DEADLY STREET CAR

Kills One and Cripples Four or Five.

THE CHINESE ABANDON MOUKDEN

Judge Scott of Omaha Undertakes to Suppress Newspaper Comment Concerning His Court.

Accident at Tacoma.

TACOMA, Oct. 6.—George G. Chandler, general agent of the Northern Pacific railroad in this city, was killed in a street car accident tonight at 11:15 o'clock. Those injured in the same accident are:

James F. O'Brien, deputy county clerk, right leg mangled; Ed. R. Hare, left shoulder dislocated; M. Sidney, a real estate agent, hurt about the face; Mrs. M. Sidney, bruised and cut in several places; Miss Bertha Langhton, rendered insensible and cut about the head; A. W. Latham, a bookkeeper, bruised.

Mrs. William H. Upton of Portland was slightly bruised and was taken to the Fife hotel. No other Portland people were injured. Mr. Chandler's face was mangled beyond recognition. So completely was he disfigured that for some minutes after the wreck his identity was in doubt, and was only settled by an examination of his watch, on which his name was engraved. The car on which the accident occurred was No. 20, of the Old Town line. It was returning from the interstate fair, and was crowded with people. Chandler, O'Brien, Hare and a number of others were standing on the front platform, behind Motorman W. J. Musgrove. As the wheels struck the east crossing of North Second street the axle of the front truck broke near the right wheel. The car left the track, plunged along at an acute angle to the right of the track for a rod, and then fell on its left side. Mr. Chandler, who was standing on the steps, fell underneath, and the heavy wood and iron work of the car struck him full in the face, crushing out his life and leaving his head in a shapeless mass.

O'Brien went down in the struggling mass of humanity, and the iron roof of the car fastened down upon him, tearing the flesh and horribly mangle the calf of his leg. The others were all injured either by falling from the platform or by being thrown violently against one another and against the breaking glass of the windows. Doctors were summoned and every assistance rendered the injured. Mr. Chandler's body has been taken to the coroner's morgue. Policemen have been stationed about the wreck to guard it until the coroner's inquest, which is to be held Monday. It was an accident, pure and simple, and proved a terrible ending of the splendid celebration of the day and evening in honor of the visit of Portland's mayor and a thousand citizens to the interstate fair.

Judge Scott of Omaha.

OMAHA, Oct. 6.—Judge Cunningham R. Scott, of the criminal branch of the district court, and a leading American Protective Association man today cited E. Rosewater, editor of the Bee, to appear before him Tuesday and show cause why he should not be adjudged in contempt of court. Scott has undertaken to establish a severe press censorship with reference to the reports of routine work of his court. Yesterday the Bee printed a local item referring to the manner in which Judge Scott questioned applicants for citizenship, appearing before him, with reference to their religious opinions and particularly as to the relative superiority of the church and state laws. If the answers were obscure or indicate a preference for serving the church, certificates were refused. For this item, the editor was called to time.

Flying Jib's Fast Mile.

SAN FRANCISCO, Oct. 8.—The telegraphic news from Chillicothe about the wonderful mile paced by Flying Jib did not create any surprise, as it was known that the erratic sidewheeler was one of the fastest team horses in the world. A sensation was created in local horse circles a few years ago, when a team of

pacers owned by Captain Millen Griffith, of this city, paced a half-mile over the Bay district track in 1:01½. One of the pacers was flying Jib, who Thursday established a new world's record for pacing a mile with a running mate. Monroe Salisbury took flying Jib east the following year, and the Californian made the greatest record ever made by a green pacer the first season out. He was called upon to meet the star sidewheelers of America, and the great three-cornered race between Guy Mascot and Flying Jib will not be forgotten, even in this year of wonderful performances.

Chinese Have Abandoned Ngan.

SHANGHAI, Oct. 6.—The Chinese warships stationed off the ports in the Canton river have been instructed to exercise the utmost vigilance and to overhaul any suspicious vessel that arrives in the river. Native reports from the Korean frontier say that the Chinese have abandoned their position at Ngan and retired upon Kaichan. There is a vague rumor that the Chinese officials contemplate totally blocking Woo Sung bar. The Chinese government has authorized a firm in Tien-Tsin to raise a loan of £10,000,000. The sum of £1,000,000 has already been raised privately.

The Mormon Conference.

SALT LAKE, Utah, Oct. 6.—The second day of the Mormon conference drew an immense attendance. The city is thronged with visitors, and both sessions today at the tabernacle were crowded. The speakers were Apostles Teasdale, Grant, Thatcher, Taylor and Merritt. The branches of the church in Mexico and Canada were reported to be flourishing. The people were exhorted to abandon the use of tea, coffee and tobacco, and figures were quoted as showing that a great part of the wheat crop of the territory went to pay for these stimulants.

The Georgia Returns.

ATLANTA, Ga., Oct. 6.—The consolidated vote of last Wednesday's election shows Atkinson's majority for governor to be 26,000. The rest of the state ticket received 30,000. The democrats will have a majority of 125 in the house, and 27 in the senate. Contests have been filed by the populists in five counties. They complain of fraud, and the democrats charge that the populists repeated in several counties. The state legislature meets October 24.

Chinese Said to be Fleeing From Moukden.

NEW YORK, Oct. 6.—A special cable dispatch from Shanghai to the Herald says the Telegrams from Moukden report that thousands of Chinese soldiers are passing through that city in wild retreat. The Japanese army is believed to have arrived there now, aided by 10,000 armed Koreans. The empress dowager is exercising supreme power in Peking.

Backed Into a Ravine.

SANTA ROSA, Cal., Oct. 6.—A fatal accident occurred this afternoon on the high grade between Gaerenville and Duncan's Mills, in which William McClenny, of the former place, was killed, and Mr. Finley and his daughter Ada badly injured. Their team became frightened and backed off the grade, falling 60 feet into the ravine below.

The Temporary Injunction Dissolved.

JACKSONVILLE, Fla., Oct. 6.—Judge R. N. Call today refused to make permanent the temporary injunction granted the straight-out democratic faction restraining the returning board from canvassing and certifying the result of Tuesday's election in this city.

His Health Is Poor.

NEWARK, N. J., Oct. 6.—United States Senator McPherson is out in a letter in which he declines to be a candidate for re-election to the senate, because of the poor condition of his health.

Labor Riot in New Jersey.

NEWARK, N. J., Oct. 6.—Two hundred striking Italian laborers today attacked 60 men who had taken their places on a sewer in construction on Clifton avenue. Three were badly injured, and one may not recover.

The Actors' Dirty Linen.

TRENTON, N. J., Oct. 6.—The answer to the Drayton divorce has not been filed as yet. It is reported the time for filing has been extended until November 1st.
