AUGUST AUGURINGS.

Leaves From the Notebook of Chronicle Reporters.

This is another of those days when a buggy ride inside of the street sprinkler would be enjoyable.

The local passenger arrived in on time today, the first time since the flood—that is the flood in the Columbia.

Quite a party will leave here tomorrow for Hood River, and from there will go to Cloud Cap, and possibly to the top of the mountain.

A small lot of wool was sold this morning at 10 cents. This is the highest price paid this season, and has only been paid once before.

The Dalles is shipping from one to two carloads of melons daily. Many of them go to Portland but the bulk of the trade is with points East.

Trout lake has suddenly come into prominence, as the most pleasant and available spot for a summer outing that can be reached from The Dalles.

On and after September 1st, 1894, the office hours of the Pacific Express Co. will be from 8 to 12 and from 1 to 6 o'clock. The office will not be opened Sunday.

Rita, the five-year-old daughter of County Auditor Simeon Bolton of Klickitat county, Wash., fell in a well yesterday and was drowned. Mr. Bolton is a brother of Mr. Virgil Bolton of this city.

A. G. Phelps, our promising young townsman, who graduated from the law department of Michigan University last spring, has been appointed by District Attorney Jayne as his deputy for Wasco county.

The grass and stubble everywhere is dry as tinder and hunters and camping parties should use every precaution to prevent fires getting started. The dry grass makes excellent fall pasture and is worth whole lots of money.

That dreadful man Blandford says that if he was at the seaside, he would smoke his cigar without troubling himself about Falb's tidal wave. We don't wonder at it. If he keeps on putting up this kind of weather, the tidal wave will be hankered after.

Several wagon loads of wheat were brought in from Klickitat county today. It sold for thirty cents a bushel. In talking with the gentleman who brought it in he told us the grain was not turning out so well as was anticipated. The same reports come from the Dufur neighborhood, and the newspaper re-

ports from the Willamette valley are to the same effect, though in the latter locality the falling off is attributed to the aphid. The grain in this neighborhood is remarkably plump, and will rank as first-class.

Those who have bills to present to the county court, which meets Wednesday, September 5th, will remember to hand them to the clerk by the evening of the 4th, so that they can be put on the docket. If they are not so presented they will go over for the term. In other words, will be put off for two months. Do not forget this, and then kick at the court and clerks, for the rule will be enforced.

To Our Visitors.

We regret exceedingly that such extremely hot weather has greeted our reverend visitors, and assure them that if it was possible for the mayor, common council or citizens to vary the temperature for the cooler it would be done. Had the visit been put off till say December this state of affairs would not have existed. As it is we are one and all glad to see them, and unanimous in the hope that they will have better weather for their work and carry away with them as favorable an impression of The Dalles, as they have already created in it. There is no one to blame but Weather Observer Blandford, but unfortunately we can't discharge him.

To Whom It May Concern.

Notice is hereby given that a petition to incorporate the town of Hood River will be presented to the Hon. Commissioners' court at its September term, 1894, said incorporation to be bounded as follows: All that tract of land in sections 25 and 26, 35 and 36, tp. 3, n. r. 10 e., w. m., bounded north by O. R. N. Co.'s railroad, on the west by the west line of the N. Coe donation land claim, extended to a stream known as Indian creek, on the south by Indian creek, and on the east by the east bank of Hood River.

Attention, Firemen!

All members of the fire department are requested to attend a special meeting of the department Wednesday, Aug. 23d, at 8 p. m. Delegates and members who desire to attend the annual Firemen's Convention at Oregon City on Sept. 3d and 4th are especially requested to attend. By order of JOHN BLASER, Chief Engineer.

Vashon College.

President A. C. Jones, of Vashon college, arrived in the city last night and can be found at the parlors of the Columbia hotel. Those having children they desire to send to school will do well to see him. The school is pleasantly situated on Vashon island, Wash. For information concerning the school, should you fail to see him, write him at Burton, Wash., for catalogue.

The Pentacostal meetings will be held daily from 8 till 9 in the morning and 4 till 5 in the afternoon, under the direction of Dr. Keen. These services the public is cordially invited to attend. Anniversary services of the Freedmen's Aid and Southern Educational Society will be conducted by Dr. Hartzell and Dr. G. W. Gae. The day has been largely devoted to appointing committees and getting the work of the conference in hand. The heat has been almost unbearable, and if it continues the work of the conference will have to be done in the evening.

An Old Way Bill.

Yesterday Col. Sinnott unearthed an old freight bill of the O. R. & N. dated Feb. 12, 1864. In those days freight was charged for by measurement instead of weight. The articles are suggestive of the trade in those days, consisting of four kegs of brandy, four boxes of eggs, two gunny bags of bacon, six barrels of whiskey, and a pipe of liquors. The whole lot measured 119 feet, and cost from San Francisco \$64.50, the charge from Portland being \$36, or about \$18 per ton, as against \$8 at the present date. The bill is in a remarkably good state of preservation, in spite of the thirty years that have passed since the colonel paid it. The ink was good, for it is as fresh looking as if made yesterday. The freight came up on the steamer Wilson G. Hunt.

PERSONAL MENTION.

Mr. Alex. Scott of Grass Valley is in the city.

Mr. Ed. M. Williams went to Clatsop this morning.

Martin Donnell came over from Goldendale this morning.

Hon. W. C. Hindman of Baker City, who has been visiting his daughter, Mrs. L. S. Davis of this city, returned home yesterday.

Mr. F. P. Westein, an old Nevada friend of the writer, arrived on the Regulator last night and will remain just as long as we can persuade him to stay. He has been employed in the banks at Colfax and Farmington for five years, has been on a vacation for several months and goes back to take his place again by Sept. 1st.

BORN.

In this city, Wednesday, August 22d, to the wife of J. P. Benton, a daughter.

While coon hunting, John Rider, of Dutchtown, Mo., lost an eye in a very peculiar way. He was going up a tree, in search of a coon, when an owl flew down and tore out his eyeball with its claw.
