STOLID INDIFFERENCE

Henry Watterson's Pen is Dipped in Gall.

SCATHING WORDS FOR CLEVELAND

Sutro Undoubtedly Elected Mayor of San Francisco—Republican Gains in Missouri—Solid South Broken.

LOUISVILLE, Ky., Nov. 8.—In today's Courier-Journal, under the head, "Have We a Democratic Party?" Mr. Watterson says:

"Never did a great party go to the people under such handicaps as were carried by the democrats into the campaign just ended. The hard times were bad enough, but they might have been parried. Faction fights among small claimants and rival place men were bad enough, but parties have met and overcome such obstacles before now; but with the record of perfidy and dishonor, as Cleveland aptly described it, to face and defend in a hand-to-hand fight with the united republicans, led by Harrison, McKinley and Reed, it was disheartening for the democrats to have to face also the dull self-sufficiency and stolid indifference of an administration that made no sign, uttered no word, and at least in the state of New York, seemed to desire to defeat the regular democratic nominees. The battle for tariff reform will have to go down to the foot and take a new start. The battle over the money issue will soon be upon us. We shall see if there is democracy enough left of the true-blue stripe to make a greatcoat good against all weather, or whether we must still wear a coat of many colors, covering not a homogenous party inspired by faith and trust, but a mere bundle of factions thrown together by the upheaval of the times."

Ambassador Bayard Says It Was Delay in Passing a Tariff Bill.

BALTIMORE, Nov. 8.—Ambassador Thomas F. Bayard said today: "I had great apprehensions as to the result of the recent elections for some time. I don't want to run afraid of these gentlemen responsible for the delay in passing the tariff bill, but the patriot's duty is unmistakable. The necessity for pure democratic tariff legislation was never so great as it is now. Bills for free raw material should be passed immediately and then the country would be able to contemplate the democratic idea of the tariff in full working order for two years before the national election rolls around. If this is done I have little fear the verdict will be unsatisfactory in 1896." Ambassador Bayard sails for England next Saturday.

The Tariff Blamed.
LONDON, Nov. 8.—The Pall Mall Gazette, commenting on the election in the United States says: "The failure of the democrats is due to the action of the senate on the tariff question, 'but,' the Gazette adds, 'the country has been carried away by its general and indiscriminating indignation.'"

A New York Estimate.

NEW YORK, Nov. 8.—Latest returns show that the next house will stand 234 republicans, 117 democrats, 5 populists. The republicans will have a majority of 112. At present the democratic majority is 84. Every prominent democrat in an Eastern state has been defeated. The Solid South is broken. West Virginia elects four republican congressmen; Maryland, Kentucky, Virginia, North Carolina, Tennessee, Missouri, Delaware, and even Texas, elected one to seven republican congressmen. Michigan, Iowa, Indiana, Connecticut, New Jersey and Kansas send solid republican delegations to congress. Morton's majority in New York will be over 150,000. The populists were beaten in all their strongholds, with the exception of Nevada. The republicans recaptured Kansas by a large majority. Waite, populist, of Colorado, for governor met with a crushing defeat. The Montana republicans have a majority of the legislature, which insures the election of two United States senators. New Jersey will have a republican legislature, and a democratic United States senator will be succeeded by a republican. In Illi-

nois the republicans got everything in sight, and will also elect a United States senator. Pennsylvania republicans elect 28 out of 30 congressmen. In Nevada, Newlands, the silver party candidate, is conceded to be elected, as is also Jones for governor. In every other state the republicans have elected a majority of all officers.

Republicans Won, But Are Afraid of Losing Their Victory.

WASHINGTON, Nov. 8.—Chairman Babcock, of the republican congressional committee, received the following letter today from A. E. Holton, chairman of the republican state committee of North Carolina:

"We won a complete victory at the polls here yesterday. We elected the judicial ticket by estimated majorities of over 40,000, and have both branches of the legislature, with four republican and three populist congressmen. A fight will have to be made tomorrow before the county canvassing board. It will be necessary for us to employ counsel to appear before the canvassing boards in many counties. The democrats say they have given up the state, but our best information is that they will appear before the boards tomorrow prepared to do all in their power."

Chairman Babcock has instructed Holton to employ all the counsel necessary to protect the republicans rights.

Chairman Babcock now estimates that there will be 255 republicans in the next house.

Even Missouri Is Lost.

