ROYAL FISH.

An article is going the rounds of the press entitled "Her Majesty's Tips," which shows some of the peculiar royal prerogatives. Among others it is mentioned that she has the right to every whale or sturgeon caught within a certain distance of the coast of England.

West Virginia having gone republican, it is already conceded that Stephen B. Elkins is entitled to represent the state in the United States senate.

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria.

Senator Jones of Nevada knew a thing or two when he turned populist. He knew his way back to the senate for one thing, and he also knew that the only road led through the populist party, or rather the silver party, which is practically the same thing.

The free coinage of silver evidently did not suit the democracy of Missouri. Congressman Bland, who is perhaps the most rabid silver man in the United States, was badly beaten in a state where a nomination the democratic ticket heretofore has been equivalent to an election.

Some fault is found with Governor Pennoyer's Thanksgiving proclamation on account of its shortness. If the president had not promulgated his call for giving thanks until after November 6th it would probably have been yet more brief than Pennoyer's, and had he quoted scripture, he would unerringly have selected the shortest verse in the Bible.

General O. O. Howard was retired from the army yesterday. He was in command of the department of the Columbia some eighteen years ago, with headquarters at Vancouver. His daughter is the wife of Captain James Gray, of the steamer Lurline of Portland.

It is said the populists of Illinois want Governor Waite of Colorado to move to their state and take the nomination for governor. The way he led his party to victory in Colorado ought to satisfy the suckers, but anyway they ought to be able to find plenty of cranks in their own state just as cranky as Waite.

Cleveland was silent before the election, much to the disgust of his party, but since that time the balance of the democrats are utterly speechless, having gone over to the silent majority.

An Old Song.

When giants lived in ancient times, Sing heigh, my boy, sing ho! In good old England, or foreign climes, Sing heigh, my boy, sing ho!

The West Indian and Pacific Steamship company's freight sheds at New Orleans, burned Sunday, with \$150,000 loss.

Henry Wilson, the postmaster at Welshton, Florida, says he cured a case of diarrhoea of long standing in six hours with one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

The Belvidere, a family hotel at St. Louis, was burned Sunday, with \$75,000 loss.

Bucklen's Arnica Salve.

The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter, chapped hands, chilblains, corns, and all skin eruptions, and positively cures piles, or no pay required.

A large building was burned at Hartford, Conn., Sunday, with \$130,000 loss.

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria.
