A SCOURING MILL.

The question of establishing a scouring plant here has been agitated for some time, and seems now to have reached a stage where the accomplishment is probable.

The Dalles is the largest wool shipping point in Oregon, and from its situation must remain so, so long as the mountain ranges are utilized as sheep pastures.

It would prove of great benefit to the wool grower because it would give him a home market for his wool, or if he cared to ship, would put his product in shape to save him a large amount of freight money.

The big cannery now building will furnish lots of employment next year, and the cold storage plant soon to be built will prove a valuable addition to our business interests.

The Lexow committee is still in session in New York but how long it will continue is hard to say.

Portland's circus came off Thursday night according to program, and the papers say was a grand success.

McClure's for November is an exceptionally good number. Napoleon is pictured in all possible forms, and has received, we hope, all the treatment he will get, for that subject is decidedly chestnutty.

The Carnegie Steel Company claims to have discovered a means of dispensing with the sand strips on the Harveyized armor plates.

Chancellor von Caprivi has tendered his resignation to the German emperor, and it has been accepted.

Politics have gotten warm enough down in Indiana that the political speakers are being mobbed.

gentry did the mobbing this time and they were only prevented from killing the speaker by the prompt interference of the police.

Report from Chemulpo, under date of Oct. 26th, says the Japs have given the Chinese another lambasting.

For the many accidents that occur about the farm or household, such as burns, scalds, bruises, cuts, ragged wounds, bites of animals, mosquitoes or other insects, galls or chafed spots, frost bites, aches or pains in any part of the body, or the ailments resulting from exposure, as neuralgia, rheumatism, etc.

We have made arrangements with the San Francisco Examiner to furnish it in connection with THE CHRONICLE.

The regular subscription price of the WEEKLY CHRONICLE is \$1.50 and the regular price of the WEEKLY OREGONIAN is \$1.50.

When persons are weak and languid, from sickness or overwork, feel debilitated and depressed, it is an indication that the blood is out of order, and they need help to throw off the miserable feeling.

When a doctor considers it necessary to prescribe Sarsaparilla, he simply orders a bottle of Ayer's, knowing full well that he will obtain thereby a surer and purer preparation than any other which the drug-store can furnish.

Invalids should remember that the causes of sick and nervous headaches may be promptly removed by taking Ayer's Pills.

Neglect of the hair often destroys its vitality and natural hue, and causes it to fall out.

Tramers—I regard my wife's piano-playing fad as a joke.

S. P. SMITH, of Towanda, Pa., whose constitution was completely broken down, is cured by Ayer's Sarsaparilla. He writes:

"For eight years, I was, most of the time, a great sufferer from constipation, kidney trouble, and indigestion, so that my constitution seemed to be completely broken down. I was induced to try Ayer's Sarsaparilla, and took nearly seven bottles, with such excellent results that my stomach, bowels, and kidneys are in perfect condition, and, in all their functions, as regular as clock-work."

Ayer's Sarsaparilla Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Cures others, will cure you.
