DO THEY OWN STOCK?

A Californian, in speaking of the strike, said that under the decision of Attorney General Olney and the United States courts it took "a postage stamp and a Pullman car to get a letter through the mails."

Mr. J. A. Douthit has sold the Ochocho Review to Mr. J. N. Williamson, the present owner of the Prineville News.

A Philadelphia paper thinks Senator Davis of Minnesota would make a good candidate for president on account of his opinion on the recent railroad strike.

Senator Hill defending President Cleveland was a surprise to the country, but it was no more astonishing than to see the Oregonian suddenly turn tail on its time-honored habits.

We are still of the opinion that no tariff legislation will be accomplished this session of congress. The house cannot recede; the senate will not, and so the McKinley bill will stand.

HE BECAME A CHAMPION.

After Trying Many Things He Struck the Right Thing at Last. "No," said the tall young man to a Buffalo Express writer, "I must confess that I did not win renown in college in the usual way."

"I had myself examined by a doctor, and he told me that with practice I might get to be a good oarsman or baseball player, or something of that sort."

"Literature seemed to be about the only thing left open to me: I set out to be known as the brightest writer in the varsity. I wrote a whole lot of stuff for the college periodicals, and sat down and waited for it to be printed."

The tall young man paused impressively, and then said: "I came away from that institution of learning owing more money than any person who preceded or had followed me."

Cord Wood.

We again have an abundant supply of dry fir and hard wood for immediate delivery at the lowest rates, and hope to be favored with a liberal share of the trade.

I have sold Ayer's Family Medicines for 40 years, and have heard nothing but good said of them. I know of many

Wonderful Cures

performed by Ayer's Sarsaparilla, one in particular being that of a little daughter of a Church of England minister. The child was literally covered from head to foot with a red and exceedingly troublesome rash.

The value of a good name was well exemplified the other day, when a man asked one of our druggists for a bottle of Sarsaparilla. "Whose?" inquired the clerk. "Whose? why, Ayer's, of course."