ST. LOUIS, Mo., Nov. 8.—There is today almost no doubt the republican state ticket has been successful. In comparison with two years ago the republicans had a plurality of 29,661, to overcome. Fifty-seven counties out of 114 show a net republican gain of 18,720. In the house of representatives the republicans have made gains enough to give them a joint ballot majority, but the senate will remain democratic. In the congressional districts it is now fairly established the first, Hatch's, the fourth, Ellison's, the sixth, De Armond's, the seventh, Heard's, the ninth, Champ Clark's, the thirteenth, Fox's, the fourteenth, Arnold's, and the fifteenth, Morgan's have been carried by the republicans. The eighth, Bland's, is still in doubt, also the third, Dockery's. The tenth and eleventh, St. Louis, are republican. The only sure democratic districts are the second, fifth and twelfth.

Gompers Writes to Cleveland.

NEW YORK, Nov. 8.—The Sun says President Samuel Gompers, of the American Federation of Labor, sent the following telegram to President Cleveland yesterday:

"Without much concert of effort by organized labor, the people have measured at the polls your assumption of the unconstitutional and unwarrantable use of the military power to crush labor. Though the changes may benefit us little, the rebuke will nevertheless be appreciated and remembered."

Plenty of Contests.

WASHINGTON, Nov. 8.—The indications are the 54th congress will open with numerous contests for seats in the house from the Southern states. Reports received at the republican headquarters make it plain that unless there is a change either of mind or conditions there will be at least three contests in Louisiana, one or two in Virginia, some in North Carolina and Tennessee, with a possibility of contests in Alabama, Kentucky and Arkansas.

Vote for Greater New York.

BROOKLYN, Nov. 8.—According to figures received thus far at the police headquarters, consolidations, as far as Brooklyn is concerned, has been lost by about 100 votes. Counselor Shanks, secretary of the Consolidation League, claims, however, consolidation has been carried by a small majority. It will make no difference whether the vote is found to be in favor or against, as the matter will have to go to the legislature in any event.

Ormsby County Complete.

CARSON, Nev., Nov. 8.—The complete count of Ormsby county gives the republican a small majority for nearly every office on the state and county tickets, the silver party getting the lieutenant-governor the university regent on the state ticket, and sheriff, assessor, auditor, recorder and district attorney on the county ticket.

outside the harbor. It is probable Port Arthur and the Chinese fleet will fall into the hands of the enemy. Chinese deserters are arriving in New Chang in large numbers panic stricken. A Japanese flying squadron is reported to be 100 miles off New Chwang.

A Populist in Colorado.

DENVER, Nov. 8.—In spite of the positive announcement from Pueblo that Thomas M. Bowen, rep., is elected congressman, the result is the second district still seems to be in doubt. Returns official and estimated, received here from all counties in the district, except two, give Bell, pop., 2207 majority.

The republicans will have 16 majority on joint ballot in the legislature.

Silver-Dollar Bland Beaten.

St. LOUIS, Nov. 8.—The state democratic committee concedes the election of a republican legislature. It also concedes the defeat on prima facie returns of R. P. Bland in the eighth district by a plurality of 19 votes. The committee still claims the re-election of Dockery, in the third, by 300.

LEBANON, Mo., Nov. 8.—Congressman R. P. Bland concedes his defeat by 600 plurality.

Election Frauds in Kansas City.

KANSAS CITY, Mo., Nov. 8.—The Star, independent, figures that John C. Turney for congress has carried the fifth district by a little over 500. There is every prospect of a contest by Colvan Horn, rep., in the second ward of Kansas City, where 1548 votes were cast, against 728 at the last presidential election. It is claimed it can be proven there are not 1000 voters in the second ward.

A Contest From Louisiana.

NEW ORLEANS, Nov. 8.—Full returns today confirm the election of all six democratic candidates for congress. The Louisiana sugar planters are understood to have had spotters in three sugar districts. The republicans are hopeful of getting Beatty, Kerloch and Coleman seated.

Tennessee's Governor in Doubt.

NASHVILLE, Nov. 8.—The election for governor has not been yet definitely settled. The republicans claim the election of Evans by 15,000 majority, while the democrats claim Turney's election by 5000 to 7000.

GAVE HIM MORE LIGHT.

The Sexton Lost No Time in Doing the Rector's Bidding.

"I was sexton of Grace church when Rev. Mr. Blank was rector there," says a writer in the Utica Observer. "It was a summer night and rather warm, so when the rector commenced his sermon I turned down the gas in the body of the church to make it a little cooler. 'The text that night was, if I remember it, 'Let there be light.' I was sitting in the rear part of the church, not paying particularly close attention to the sermon, nor, in fact, to anything else. Suddenly the rector exclaimed loudly:

"More light! More light!"

"I jumped to the stop-cock in the gas supply and turned on the gas full head all over the church. Well, sir, you ought to have seen those people! Some of them laughed right out, and those that didn't had hard work not to. I found out afterward that when the rector said 'More light!' he was not giving directions to me, but quoting the dying words of Goethe."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature to do its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of Testimonials. Address:
