## STICK TO THE TRUTH.

We re-print a couple of political squibs from the Pendleton Tribune of Friday last:

"A bushel of wheat bought twenty pounds of sugar under McKinley protection. It buys only ten pounds of sugar under the first step toward free trade. How much will it buy with the absolute free trade that is promised to the farmer?"

"With a crop of 600,000,000 bushels of wheat in 1891, under McKinley protection, the average price was 82 cents per bushel. With a crop of only 400,000,000 bushels in 1893, under democracy, it averages only 52 cents. Put this in your pipe, farmers, and think it over."

We will say that the Tribune printed both the above articles under a head that indicated they had been clipped. We judge from their style they were taken from the American Economist, a protective tariff paper that by its asinine editorials is doing more to injure the cause it pretends to uphold than any half dozen papers openly advocating free trade. The battle between protection and free trade can be fought and settled only on the basis of common sense. Such asinine statements as those above quoted excite only the contempt of intelligent people. Every sensible man knows that the price of wheat is not affected a particle by our legislation; that the product of other countries has crowded our wheat out of the market, and left us with a burdensome surplus. Such papers as the Economist are a disgrace to the party, as well as an injury. If we can find no better arguments than those offered by it, then is the republican party in hard times indeed.

Two years ago the democratic orators were howling from the stump and the democratic newspapers were insisting through wearisome columns that the republican tariff was what kept wheat down, and that it was going to be a dollar a bushel when the democratic party got into power—and the balance of the millennium arrived. Those who repeated that story knew it was false, and the party is now apologizing for its "mistakes."

There is no necessity for the republican party going outside of the plain, palpable truth. If we cannot win on that, we do not deserve to win.

We observe in Secretary McBride's advertisement for bids for furnishing stationery, an item of "12 dozen fine pen knives." This may be all right but why the state should furnish the legislature with pen knives is a mystery.

### A Disturbance

Isn't what you want, if your stomach and bowels are irregular. That's about all you get, though, with the ordinary pill. It may relieve you for a moment, but you're usually in a worse state than before.

This is just where Dr. Pierce's Pleasant Pellets do most good. They act in an easy and natural way, very different from the huge, old-fashioned pills. They're not only pleasant, but there's no reaction afterwards, and their help lasts. One little sugar-coated pellet for a gentle laxative or co-rective—three for a cathartic. Constipation, Indigestion, Biliary Attacks, Dizziness, Sick and Bilious Headaches, are promptly relieved and cured.

They're the smallest, the easiest to take—and the cheapest pill you can buy, for they're guaranteed to give satisfaction or your money is returned.

You pay only for the good you get. Flim-Flam—You seem to be down on Miss Highfly all at once. Didn't she return your love? Jim-jam—She returned my love all right, but there was a diamond necklace that seemed to escape her recollection entirely.

A fine head of hair is an indispensable element of beauty. Ayer's Hair Vigor maintains youthful freshness and luxuriance, restores to faded and gray hair its original color, prevents baldness, removes dandruff, and cures scalp diseases. It gives perfect satisfaction.

"There is one sign that should be placed over every letter-box in the country." "What is that?" "Post no bills."—Pearson's weekly.

When catarrh attacks a person of scrofulous diathesis, the disease is almost sure to become chronic. The only efficacious cure, therefore, is Ayer's Sarsaparilla, which expels scrofula from the system and the catarrh soon follows suit. Local treatment is only a waste of time.

First reformer—Yes, Jones has decided to become one of us. Second reformer—Good, what office did he fall to get?—Washington Post.

A stimulant is often needed to nourish and strengthen the roots and to keep the hair a natural color. Hall's Hair Renewer is the best tonic for the hair.

We have made arrangements with the San Francisco Examiner to furnish it in connection with THE CHRONICLE. Having a clubbing rate with the Oregonian and N. Y. Tribune for our republican patrons, we have made this arrangement for the accommodation of the democratic members of THE CHRONICLE family. Both papers, the Weekly Examiner and SEMI-WEEKLY CHRONICLE will be furnished for one year for \$2.25, cash in advance.

Do you want THE CHRONICLE and San Francisco Examiner for a year? If so send us \$2.25 and you can have them, 156 papers for \$2.25 or less than a cent and a half a piece. If you would rather have the New York World, we will send you that and the SEMI-WEEKLY CHRONICLE one year for \$2.25. The World is also a semi-weekly so you will get 208 papers for \$2.25.

Jones—Have you heard about the mean trick I played on my wife. Brown—Do you mean the time you married her.

## "Only the Scars Remain,"

Says HENRY HUDSON, of the James Smith Woolen Machinery Co., Philadelphia, Pa., who certifies as follows:

"Among the many testimonials which I see in regard to certain medicines performing cures, cleansing the blood, etc., none impress me more than my own case. Twenty years ago, at the age of 18 years, I had swellings come on my legs, which broke and became running sores. Our family physician could do me no good, and it was feared that the bones would be affected. At last, my good old

**Mother Urged Me** to try Ayer's Sarsaparilla. I took three bottles, the sores healed, and I have not been troubled since. Only the scars remain, and the memory of the past, to remind me of the good Ayer's Sarsaparilla has done me. I now weigh two hundred and twenty pounds, and am in the best of health. I have been on the road for the past twelve years, have noticed Ayer's Sarsaparilla advertised in all parts of the United States, and always take pleasure in telling what good it did for me."
