MUCH MONEY IN HOGS.

Ex-Sheriff Matt Scott, of Lynn county, having just disposed of a carload of hogs, raised and fattened on the best quality of wheat his Albina prairie farm produces...

THEY SHOULD ROAST.

It is now asserted that the terrible fires that have swept through the Minnesota forests were started by timber thieves. At the last session of the Minnesota legislature Ignatius Donnelly accused the timber ring of systematically robbing the state for years, and further asserted that this action was connived at by state officials...

If the offense can be proven, every person connected with it, or having knowledge of the fact that the fires were to be set, should be, when proven guilty, condemned to death and executed by a slow roasting process.

A cute grocer in Portland, having discovered that someone was in the habit of stealing from his store, placed a trap gun therein, and the next morning found a dead man on the floor. The man was a criminal, it is true, but the laws of the country do not recognize a man's right to kill another either for the offense so committed, and certainly not in the manner. The grocer will not be bothered by burglars soon, but at the same time he may be sent to the penitentiary for a few years, as the killing of another in the way the grocer laid his burglarious visitor out is called by the very ugly name of manslaughter.

The Antelope Herald gives the following account of the manner in which Bernard killed himself: "Tuesday evening about 6 o'clock Bernard rode up to his home, put up his horse and went to the house. His mother, a sister, two brothers and Cant Zachery were there. He ate some pie, drank a cup of coffee and seemed to relish it immensely. This done, he informed the folks that he had lived long enough and that he had concluded to bring his earthly existence to a close. He said he had lived a man and was going to die a man. He advised the folks to live honest lives and to do as near what was right as possible. Then after bidding them all good bye he ordered them to all go to the barn so they would not have to witness his death. Of course they were completely dumbfounded and were reluctant about going, but Jim was determined and they could do nothing else than go. After they were all in the barn Jim stepped inside a small sleeping tent near the house and

placing the revolver to his temple, blew out his brains. Thus ends one of the most horrible deeds ever committed in Eastern Oregon."

PERSONAL MENTION.

Mr. Geo. T. Prather of Hood River is in the city. Mrs. G. C. Blakeley is visiting in Portland. Mr. T. A. Hudson will leave for San Francisco in the morning. Hon. A. R. Byrnett came up from Hood River on the local this afternoon. Mr. J. B. Crossen and wife have returned from San Francisco, accompanied by Mrs. Crossen's mother, Mrs. Marlin. Miss Jeannette Williams came up from Clatsop Saturday, and will return to Portland soon, where the family expect to remain during the winter. Mrs. W. P. Short and daughter, Miss Ethel, accompanied by Miss Jones of Sellwood, returned to their home in Sellwood this morning, after spending the summer in this city.

Mr. F. A. French has been subpoenaed as a witness in the United States court at Portland in the case of F. A. Bean, charged with opening a letter belonging to Mrs. Morgan. The same old case that began here.

Irregularity. Is that what troubles you? Then it's easily and promptly remedied by Dr. Pierce's Pleasant Pellets. They regulate the system perfectly. Take one for a gentle laxative or corrective; three for a cathartic.

If you suffer from Constipation, Indigestion, Bilious Attacks, Sick or Bilious Headaches, or any derangement of the liver, stomach, or bowels, try these little Pellets. They bring a permanent cure. Instead of shocking and weakening the system with violence, like the ordinary pills, they act in a perfectly easy and natural way. They're the smallest, the easiest to take—and the cheapest, for they're guaranteed to give satisfaction, or your money is returned.

The cleansing, antiseptic and healing qualities of Dr. Sage's Catarrh Remedy are unequalled.

Ayer's Sarsaparilla is one of the few remedies which are recommended by every school of medicine. Its strength, purity, and efficacy are too well established to admit of doubt as to its superiority over all other blood-purifiers whatever. Ayer's Sarsaparilla leads all.

The only way to cure fever and ague is either to neutralize the poisons which cause the disease or expel them from the system. Ayer's Sarsaparilla operates in both ways. It is a warranted specific for all forms of malarial disorders, and never fails to cure. Try it.

Special Notice—Painting Lessons. Miss Bessie Holcomb will receive pupils in painting and drawing. Private lessons 50 cents. Lessons in classes of two or three 35 cents. Address sep7-1w. Miss Bessie Holcomb.

HOW HIGH WILL A KITE GO?

Eighteen Hundred Feet the Maximum Altitude That a Single Kite Can Reach. It is one of the most difficult undertakings imaginable to even approximately estimate the height of a kite above the earth. This is on account of the fact that objects floating in the air seem to be farther away than they really are. It may be safely said, says the St. Louis Republic, that 1,800 feet is the maximum altitude that can possibly be attained by a single kite. A kite flying at the height mentioned will appear even to a conservative observer to be nearly if not quite a half mile above the surface of the earth, but a careful measurement of a string and its angle will quickly prove that it could not have been more than a fourth of a mile above the ground. Ordinarily a kite will go no higher, even if more string be paid out; this is because the wind depresses the cord and causes the kite to really recede when it appears to rise. It has been said that it is possible to arrange several kites in such a manner that they will reach a higher altitude than it is possible to attain with a single kite. In this manner where three, four, or even a dozen kites have been used remarkable heights have been reached. Where more than one kite is used only the main one is attached to the end of the string, the others being attached along the main line (in a manner similar to the arrangement of the hooks along a "trotline") at an average distance of about twelve feet apart. Hinkleman, who made experiments at Buda-Pesth, and Irison and Watson, whose investigations under the Russian Academy of Sciences were carried on at Edeenes, Finland, report curious results. Where single kites could be forced up into the atmosphere to a height of 1,500 feet, a pair could be made to ascend to a height of from 2,000 to 2,100 feet, and a tandem easily reached the high-water mark of 2,500 feet. The three experimenters alluded to believe that with a proper arrangement of the kites, and with a scientific adjustment of both the tail and string, a height of two miles will eventually be reached.

CURES OTHERS WILL CURE YOU! PURE BLOOD, CLEAR SKIN, HEALTH, MENTAL ENERGY, SOUND SLEEP, LONG LIFE, VITALITY, STRONG NERVES. AYER'S SARSAPARILLA.

S. P. SMITH, of Towanda, Pa., whose constitution was completely broken down, is cured by Ayer's Sarsaparilla. He writes: "For eight years, I was, most of the time, a great sufferer from constipation, kidney trouble, and indigestion, so that my constitution seemed to be completely broken down. I was induced to try Ayer's Sarsaparilla, and took nearly seven bottles, with such excellent results that my stomach, bowels, and kidneys are in perfect condition, and, in all their functions, as regular as clock-work. At the time I began taking Ayer's Sarsaparilla, my weight was only 129 pounds; I now can brag of 189 pounds, and was never in so good health. If you could see me before and after using, you would want me for a traveling advertisement. I believe this preparation of Sarsaparilla to be the best in the market to-day."

Ayer's Sarsaparilla Cures others, will cure you Prepared by Dr. J. C. Ayer & Co., Lowell, Mass.
