BISMARCK'S OPINION

Preparations for the Wedding of the Czarevitch and Princess Alix--Defeat Has Caused Consternation.

BERLIN, Oct. 29.—A correspondent of the Associated Press learns from Varsin that upon the receipt of the news of a ministerial crisis, Prince Bismarck said: "I knew this to be the inevitable result. Count Zu Eulenberg was right in regard to the anti-socialist measures, but General von Caprivi disagreed with them, and either one or both had to resign. Prince Hohenlohe is a safe man, but he lacks the initiative." Prince Bismarck returns to Frederarube November 3d. Owing to the state of his health, the prince will be unable to see any more delegations before leaving Varsin. The health of the Princess Bismarck causes anxiety.

The Santa Fe Case.

TOPEKA, Oct. 29.—The case involving the election of directors for the Santa Fe Railroad Company came up today before Judge Foster, in the United States district court. The point involved is whether the cumulative system of voting shall be allowed. Mr. Dunlap, for the directors' committee, asked that the case be dismissed on the ground of no jurisdiction under the Kansas law of 1887, because Plaintiff Smith was a non-resident. A majority of the defendants named in the complaint are non-residents. The court adjourned till 2 p. m.

Preparations for the Marriage.

LONDON, Oct. 29.—A Yalta dispatch says that during the next four days Princess Alix will attend religious services in the national church. It is not expected the marriage will occur before Friday. KANSAS CITY, Oct. 28.—L. D. Hampton, nephew of Governor Edgewood, shot Edward Egan through the heart this evening in an alley in the rear of Egan's residence. Hampton himself was shot three times by Dennis Byrnes, Egan's father-in-law.

Hampton is a sergeant of police. He was in Egan's back yard, as he says, looking for a man. Egan and his father-in-law, Byrnes, came out, but did not notice the policeman's uniform. A quarrel arose that led to the shooting. Hampton was taken to the hospital, and Byrnes was arrested.

A Supreme Court Decision.

WASHINGTON, Oct. 29.—The United States supreme court today reversed the decision of the circuit court in the case of John C. Eno, formerly president of the Second National bank of New York, convicted of forgery in the New York state court 10 years ago. Eno raised the point he could only be tried in the federal courts. This view of the law was upheld by the circuit, but is upset by today's decision remanding the case to the state courts.

Rise in Rouble Notes.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure in the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & Co., Toledo, O. Sold by Druggists, 75c.
