "For eight years, I was, most of the time, a great sufferer from constipation, kidney trouble, and indigestion, so that my constitution seemed to be completely broken down."

Ayer's Sarsaparilla Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Cures others, will cure you.

Bids Wanted.

To All Whom It May Concern: Notice is hereby given that by order of the Common Council of Dalles City, made and entered on the 7th day of July, 1894, sealed bids will be received at the office of the undersigned until Friday, July 13th, 1894, at the hour of 4 o'clock p. m. of said day, for the construction of all crosswalks to be built by the city (except those on Second street) until July 1, 1895.

Were It Our Habit To Always Employ

in advertising the most emphatic statements and claims possible, we could say some big truths about our

Dry Goods, Clothing, Laces, Embroideries, FURNISHING GOODS, ETC.

Conscious, however, of our strength and superiority, and knowing the high intelligence of our patrons, we are content to MODESTLY tell of the new styles which we are now showing.

C. F. STEPHENS.

How Russians Destroy Rats.

The following is said to be the Russian method of destroying rats, and it appears to be an effectual one those who are annoyed with these animals are recommended to try it.
