THE WHEAT OUTLOOK.

The wheat situation gets no better. The crop in the United States is considerably below the average, due to many causes, the principle one of which is the remarkably dry and hot weather of the western states.

LOVE OR SELFISHNESS.

The killing of Mrs. Calvin by Stengele and his subsequent suicide has caused some strange comments by the press. One of our neighbors says that "they who call Stengele a fool have evidently never themselves felt the tender passion."

Mr. and Mrs. Vanderbilt continue to air their private affairs. A few days ago they were reported to have settled all their difficulties, and expressed a mutual desire to kiss and make up, but now the sad intelligence is sent out that they have had another row.

The Walla Walla republicans are jubilant over the nominations made at Spokane, for the reason that the other candidates are taken from parts of the state that do not interfere with the candidacy of Levi Ankeny of Walla Walla for the United States senate.

against him. This country needs brains in the senate, and it needs more than anything else that the members of the senate be drawn from the different classes of men.

Governor Pennoyer has been invited to California to stump the state. The good governor can do it if any one can. He stumped Oregon, also the democratic party, and still has them up the stump.

Children who are puny, pale, weak, or scrofulous, ought to take Dr. Pierce's Golden Medical Discovery. That builds up both their flesh and their strength.

In recovering from "Grippe," or in convalescence from pneumonia, fevers, or other wasting diseases, it speedily and surely invigorates and builds up the whole system.

For all diseases caused by a torpid liver or impure blood, Dyspepsia, Biliousness, Scrofulous, Skin and Scalp Diseases—even Consumption (or Lung-scurf) in its earlier stages—the "Discovery" is the only guaranteed remedy.

If it doesn't benefit or cure, in every case, you have your money back.

Little Boy—What's the use of so many queer letters in words? Look at that "c" in indicted. Little girl—I guess those is just put in so mothers can get an excuse to send their childrens to school and have a little peace.—Street & Smith's Good News.

Guaranteed Cure.

We authorize our advertised druggist to sell Dr. King's New Discovery for Consumption, Coughs and Colds, upon this condition. If you are afflicted with a Cough, Cold or any Lung, Throat or Chest trouble, and will use this remedy as directed, giving it a fair trial, and experience no benefit, you may return the bottle and have your money refunded.

Misled by a friend—"What! Harry Walton proposed to you and you accepted him?" "Why, I thought he was all right. You told me you had accepted him."—Life.

Irving W. Lajmore, physical director of Y. M. C. A., Des Moines, Iowa, says he can conscientiously recommend Chamberlain's Pain Balsam to athletes, gymnasts, bicyclists, foot ball players and the profession in general for bruises, sprains and dislocations; also for soreness and stiffness of the muscles.

"You say she is a musical genius as far as the piano is concerned?" "Yep; knows when to quit every time."—Buffalo Courier.

In all that goes to strengthen and build up the system weakened by disease and pain, Ayer's Sarsaparilla is the superior medicine. It neutralizes the poison left in the system after diphtheria and scarlet fever, and restores the debilitated patient to perfect health and vigor.

Miss Beacon—Is that Mr. Jowler interesting? Miss Lakeside—No; he sits on the far end of the sofa and talks.—Life.

Buckingham's Dye for the Whiskers is a popular preparation in one bottle, and colors evenly a brown or black. Any person can easily apply it at home.

No Freight will be accepted for shipment between the hours of 5 P. M. and 9 A. M., except Live Stock and Perishable Goods. D., P. & A. N. Co. July 20th, 1894.

Mrs. J. H. HORSNYDER, 152 Pacific Ave., Santa Cruz, Cal., writes:

"When a girl at school, in Reading, Ohio, I had a severe attack of brain fever. On my recovery, I found myself perfectly bald, and, for a long time, I feared I should be permanently so. Friends urged me to use Ayer's Hair Vigor, and, on doing so, my hair

Began to Grow, and I now have as fine a head of hair as one could wish for, being changed, however, from blonde to dark brown."

"After a fit of sickness, my hair came out in combfalls. I used two bottles of

Ayer's Hair Vigor and now my hair is over a yard long and very full and heavy. I have recommended this preparation to others with like good effect."—Mrs. Sidney Carr, 1460 Regina st., Harrisburg, Pa.

"I have used Ayer's Hair Vigor for several years and always obtained satisfactory results. I know it is the best preparation for the hair that is made."—C. T. Arnett, Mammoth Spring, Ark.
