UTTERLY BOOMLESS.

A gentleman named Haller writes from Goodland, Kansas, to the Oregotell them what to do and how to do it body going to do about it? in regard to advertising Oregon and directing the tide of eastern emigrants this way. Mr. Haller among other things that he fills a column of space with, says:

people to come to Oregon than any other railroad commission of Oregon. western state. I do not think it would like, if you have space in your paper, to know what are the duties of the com-

"My advice to your colonization society is to be very careful not to get up its than before they invested. Get reports such as your chamber of commerce and state board of agriculture get out, and eastern states, I am sure it will do your states untold good. H. M. HALLER."

It is self-evident that Mr. Haller is not acquainted with Oregon, or Oregon methods, and his advice not to make our advertising matter too "flashy" provokes a smile. The advice to "get reports such as our chamber of combig smile and when those reports are, by implication, said to be good, those smiles double teams and force one into a genuine cayuse laugh. Mr. Haller is mistaken about Oregon not being advertised. We are known from Thunder Bay to the Plaquemine, and from Katahdin to Tillamook, as the sleepiest, slowest and least progressive people in North America. We have a prolific soil, a magnificent climate, the grandest never fail, and we can grow anything that can be grown in the temperate zone, bigger, better, and more of it to the square acre than anywhere else in the concluded that man had no business door dessicated in Nebraska why should cover us with humiliation we suggest why should we hamper their selection "one of our patrons." of home or amusements. There are no at once that the railroad commission is and a house built on section 22 stays on a 25 cent paper file would fill the place but if Jones of Nebraska prefers to dance to the tune of the devil's dream sive, at least during the prevalence of truth of this epigram. The man marthe tornado, even though he progresses ried because he was tired living from by gyrations and retrogressions.

and us slow-going old webfeet are satis- experiment of trying to make a busified with it, and our lot. We are so ness newspaper man out of a journalist. until "thinking people" get their think- curious to know what made her so. ers to work and come here of their own accord. Thinking people, who get their thoughts from prepared literature, furnished by land-booming syndicates, are the kind who buy gold bricks, beat the shell games, and fatten the green goods men. We have not many of that kind, her the green goods the land, but we have enough.

THE SHADES OF VICE.

more than Mr. Parkhurst's unless he is the Giant or Jack! backed up by the legislature. The police knew just as well where those Wallace called attention to them as they John-Notee know. Maybe bigee lain do now, and they were just as active in suppressing them before, as they will be after his expose.

We mention this only to show that all cities are alike and New York and Tam- bruises, sores, ulcers, salt rheum, fever many are no worse than cities with the sores, tetter, chapped hands, chilblains, same systems, but whose ringsters are corns, and all skin cruptions, and posinameless. Portland is, and has been for tively cares piles, or no pay required it is guaranteed to give perfect satisfaction or money refunded. Price 25 cents per box. For sale by Snipes & Kinsel Snipes and per box.

when one is suppressed the other should be. Mr. Wallace has discovered what requires it, Dr. Simmons Liver Regula nian, in order to reach Oregonians and everybody knew. Now what is every- tor, with good effect.

THE RAILROAD COMMISSION.

The following letter reached us this

morning: "Mr. Stearns says it is harder to get from time to time articles relating to the cople to come to Oregon than any other railroad commission of Oregon. Would be if Oregon was advertised as much as some of the younger states, who are trying to increase their population and wealth as fast as possible.

"My advice to your colonization soci-

1. It is hard to say just what the advertising matter as too flashy. Too duties of the commissioners are, as they much booming is not what holds the have never been exemplified. The genthinking man, since booms all over the eral supposition is that the commission country have left so many worse off should look after the interests of the people, see that rates are uniform and not exorbitant, examine the roadbeds and rolling stock at times to see that will be paid for information which will with other good matter sent through the they are kept in good order, to hear lead to their recovery, by the undercomplaints from private citizens, and signed. give, or suggest, such redress as the occasion required.

2. A private citizen may place a grievance before the commission with-

out cost-or anything else. 3. The gentlemen who compose the commission, are General H. Compson, merce gives out" provokes another great Col. J. B. Eddy and Private I. A. Macrum. Hon. Lydell Baker draws the salary as clerk. General Compson spends considerable of his time inspecting the militia, so his address is unknown to us. Col. Eddy hails from to Everyone Pendleton, and his hobby is the Press Association, so his address is unknown. Private I. A. Macrum we know nothing about, only that his address is Portland. The last we heard of Mr. Baker he had knocked the underpinning from beneath scenery on the continent; our crops "Imperialism in Rome" and was on his way from Salem to Portland on foot going by way of Eugene and Prineville.

The Albany Herald twitted us recently world. Nature did so much that the in commenting on the uselessness of the early settler quickly and unanimously railroad commission, over the fact that New Stock. Low Prices "one of our patrons" had filed a coming much of anything, and he individu- plaint with the board that he would ally and collectively proceeded to do it. have to wait months to get settled if he We are not an aggressive people, but had to go to the courts. We have had living easily, are content with our lot, our attention on that little complaint willing to share of our abundance with just for curiosity. It has been filed a those who come, but not caring a conti- month and no action has been taken. nental whether they come or not. If Whether there will be remains to be people want to be cycloned in Dakota, seen, but if our Albany friend wants to we complain? There are millions of acres that he poke the commissioners up and of land here they are welcome to; but annihilate us with a decision in favor of Let us know all cyclones to toy with one's property here, of some value. As at present conducted that section until it is removed by hand; occupied by the commission just as well,
